

OUR ANNUAL THANKSGIVING SALE

Begins Monday Morning, November 20th, 9 A. M.
Ends Saturday night, November 25th, 10 P. M.

WE are going to make this a sale of special importance to every economical buyer of good merchandise, for it is one way we have of showing our appreciation of your loyal patronage during the past few months. A special effort will be made at this time to prove this store worthy of your support.

OVER 6,000 square feet of floor space, including balconies, devoted exclusively to merchandise to wear, gives you store facilities above the average, and when we decide on a certain time to make unusual price reductions, it gives us almost unlimited stocks to enter into SPECIAL SALES.

Owing to the lack of space for to-day's issue we are only quoting prices on table linens and napkins, and we might add that you may judge our many special offers by the prices you will find on these goods alone. Don't miss this opportunity to buy linens at money-saving prices.

36 inch damask used for making every-day napkins,
20 cents value, per yard 15c
64 inch beautifully mercerized damask, a very special

than 75c per yard, sale price 59c
70 inch, all linen, medium weight, several choice

PRIZE FIGHT IS PLAINLY SHOWN

WOLGAST-MORAN PICTURE REEL
RUN OFF AT OPERA HOUSE
BEFORE PLEASED AUDIENCE—
REPEATS TONIGHT

At the Houston opera house last night the half mile of reel which shows the fistic encounter between Adolph Wolgast and Owen Moran, the former an American talented in thrusting his "bunches of fists" against the features of others, and

the latter a prominent example of British pugilistic ability, were shown last night.

There was a good crowd present to the fight as photographed by the moving picture men, and the witnesses enjoyed it practically as much as though it were the original fight. The pictures are clear and distinct, and show not only principals and ring attendants, but spectators, very plainly. If one has friends close to the arena he can recognize the features in the pictures.

The pictures show plainly that the plucky Britisher was simply outdone by Uncle Sam's representative in the scrap at San Francisco on July 4 last. The pictures will show again tonight.
