A Settlement

Owing to an estate being settled we have secured a shipment of pianos at one-third under cash wholesale prices. These instruments have not been out on consignment, have not been rented or are not showpianos. The \$200 styles will sell at \$150, and higher priced ones at equal bargains. We are not retiring from business, so will allow an exchange on any of these instruments within one year. If you are wise you will investigate by calling at SHEPHERD PIANO DEPOT, next door to postoffice.

A New Back for an Old One—How It Can Be Done in Klamath Falls

The back aches at times with a dull indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys and again the loins are so lame that to stoop is agony. No use to rub or apply a plaster to the back if the kidneys are weak. You cannot reach the cause. Klamath Falls residents would do well to profit by the following example.

Mrs. Byron Cole, 737 Boulevard avenue, Ashland, Ore., says: "I suffered for a year from a most distressing kidney and bladder complaint. If I stooped, I had a sharp stitch in my back. Often I could hardly straighten after one of these attacks. I was sometimes bothered with dizziness, and my health was all run down. Doan's Kidney Pills were just what I needed. In less than a week after I began taking them, I improved in every way. I steadily got better, and it wasn't long before I had no more trouble. My health is now good."

ICE SKATING IS POPULAR SPORT

IDEAL WEATHER AND PERFECT ICE DRAWS HUNDREDS TO THE FROZEN SLOUGHS, LAKES AND CANALS

The cold nights of the past week or so have covered the lakes, sloughs and ditches adjacent to Klamath Falls with a thick layer of ice. As a result, kiddies and grownups, with skates over their shoulders are to be encountered all times of the day and evening, heading toward the ice.

Clear days are the order in Klamath county, and in the middle of the day, the warmth of the sun is such that overcoats and vests are discarded by many. Under clear skies, with the cheerful sun driving away all chill, leaving just enough snap in the atmosphere to make one enjoy being alive and active, the skating right now can be equaled nowhere.
