REPUBLICAN STATE TICKET.

Congressman, RINGER HERMANN.

MAHON COUNTY REPUBLICAN TICKET.

REPRESENTATIVES: J. B. WALDO, Marion.

POVERTY AND WEALTH.

The Century for April contains an editorial article discussing the question, "Shall Fortunes be Limited by Law?"

These immense estates are un-republican because they create luxury; the youth are brought up in Europe.

One result of this unfair division is the poverty of the producers of wealth. In Michigan the farms are mortgaged for \$108,000,000.

It matters not what logic may be used to justify this state of things. It is wrong on the face of it.

ing poorer and the rich becoming richer, and it will take no long time for the evil to become intolerable.

This writer spent a few weeks in a southern county of Kansas last fall, while the canvass for a state election was being held.

The issues of the war are not what trouble the people of to-day, but the inequitable distribution of the award of industry, and the ruinous drain from the borrowing class of excessive interest.

THE DANGER IN GERMANY.

These must be days of serious apprehension and anxiety to the great chancellor of Germany.

How much firmer seems the basis of our own government than any that is supported by bayonets and arbitrary power.

A. H. CORNELIUS, of Marion, and W. T. GRIM, of Hubbard, are the nominees for county commissioners on the republican ticket.

With one exception, the most magnificent gift of charity in the history of the world is the gift by Baron Hirsch, of \$10,000,000, which has been deposited in the bank of London under the trusteeship of Baron Rothschild and Baron de Warrus for the education of the poor Jews of Russia.

EDITOR McCOLLUM, of the Drain Echo, has taken an associate, E. P. Thorp, to assist him in the publication of his paper.

Physician (to Mrs. Col. Blood of Kentucky) - "How did your husband pass the night, Mrs. Blood?"
