**BEN SELLING**

Sentiment in the state is fast crystallizing in favor of Ben Selling, the progressive Statement No. 1 candidate for United States senator. Every section of Oregon reports a feeling that a change is desired in representation at the national congress, which means a retirement of Mr. Bourne. Facts of record point to a number of things which Senator Bourne has overlooked pertaining to Oregon's welfare. His lack of attention to the reclamation fund which caused this state to lose \$5,000,000, which was Oregon's share of the fund, is a blow that this part of the state keenly feels. Eastern Oregon needs every attention from the federal government to develop her resources, and especially the semi-arid region where without water development is bound to be slow, and with water it is magic so swiftly does it come.

Ben Snelling is the kind of man not to neglect things for Oregon. When he is senator he will be watchful of the needs of the state, and he knows those needs very well, because he has been associated with the people all of his life. His progressiveness is too well understood to need mention, for he was one of the original fighters for Statement No. 1, the direct primary and the initiative and referendum.

## POWER PROJECTS TO COST MILLIONS

**FORMER KLAMATH FALLS MAN MADE LARGEST FILING IN THE STATE SINCE NEW LAW WENT IN EFFECT THREE YEARS AGO**

SALEM, April 15.—Since the law governing water permits in this state went into effect three years ago 124 permits have been issued by the state engineer, showing a total of 116,341 horsepower. The estimate of the cost of the works which will have to be constructed to develop this power is placed at \$5,149,500.

An idea of the enormous amount of power these figures represent may be had from the assertion that it equals ten times the amount of power being developed at the falls in the Willamette river at Oregon City. The average for each permit issued is 922 horsepower. The largest filing was made by W. K. Brown on the Klamath River, where he filed on enough water to develop 20,454 horsepower. The next largest filing was made by the Willamette Power company of Portland on the north fork of the Santiam River, and amounts to 10,227 horsepower.

### THE DOCTOR'S QUESTION

Much Sickness Due to Bowel Disorders.

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 80% of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly, before health can be restored.

Small Ordinaries are a positive, pleasant, and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.

Small Ordinaries are eaten like candy they act quickly, and aid in producing a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, grip, cause nausea, flatulence, excessive looseness, diarrhea, or other annoying effects. They are especially good for children, weak persons, or old folks. Three sizes, 10c., 25c., and 50c. Sold only at our store—The Retail Store The Star Drug Store.

## WHISTON OPENS REVIVAL SERVICES

**UNIQUE SINGING EVANGELIST STIRS FOLKS WHO FILL CHRISTIAN CHURCH, USING STANDING ROOM**

Standing room only was the order last night at the Christian church, and Evangelist Whiston certainly made good. He is unlike any preacher who has ever held meetings here, and is in a class by himself. The theme was "The Man on the Fence," a message on the fundamentals of Christianity. It was a logical and stirring sermon. His solo, "Christ's Life Line," was greatly enjoyed, and the audience joined in the chorus.

Tonight the Whistons will sing and the evangelist will speak one-half hour on "God's Road to Happiness." The new hymnals are expected, and a large chorus will assist. The meetings will soon be on in full swing, and all are invited to attend every one. Please follow the ushers. E. L. Elliott is chairman of the board of ushers, and he will be glad to assist in any way. Come tonight. Beginning at 7:45 sharp, closing by 9.

We have some very desirable 6th street property for sale—Stephens-Hunter Realty Co.

**GERTRUDE & CO. MILLINERY**  
Last week we advertised a special sale of Imported and High Priced Hats at ONE-HALF PRICE. Found we had too many fine hats for this town. Well, on sale day it rained and snowed all day, and while we sold a few of them, still it lacked a whole lot of what we call a SALE. Also we have learned that many ladies do not know where we are located. WE MUST GET KNOWN AT ANY COST. We want to do some advertising that will be talked about. Newspaper advertising is good, of course, but not enough; so we have a scheme: We are going to try, FOR WEDNESDAY ONLY we place on sale any hat up to \$10 for \$5 each. Also any of our High Priced Hats or PATTERN HATS from \$10 up at just ONE-HALF PRICE.
