ADVERTISE IN THE HERALD

OREGON NEWS NOTES OF GENERAL INTEREST

Events Occurring Throughout the State During the Past Week.

No Petitions Filed; Blank Ballots.
Salem.—The voters of Salem will be presented with a blank ballot at the city primaries November 3, according to a discovery made by City Recorder Elgin. He found a law passed by the last legislature providing that in city primaries nominating petitions must be filed 30 days before the day of election. This time has passed and not a single petition has been filed, although a number are in circulation.

Will Defend Minimum Wage Law.
Salem.—Attorney General Crawford has been requested to defend the minimum wage commission in the injunction suit brought to restrain the commission from enforcing its order regulating the wages of women employed in factories. He expects to go to Portland to confer with the commission about the case, which will test the constitutionality of the law creating the commission.

Huntmen Give Big Feast.
Riddle.—State officials, expert rifle shots, a majority of the leading sportsmen of Southern Oregon and farmers throughout the valley participated in the first annual barbecue given by the Riddle Elk Supporting Rod and Gun Club. Bucks were roasted whole and salmon were barbecued. The public schools adjourned at noon that the scholars might enjoy the festivities.

Sikiyou Gold is Found.
Medford.—While working on the new survey for the permanent highway over the Sikiyou the gang of men under Assistant State Highway Engineer Kittridge struck a three-foot gold ledge, which caused so much excitement that work was suspended the rest of the day. A. D. Walters, a member of the gang, returned to Medford with a basket of ore, which local mining men declare of a high grade.

LAND LOTTERY PROTESTED

Eastern Oregon Residents Prefer Old Way of Settlement.
Washington.—Vigorous protest has been made by residents of Eastern Oregon against the opening by the lottery system of some 300,000 acres of land that are soon to be eliminated from the Paulina and Deschutes national forests.

Representative Sinnott, to whom these protests were made, took the matter up with Land Commissioner Tallman. The commissioner said there had been no definite determination as to the method of opening, but in about two weeks the question will be settled. The commissioner thought the department might eventually decide to open these lands in the usual way, throwing them open to settlement on some date to be fixed and opening them to entry 30 days later, thus giving settlers the preference right of entry.

Tomato Like a Doughnut.
Cottage Grove.—A tomato grown by G. W. Sheery has the shape of a big doughnut, including the hole. The stem by which the fruit was held to plant was attached inside the hole, which was about an inch and a quarter in diameter. A rough line encircles the trunk, giving it the appearance of having been sewed together.

Library Opinion Divided.
Klamath Falls.—Controversy over the action of the county court is revealed by the contemplated circulation of a remonstrance against the building of the new \$20,000 Carnegie library on the famous "courthouse" block.

Dufur Apple Harvest On.
Dufur.—The apple harvest is on in this valley and the apples are of an exceptionally fine quality this year and have colored better than ever before.

War on Squirrels Starts.
Arlie.—Unusual attempts are being made to get rid of the squirrels and other pests which destroy crops and injure young walnut and filbert orchards.

OREGON BUTTER AND CHEESE MAKERS AND DAIRYMEN MEET HERE NEXT WEEK

BUTTER AND CHEESE MAKERS MEET IN CONVENTION OCT. 27-28; DAIRYMEN MEET 29-30—MEETINGS AT COMMERCIAL CLUB ROOMS—BANQUET AT HOTEL TILLAMOOK.

The annual conventions of the Oregon Butter and Cheese Maker's Association and the Oregon Dairymen's Association will be held in this city next week. The former will hold its convention on Monday and Tuesday at the Tillamook Commercial Club rooms, commencing at 8 o'clock on Monday evening and latter on Wednesday and Thursday at the same place. This is the first time that these associations have visited this part of Oregon. It is expected that considerable interest will be taken in the conventions, not only by the visitors, but by those connected with the dairying business of this county. Both associations will have excellent programs and fine speakers.

Prizes will be awarded for the highest butter and cheese scores, amounting to \$250, and in the cheese scoring, no doubt, most of the prizes will be carried off by the local makers. This will be in what is known as the Snuffer building.

Secretary's Invitation.
Secretary Kent sent out the following circular letter to the butter and cheese makers and dairymen, to be present:

Eugene, Oregon, October 15, 1913.
Dear Sir:
The Oregon Butter & Cheese Maker's Association and the Oregon Dairymen's Association will meet in joint annual convention in Tillamook City October 27-30, 1913. The first two days of the convention will be devoted more particularly to problems of manufacture and the last two days to matters connected with milk production.

Owing to the lateness of fixing the dates for this convention it is impossible to announce the details of the program at this time, but you can be sure that it will be worth your while to attend. A pro rata fund of \$250.00 will be distributed among the exhibitors of butter and cheese scoring above 90 points similar to the pro rata distribution of last year. Other premiums will be announced later.

If you have never been in Tillamook you should by all means plan to attend this convention. If you have been there you will surely want to go with "the bunch" at this time. Just as soon as you get this letter begin making arrangements to be present. The Tillamookers are planning a royal reception for us, and as this is the first time either association has met in the "Cheese City" there should be a big attendance from "the outside."

We want to make this convention largely a sort of experiment meeting. Leaders will be assigned to various topics, but we want the actual experience of many people. So go prepared to give to your fellow dairymen the things you have found worth while, whether it be along the line of milk production or dairy manufactures. Pres. Townsend, of the Butter Maker's will start the ball rolling on Monday night, and President Dickson of the Dairymen will make his bow Wednesday morning. The results of a practical experiment on "Quality of Milk as Related to Cheese Yield" is promised by one of the leading Tillamook cheese makers. This no doubt will be an exciting number.

There will be no difficulty over railroad rates. The summer beach rates will be in effect. The fare for the round trip is \$4.00 from Portland or Hillsboro. Trains leave Portland every morning, arriving in Tillamook about 4:00 p.m. Correspondingly low rates from all points on the S. P., the O. W. R. R. & N. and the P. R. & N. railroads. When you buy your ticket ask the agent for a round trip rate to Tillamook Beach.

Don't forget the date. "Meet Me in Tillamook."

Sincerely yours,
F. L. KENT, Sec.

The object of these conventions is to get the dairymen and butter and cheese makers together, and with that object in view all the dairymen and cheese and butter makers of Tillamook County are cordially invited to attend. The meetings will be held in the rooms of the Tillamook Commercial Club, and it is hoped that the dairymen will not only attend in large numbers, but will take part in the discussion.

The Programs.
F. L. Kent, who is secretary of both associations, has arranged the programs. These are subject to change as he was doubtful whether some of the persons he placed on the programs would be able to be present.

The Banquet.

One of the pleasant features of the Convention will be a banquet given by the Tillamook Commercial Club on Tuesday evening at the Hotel Tillamook. This will be the first public banquet served at the city's new and up-to-date hostelry, and having an experienced chef, the management will spare no trouble to make this a success. The menu is as follows:

- SOUP.
- CONSONNE EN TASSE.
- MISSION OLIVES, SWEET GHERKINS.
- FISH.
- ROYAL CHINOOK SALMON AUX FINE HERBS.
- POTATOES GASTRONOME.

- TOASTED BREADS.
- CAFE NOIR.

Tickets can be obtained from Dr. S. M. Kerron, chairman of the entertainment committee. Covers will be laid for 100. It is estimated that there will be about 50 visitors from outside to entertain at the banquet, leaving 50 tickets to be disposed of among local people.

FILIPINO SLAVERY MUST BE OPPOSED

Senate Will Not Confirm Native Appointees Unless Agree to Suppress Traffic.

Washington.—President Wilson's appointment of four native Filipinos to the Philippine commission, will not be confirmed by the senate until assurances have been given that the new officials will use their utmost efforts to stamp out slavery in the islands.

Senator Borah has made it known that he will use his every effort to prevent confirmation unless he is assured of their attitude.

The answer of the Philippines to President Wilson's message, delivered through Governor-General Harrison, came by cable in the form of a resolution adopted by the Philippine assembly. Emphatic belief in the right of the Filipinos to be free is expressed in the resolution and the president's words are gratefully accepted as "a categorical declaration of the purpose of the nation to recognize the independence of the islands."

GERMAN BALLOON BURSTS

Airship Drops 900 Feet to Ground and Navy Officers Lose Lives.

Berlin.—Twenty-eight persons were killed near Johannisthal in the explosion and fall of Count Zeppelin's latest dirigible balloon, the L-II.

The 28 men represented the entire personnel of the admiralty board which was to conduct the final trial of the dirigible looking to its acceptance by the government as a new unit of the German aerial navy, the pilot and crew and invited guests. Every person that went aloft in the big airship is dead.

Twenty-seven of them were killed almost instantly by the explosion of the gas in the balloon or burned to death as the flaming wreck fell to the ground from a height of 900 feet.

Southern Pacific Wins Contention.

San Francisco.—The first arbitration held between a western railroad and its employees under the Newlands arbitration act was accomplished when the arbiters filed their findings and award in the dispute between the Southern Pacific company and the organization of engineers, conductors and trainmen. The majority opinion of the arbiters upheld the contentions of the Southern Pacific on the distinction between street car service and suburban electric service.

Idaho is Urged to Act.

Boise.—That Idaho should follow the lead of Oregon and Washington in joining hands with the reclamation service to complete its half-finished irrigation projects and again turn the tide of immigration to the northwest, is the opinion expressed by F. H. Newell, director of the reclamation service while here.

Democrats Elect Judge in Illinois

Chicago.—The election in the fifth supreme court district in Illinois resulted in victory for Judge Craig, the democratic candidate. Complete returns received show that Craig received 17,696 votes. Putebaugh, republican, 14,056, and Shay, the Bull Moose candidate, 9128.

Troop Train Wreck Kills 20 Soldiers.

Meridian, Miss.—Twenty soldiers were killed and about 100 hurt when a special troop train on the Mobile & Ohio railroad was wrecked. On the train were 179 officers and men, all members of Company 17, coast artillery, U. S. A.
