What constitutes a Family Medicine?
A preparation which is adapted to the relief and cure of ailments to which members of a household are most subject, and which is not only alleged to do this, but has long and unflinchingly proved its ability to do it, assuredly deserves the title of a reliable family medicine. Among time honored preparations, which experience and the sanction of the medical profession indicate as deserving of popular regard and confidence, is Hostetter's Stomach Bitters, a medicine adapted to the eradication of dyspepsia, constipation and biliousness, the three most frequently occurring ailments that vex mankind. Derived from a botanic parentage, it is efficient as well as pure and wholesome. It relieves nervous disquietude and inactivity of the kidneys, and counteracts a tendency to rheumatism. For renewing flagging strength and imparting appetite it can be implicitly relied upon. Fever and ague, rheumatism and debility are remedied by it.

Wonderful Cure.
W. D. Hoyt & Co., wholesale and retail druggists of Rome, Ga., says: "We have been selling Dr. King's New Discovery, Electric Bitters and Bucklen's Arnica Salve for four years. Have never handled remedies that sell as well, or give such universal satisfaction. There have been some wonderful cures effected by these medicines in this city. Several cases of pronounced consumption have been entirely cured by use of a few bottles of Dr. King's New Discovery, taken in connection with Electric Bitters. We guarantee them always. Sold by Dr. H. W. Cox.
