## Food Prices Doubled In Past Three Years

WASHINGTON, D. C., Feb. 4.—Investigation of quotations reveal that it is costing the American people today just 50 per cent more to eat than it did in August, 1914, when the great war broke out. Retail prices on food stuffs most generally consumed in this country show the following increases in December 31, 1917, over August 1, 1914, according to the United States bureau of labor statistics: Potatoes 69 per cent, flour 99 per cent, cornmeal 130 per cent, sugar 89 per cent, lard 112 per cent, pork chops 43 per cent, bacon 74 per cent, ham 53 per cent, eggs 88 per cent, round steak 31 per cent, butter 48 per cent, milk 47 per cent, sirloin steak 16 per cent, rib roast 20 per cent and hens 39 per cent. Wholesale prices have generally increased 79 per cent during the period. The greatest gain in these is found in farm products, which have risen 95 per cent, with metal and metal products a close second, showing an increase of 88 per cent. Clothing was 106 per cent higher on December 1st, wholesale. Lumber and building material have risen 38 per cent, and drugs and chemicals 130 per cent. Fuel and lighting went up 64 per cent during the period.

## China Has Millions Ready For Service

WASHINGTON, D. C., Feb. 4.—China has millions of men for the al-  
—500,000,000 ready to fight,  
1,000,000 under arms, 2,000,000 in  
reserve, 400,000,000 people to draw  
on—according to General Chiang of  
the Chinese million.

"Our potential strength is unlimited. We have more than 400,000,000 to draw from. Our co-operation in France depends entirely upon the needs of our allies. We are willing to send as many men as they ask," said Chiang. At present the entente is relying upon China to protect allied interests in Vladivostok, Harbin and Manchuria, it was declared. Cable reports received by the misalo told of the capture of 3,000 armed bolshevik troops by General Liang Hsu's forces, operating near Harbin. These were disarmed and driven from the city, the cable stated. Order has been restored in Harbin and the supplies stored at Vladivostok by the entente are controlled absolutely by the Chinese troops, reports state. Upon Japan depends to a great extent the part China will play on the battle fields of France the coming summer, Chinese officials declared. Japan has transport facilities sufficient to carry large numbers of fighting men from Shanghai to Canadian or Pacific ports, where the first lap of their 12,000-mile journey ends.

RECLAMATION MAN WILL  
RUN FOR SENATORSHIP  
SALEM, Feb. 4.—Will R. King, chief counsel for the government reclamation service, and who is here in connection with a case before the supreme court, said that he will make formal announcement of his candidacy for the democratic nomination for United States senator about the first week in March. He said he was refraining from making his announcement at this time because he did not care to mix politics with business, as that, he is

in Oregon now at the government's expense on official business. If he has opposition in the primary election he said he would return to Oregon and make a strenuous fight for the nomination.

MEAT CAUSE OF  
KIDNEY TROUBLE  
WE EAT TOO MUCH MEAT, WHICH  
CLOGS KIDNEYS, THEN THE  
BACK HURTS  
Most folks forget that the kidney, like the bowels, get sluggish and clogged and need a flushing occasionally else we have backache and dull misery in the kidney region, severe headaches, rheumatism, twinges, torpid liver, acid stomach, sleeplessness, and all sorts of bladder disorders. You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice combined with bicarbonate salts. It is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts is harmless; inexpensive; makes a delightful effervescent lithi-

water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications. A well known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.—Adv.

EASY TO DARKEN  
YOUR GRAY HAIR  
YOU CAN BRING BACK COLOR  
AND LUSTRE WITH SAGE TEA  
AND SULPHUR  
When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. For 50 cents you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients, called Wyeth's Sage and Sulphur Compound. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant. Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger. This ready-to-use preparation is a delightful toilet requisite, and not a medicine. It is not intended for the cure, mitigation or prevention of disease.—Adv.
