NEWS FROM MERRILL VALLEY.

Our Xmas tree and program were a great success. Mr. Santa Claus was very liberal to all this year. Why shouldn't he be, as sleighing is excellent? He wasn't as jolly as usual; perhaps the weather was too cold.

A number of young people of Gale attended the big Xmas ball at Merrill. Some of them went in sleighs. That's the way to go. Now is the time for sleigh rides. We had better make the most of it now for it won't last very long.

Charles Whitlatch and sister, Neva were absent from Sunday school. Not over the Xmas dance, I suppose.

Mr. and Mrs. J.H. Hobbs have been visiting for several days with W. H. Todds.

Della Gerking, Louis Tolle and sister, Audry, took dinner Sunday at W. H. Todds.

Mr. and Mrs. H. S. Parrish and Mr. and Mrs. R. C. Anderson visited Sunday with E. E. Ivies.

Rev. L. M. Anderson and Mr. and Mrs. J. W. Taylor spent Christmas with W. Hills.

Mr. Whitlatch was busy butchering hogs all day Saturday. H. F. Tolle butchered Tuesday.

Fred Brewster took dinner and spent Sunday afternoon with H. F. Tolle.

CANDIES.

Sea-Foam Fudge (Nut)—Put into a saucepan three cupfuls of light brown sugar, a cupful of cold water and a tablespoonful of vinegar. Bring this to a boil gradually and do not stir after it is once heated. Boil steadily, and when a little of it dropped into cold water forms a hard ball take it from the fire. Beat stiff the whites of two eggs and when the sirup has stopped bubbling pour in on these and beat well. When it begins to stiffen, flavor with one teaspoonful of chopped nut kernels—hickory pecan or English walnuts. Drop on paper or turn into a greased pan and mark off in squares and triangles.—Delineator.

"Divinity" Fudge—Boil together two cupfuls of granulated sugar, one cupful of maple sirup, one cupful of water and a tablespoonful of vinegar until a little of it hardens when dropped in cold water and then add a teaspoonful of vanilla and take from the fire. While this mixture has been cooking, a cupful of granulated sugar should have been put over the fire in another saucepan, with a half-cupful of cold water, and boiled until the mixture spins a thread from the tip of a spoon. This should at this stage be beaten up with the stiffly-whipped whites of two eggs, and this stirred into the first preparation, which should by now have cooled slightly. Beat the two hard until they begin to stiffen, when turn in two cupfuls of chopped nut kernels. Drop on paper or pour into pans and cut in shapes desired.—Delineator.
