OPERA HOUSE TONIGHT

E. church, at the invitation of the management, witnessed the performance at the opera house last Saturday night he said that the motion pictures were not only highly interesting and instructive, but also had a moral tendency. It is a pity that, being away on his vacation, he cannot see "The Lost Sheep" tonight, which tells the story of a foolish girl who throws away the substance of happiness for the shadow of pleasure, only at last to realize the beauty of Christ's parable of the ninety and nine.
