FRIDAY MAY 29, 1908

The Herald has been asked by the saloonmen if we think they have no rights. We certainly accord to them all the rights and privileges which are given to every free American citizen. We will even concede to them the right to publish anything in the "Anti" which they may desire. They claim the right to meet the "bitter personal attacks" of the Anti saloon people with "bitter personal attacks," and as long as it is their fight not ours, we cheerfully admit it is none of our business.

We do not believe that the saloonmen meant it in just that way and we have not so interpreted their reply. They no doubt feel that the Herald has unjustly criticised their action, but if they stop to think they will see that it was only friendly advice, such as we might offer the Local Option people.

Personalities on either side can only result in harm in any controversy, and are really a disgrace to the present day civilization, whether it is indulged in by the Local Option people or the saloonmen. This has always been the history of prohibition fights and is one of the causes of the great damage done to business and any town or community where the fight occurs. We are free to speak plain on this subject, as we have not been embarrassed by accepting money from either side.

The saloonmen has complimented us by saying that "The Herald has always been fair in all matters pertaining to the city's affairs." We have found out long ago that it pays to be fair. The Herald does not represent any interests or body of men. It depends entirely on the support of its readers, the citizens of Klamath Falls. The people have faith in the Herald and know that what is printed in the news columns, is not the biased opinion of the Editor, but rather the actual daily occurrences obtained from reliable sources. This policy is why the Herald has more readers in Klamath Falls than any other paper. This is the reason why we are daily adding new subscribers to our list. This is the reason also,

MARSH LANDS

50 per cent. vegetable matter. Klamath's greatest bargains at \$20 per acre and upwards. Easy Terms.

Why the Herald is more liberally patronized by the advertisers than any other paper in the city. Do the people think that the business men of Klamath Falls are paying their cash for advertising to the Herald as a personal favor to the Editor? Business people do not do things that way. Their reason is that they know the people have confidence in what is printed in the Herald, both in news matter and advertisements.

It is rightly conceded that the greatest of all factors today for the encouragement of right thinking, sane judgement and correct knowledge is the free and untrammelled newspaper. Whether the paper be of one political faith or another or truly independent in its course, it must be possessed of sufficient breadth and courage to publish the news without distortion or prejudicial interpolation. Having chronicled the happenings the readers mind is left free to form a judgement. Irrespective of what the Editor may say editorially he has opportunity to draw his own conclusions, because all the facts from which an opinion may be formed are at his disposal.

Both Bryan and Taft the two leaders in the presidential race, are in favor of the publishing of campaign contributions, and that would indicate that possibly both the Democratic and Republican platforms will contain a plank with this provision. Bryan has come forward in a telegram to Mr. Taft suggesting that they join in asking Congress to pass the bill requiring the publication of campaign contributions prior to elections. Mr. Taft replies in a telegram stating that he was in favor of the bill and had already written Senator Burrows, chairman of the committee on elections, urging the passing of the bill.

Republican Candidates

U. S. Senator—Hon. H. M. Cake, as U. S. Senator, is all that we can ask for in one candidate. Mr. Cake is a man of pleasing appearance, an eloquent speaker, a man that understands the

political situation. While many regret that Mr. Fulton was beaten, yet we realize, by the vote Mr. Cake received in his home county that he is as popular there as Mr. Fulton was here. Mr. Cake is deserving of his party vote.

Congressman—W. C. Hawley points to his past record with pride; in fact his record is his platform.

Justice of the Supreme Court—R. S. Bean needs no special mention.

Dairy and Fowl Commissioner—J. W. Bailey is also a Winner.

R. R. Commissioner—T. K. Campbell is a man for the people and is entitled to the support of the entire party.

Prosecuting Attorney—D. V. Kuykendall, as Prosecuting Attorney, is practically without opposition. He is well qualified and Klamath and Lake Counties are to be congratulated on having been able to place so competent an attorney in nomination for the place.

State Senator—Geo. H. Merryman, as State Senator, is a rising young Statesman having served one term in the Lower House and demonstrated his ability.

Representatives—Our State Representatives, H. P. Belknap and H. A. Brattain, are strong candidates and will more than poll their party strength.

Sheriff—W. B. Barnes is well qualified to fill the office, having served as assessor of Lake County, also as deputy sheriff. He has a good education, is an active man, well acquainted with all the surrounding county and make an efficient officer. Vote for him.

County Clerk—C. R. Delap, as County Clerk, is well known to you all, having served this county as School Superintendent in a way that is a credit to himself. He is now serving as Deputy Sheriff of this county and is known to be a thoroughly competent man.

School Superintendent—J. G. Swan is a man that has been conspicuously before the public for the past five years and has accomplished wonders in educational lines. He is well fitted for the place.

Assessor—Bert E. Withrow, as Assessor, is the right man in the right place, having served a number of years in the Abstract Office and having a complete abstract of every piece of deeded land in the county, puts him in a position to better judge the value of real estate than any other man we know.

County Treasurer—L. Alva Lewis, as Treasurer, is well known to you all and he points with pride to his past record.

County Surveyor—M. D. Williams has been conspicuously before the public during his term of office. His work speaks for his efficiency.

County Commissioner—C. J. Swingle is a pioneer of Klamath County. He is a conservative business man and has made a success with his own business venture, and it is fair to assume that he will do as well with the county business.
