A SILVER PLANK.

Republican professes to give a pornumber of delegates from the min- spollation. ing states. Here is a sample of their talk:

J. W. Dorsey, (a prominent Nevada mine owner:) "The democratic given on another page, show a departy must protect the silver interests of the slope. The republicans will certainly insert a free colunge plank in their platform, and if we don't secure a similar plank it will cost us thousands of votes on the slope this fall."

dollars a month. Nothing is said about the price he shall pay, but as a business man working for the interest of the country, he pays current market rates for the treasure, which, at this time is about 10 cents an ounce. The dollar contains 4122 grains, nine-tenths fine, which gives on this coinage, counting it at 30,0000 short weight dollars a year, is \$8,100,000, which goes into the treasury to add to the ever growing surplus. Mine owners protest against this, and ask "the free coinage of silver." This expression hides a surplus about the position he sought. Hermann, on the contrary, has proved himself equal to the requirement, and it is always a safe rule to let well enough alone.

There has been a great stir made in the newspapers and by speakers on the platform about high tariff and low tariff, the application of this orn are not removed of the duty on wool. Mr. W. H. Morgan, merchant, Lake City, Fla., was taken with a severe cold, attended with a distressing cough and a running into consumption in its first stages. He tried many so-called popular cough remidics and steadily grew worse. Was reduced in flosh, had difficulty in breathing and was unable to sleep. Finally tried Dr. King's New Discovery for Consumption and found immunicipate relief, and after using about a half dozen bottles found sumption in its first stages. He tried about a half dozen bottles found himself well and has had no return of the disease. No other remedy can show so grand a record of cures.
