STORE Box Suits are "Dummy" Suits
—all right as long as resting quietly upon the "dummy" that doesn't move a muscle
—all wrong when put on a live, moving, active man, for whom they were not made, and who quickly brings out every glaring defect.

For clothes that fit your form, follow every movement of your body, and retain perfect shape, have us take your measure and send it to Ed. V. Price & Co., famous as merchant tailors who make clothes to order exclusively.

Made in either direct or modified style, a tailored-to-measure suit will cost you but \$25 to \$40 here, and it will embody high class workmanship, permanence of shape, and service value only found in clothes for which small tailors charge twice the money.

Try one and be convinced.
