as a horticultural section. The valley being long and from eight to twelve miles in width, has some narrow bodies of land along its shores. On the west side from the state line north, and running several miles out into the present lake, are some thousands of acres that would probably be claimed by the promoters of the deal if they are able to put it through, while at the lower end of the lake, in the vicinity of Davis Creek, is another shallow basin that would come under the same classification.

The last session of the state legislature passed an act, which was vetoed by Governor Oswald West, which authorized a company with headquarters in Portland and Lakeview, to build a dam at the lower end of Flagstaff, or Upper Warner Lake, and pump the waters of this body of water upon the lands adjoining. As Governor West pointed out in his veto, there was no disposal made of the lake lands that would be reclaimed, and they evidently were supposed to belong to the company that would promote the deal.

J. H. Garrett of the Garrett Construction company left this morning for Portland, where he will attend to business matters for a few days.

Work has been begun on both the Crister & Stilts and the C. E. Riley buildings. The bricklayers are putting up the walls and rushing the work.

Delay Has Been Dangerous in Klamath Falls

Do the right thing at the right time. Act quickly in time of danger. Backache is kidney danger. Doan's Kidney Pills act quickly. Plenty of evidence to prove this.

J. B. Shafer, 568 E. Main street, Ashland, Ore., says: "I was in a bad way from kidney trouble, and despite all my efforts I seemed unable to get relief. The kidney secretions were unnatural and my back was extremely lame and painful. At night I was restless, and if I caught cold it settled in my kidneys, causing my trouble to become worse. Being told of Doan's Kidney Pills, I procured a box, and before I had used them long I felt better. I am now well and my kidneys no longer bother me. My advice to everyone afflicted in a similar way is to give Doan's Kidney Pills a trial."

Confirmed Proof  
When Mr. Shafer was interviewed on October 23, 1909, he said: "My former endorsement of Doan's Kidney Pills still holds good. I am now in excellent health, and my kidneys give me little or no trouble."
