and topical remedies are of slight, and always of temporary efficacy. Jas. Walton U. S. Commissioner, Joseph Albert Signal Service Observer. To escape the extreme tortures of these agonizing complaints, they should be annihilated at the outset with Hostetter's Stomach Bitters, which expels from the system the acid impurities that beget them. The evidence as to its efficacy as a blood depurent in this particular is very ample, and strongly concurrent and convincing. In violent forms of these diseases the nerves are terribly racked. A wineglassful or two of the Bitters before the hour of retiring usually brings a respite from pain, and enables the sufferer to secure much needed repose. For kidney troubles, malarial complaints, indigestion, liver complaint and constipation, the Bitters is likewise beneficial.
