

# In Society's Realm

By MABEL MARTIN

Klamath Falls society has spent much time this week on the Red Cross work. The members of the local Red Cross secured a total membership of 181. A meeting of the board of directors and managers of the local Red Cross chapter will be held next Monday at the White Pelican hotel to plan future activities of the chapter.

The Woman's Relief Corps gave an entertainment Tuesday night at the opera house for the Klamath boys and Red Cross funds. A sum of about \$162 was raised.

Mrs. E. W. Gowen gave a party Wednesday afternoon at her home in honor of Mrs. Zoe Chase, a local teacher in the grammar schools, who left Friday for Chicago to spend the summer. Five hundred was enjoyed during the afternoon, and Miss Josephine Van Riper won the prize for the highest score. The hostess served delicious refreshments. Those present were Mrs. F. M. White, Mrs. L. Gerber, Mrs. F. J. Brown, Mrs. Garrett Van Riper, Mrs. Edmund Gowen, Miss Vera Houston, Miss Harriett Fink, Miss Josephine Van Riper, Miss Lillian Van Riper, Miss Zoe Chase and Miss Gertrude Parker.

The Rebekahs had a meeting Thursday night. The report from the delegates of the Assembly of Oregon was read. After the business session a recess was declared, and the members of the lodge surprised the Noble Grand, Mrs. Earl Hill, who was married quietly a few weeks ago, with a china shower. They presented her with a large basket containing many pretty pieces of china ware.

The Misses Lillian and Josephine Van Riper leave Sunday for Portland to attend the Rose Festival and spend the summer there and at other points.

The First Aid met at the White Pelican hotel Wednesday afternoon. Dr. Geo. A. Cathey gave a lecture on drowning and artificial respiration. At the next meeting Dr. Cathey will demonstrate all the subjects that he has given lectures on. A large attendance is hoped for, because it is important that people should know these things.

A marriage that is of much interest to their many friends was the wedding of Miss Vera Lorain Bliton to Mr. Van Allen Cornish, which took place at the Methodist parsonage Sunday evening. Rev. Geo. H. Bennett officiated. Monday evening Mr. and Mrs. N. H. Moe took the couple for a ride in a car covered with signs of "Just married," "old shoes," etc. After which they took the newlyweds thru Main street, then brought them back to the Shasta, where a large crowd of their friends were waiting, so it was up to them to

treat. They will make their home at the Baldwin hotel for the present.

Mrs. L. L. Truax will entertain a few friends informally at her home on Esplanade street this afternoon at an afternoon tea.

The Leisure Hour Bridge Club meeting for Tuesday this past week was postponed on account of the members being engaged in Red Cross work. The next meeting will be held at the home of Mrs. Thomas Hampton.

A very pretty wedding was solemnized at the home of R. W. Tower, near Keno, last evening, when Raymond I. Tower and Miss Charlotte I. Evans took the vows of holy wedlock. At 6 o'clock Mrs. Sadie Mitton played the wedding march, when the bridal party entered the parlor. Rev. Geo. H. Bennett performed the ring ceremony in the presence of twenty-five guests. The groom is the son of R. W. Tower, and has a homestead near Malin. The bride has been teaching school at Malin for two or three years, and has also been acting as postmaster. A bounteous dinner was served following the wedding ceremony.

Miss Gertrude Seeley, who leaves shortly for her home in Delta, Ohio, is giving a luncheon at the White Pelican this afternoon to a few of her friends. Miss Alice McCourt will accompany Miss Seeley east, and spend her vacation there. Those invited are: Mrs. Rose Torrey, Mrs. Louise Voyer, Mrs. Jewel Barlowe, Miss Alice McCourt, Miss Edna Wells, Miss Kitty Wells, Miss Agnes Lee and Mrs. Louise Ferguson.

The Missionary Society met at the Christian church Friday evening. An attendance of forty-five was present. Three new members were received into the society. An interesting program was given, conducted by Mrs. J. B. Duncan. Papers were read by Miss Rachel Applegate, Mrs. R. H. Dunbar and others. A piano solo by Miss Jennie Applegate was enjoyed. The program was concluded with a dinner, served as it is in India, at which Mrs. W. E. Rambo gave an interesting description of a dinner served by the natives of India.

## Moving Pictures

Valeska Suratt is the star of the new William Fox photoplay, "Jealousy," which opens at the Star tonight. Miss Suratt plays the part of a heartless woman who marries a man she does not love, and then proceeds to neglect him. In the end the husband discovers his wife's deceit, and leaves her. Walter Law plays the part of the husband and Curtis Benton has an important part in the photoplay.

"The Flashlight," with Dorothy Phillips in the principal role, is likely to be voted the greatest screen success of the period when it is offered as the attraction at the Orpheum on Sunday and Monday, when Bluebird Day again comes around. In this play Miss Phillips has boundless opportunity for the display of her artistic talents. She plays the role of a society girl driven to the mountains by the call of a family feud. There she provides the key to a mystery that nearly drives an innocent man to legal death because of a murder that has been committed under strange circumstances. That the girl arrives in court in time to free the accused is but one item of surprise that figures in the outcome of the gripping plot. Lon Chaney and Wm. Stowell will lead Miss Phillips' supporting company in a production guaranteed to fulfill the Bluebird standard of artistic excellence. If it's a Bluebird, it's got to be good.

## AMERICAN STUDENTS TO REBUILD FRANCE

WASHINGTON, June 6.—From the debris of devastated France and Belgium will rise model villages and cities beautiful, planned to order by the highest architectural and engineering skill America can furnish, if the offer of the University of Illinois, recently brought to Ambassador Jusserand by Dr. Edmund James James, president of the university, is accepted by the French government. The unique proposal of the university contemplates sending to France trained units of city planners to be placed at the disposal of city and village mayors, and to take charge of the reconstruction as rapidly as the Germans are pushed back. If this plan is followed it will mean that there will be no hap-hazard rebuilding in France and Belgium, but that these ruined regions will emerge from war as the most beautiful part of the world. In order to prepare the units for efficient co-operation the University of Illinois will conduct a special training school this summer at Urbana-Champaign, Ill., the seat of the university, the school opening July 1st. Hundreds of architects and engineers are expected to enroll for this training, to be prepared later for service in city building units. By combining the courses of its splendid school of architecture and of its various engineering schools, the university expects to train units for duty in six months of study.

# TAKE SALTS FOR THE KIDNEYS IF YOUR BACK HURTS

We Should Drink Lots of Water and Eat Less Meat, Says Noted Authority on Kidney Disorders

Recommends a Spoonful of Jad Salts in Glass of Water Before Breakfast to Stimulate Kidneys and Eliminate the Uric Acid

Uric acid in meat excites the kidneys, they become overworked, get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy, the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's uricuous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad. Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before

breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness. Jad Salts is inexpensive, cannot injure, makes everyone should take now and then to keep their kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
