REVOLUTIONS NOT CONDUCTIVE TO PROGRESS

SAN FRANCISCO, Dec. 3.—Trade and markets in all lines along the West Mexican littoral are booming as the result of a let-up in revolutionary activities, according to word brought here by sea captains in the coastwise service. There is a boom in mining and ranching, and the hotels are said to be doing a thriving business.

As a result of this information local steamship companies are said to be receiving many applications for reservations in their Mexico-bound boats. Mining engineers and ranchers especially are displaying a desire to try their fortunes in the Southern republic.

MOLE CATCHING NOW PROFITABLE

EUGENE, Dec. 3.—One hundred and sixty-five moles, whose skins were worth a total of \$35, were caught in traps by Glenn Bailey, a 11-year-old boy living east of this city. Only four traps were used, and the catch was made in a single season. Some firms are paying from 35 to 40 cents for mole pelts now, it is declared. The demand for them is greater than ever before.

SAGE TEA KEEPS YOUR HAIR DARK

WHEN MIXED WITH SULPHUR TO BRINGS BACK ITS BEAUTIFUL LUSTRE AT ONCE

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv
