Borrowed His Rig-

Chris Peterson, who lives in South Salem, drove into town last night in his dog cart and hitched his horse in front of the Columbia saloon on Commercial street, while he went inside to refresh the inner man. When he came out at 10 o'clock this morning his horse and vehicle had disappeared, and several hours search and inquiry failed to show its whereabouts. About 3 o, clock this morning some unknown parties drove the rig up to Barker's feed stable on Ferry street and awaking the hostler told him to take care of it until Peterson called for it. The horse was white with foam and had evidently been driven quite a distance. Chris is around to-day trying to find out the party or parties who borrowed his property so unceremoniously that he may get satisfaction out of them.

Roused From Inaction.

The precursor of their disease and destruction, the kidneys and bladder healthter's Stomach Bitters, actively resume their functions, Thus Bright's disease diabetes, catarrh of the bladder and encuresis are prevented. For irritating diurctics, and those numedicated and fiery stimulants which, used even in moderation, excite both the renal and vesical organs, this is the best possible substitute. It is of botanic composition, and so congenial to the stomach, the digestive processes of which it helps in no ordinary degree, that it is promptly assimilated by the system, and its tonic effects are speedily felt, Not only does it remedy inactivity of the kidneys, but renews a regular habit of body, promotes a due secretion and healthy flow of bile into the proper channels, and expels from the circulation acrid principles pro-ductive of rheumatism and gout. It is also the leading specific for malarial complaints.
