OUTLAW KILLED BY COWLITZ OFFICERS

Chabala, Wash. Deputy Sheriff Kirby and Howell of Cowlitz county, killed an unknown desperado just north of Toledo, 27 miles south of Chabala, on the Cowlitz river. The dead man was one of a pair which, it is alleged, robbed the Castle Rock barbers shop of Weibbe & Gehman. The second man, believed possibly to be Mike Donnelly, a convict, a parolee carried from the state penitentiary at Walla Walla, made his escape.

The details of the immediate events leading up to the shooting are said to have been that when the sheriff's posse approached the outlaws the latter were on a level plain at the top of a small hill and had their campfire in the middle of the trail. A loud alarm first high surrounded the place. As the officers approached they ordered the two men to throw up their hands, and apparently they did so, stepping back out of sight and opening fire on the posse. The deputies began firing about the same time, and eight or ten shots were exchanged in all.

Doctors Use This for Eczema

Dr. Frank E. Commissioner of Health says: "There is almost no relation between skin diseases and the blood." The skin must be purged through the skin. The germs must be washed out, and as they have long ago been found mostly in the blood, the most advanced physicians of this country are now agreed on this, and are prescribing a wash of Buxtelgreen, thymol and other ingredients for eczema and all other skin diseases. This compound is known as Buxtel, Prescription for Eczema.

Dr. Holmes, the well known skin specialist writes: "I am convinced that Buxtel Prescription is the most powerful for eczema of any I have ever used. I have been prescribing the Buxtel for 'six years.' It will take away the itching the instant you apply it. In fact, we are so sure of what Buxtel will do for you that we will be glad to let you have a Buxtel sample for nothing that it will cost you nothing of less you find that it does the work."

MAON, GA., CHILD

Made Strong and Well by Vinol

When we tell you that Vinol is the best remedy in our whole stock for making weak, puny, ailing children strong, robust and rosy we are not telling you what has been proved in hundreds of mothers.

J. L. Fickling, Macon, Ga., says: "My child was very thin and delicate, no appetite, nervous, and did not sleep well. Doctors did not help. Vinol was recommended and the change after a fair trial was wonderful. She sleeps soundly all night, has a splendid appetite and has gained weight. I wish every mother knew what Vinol will do for delicate children."

What Vinol did for this little child will do for every weak and ailing child because sickly children need the strengthening cod liver element and the tonic iron that Vinol contains—that is why Vinol builds them up quickly and gives them a healthy color. It is pleasant to take and we guarantee that the results will satisfy you—money back if they do not.

P. S.—If you have Eczema try our Bazo Salve. We guarantee it.
