TELEGRAPHIC SUMMARY

Desperadoes Come to Grief.

TOMSTONE, June 8.--Late Wed-
nesday night Sheriff Slaughter, of
this county, and his deputy came
upon three Mexicans, who answered
the description of the Sonora train
robbers, in Whitestone mountains,
about thirty miles from here. The
sheriff commanded them to throw
up their hands. The desperadoes
immediately grasped their guns and
firing commenced from both parties.
The result was that one of the rob-
bers was killed instantly, another
fatally wounded, and the third es-
caped into the woods with Slaughter
in close pursuit. Either the robber
will be captured or his death is cer-
tain, as the sheriff will not allow
him to escape.

Too Much Platform.

PHILADELPHIA, June 8.--The
Public Ledger to-day says. The in-
discretion of the democratic con-
vention in adopting in addition to
the platform a resolution endorsing
the Mills bill brings about a prob-
ability that the vote of the solid
south may come out short by the
defection of Virginia and West Vir-
ginia or North Carolina, probably
one of them, and possibly all three.

MOONMOUTH NOTES.

Grant Wolverton, of Spokane
Falls, is visiting his parents in
Moonmouth.

The narrow gauge is moving con-
siderable wheat from the warehouse
here at the present time.

The chapel of the Normal school
is tastefully decorated for the exer-
cises of commencement week.

Saturday evening the art exhi-
bition is held. About 40 paintings,
the work of pupils during the year
besides numerous drawings will
be exhibited. Miss Lena Bosworth
has charge of this department. Miss
Rheta Powell has charge of the mu-
sical program for the same even-
ing furnished by her pupils.

On Sunday is the baccalaureate
sermon by the Rev. A. T. Adkins of
Corvallis. On Monday evening the
alumni reunion takes place. Tues-
day afternoon a meeting of the new
board of trustees of the Normal
school. Christian college has been
discontinued and the new board are
non-sectarian and property has been
decided to them. Tuesday evening
literary societies join in giving an
entertainment. Wednesday com-
mencement exercises of classes in
collegiate, commercial and normal
courses. Wm. Dawson is the valedic-
torian, Miss Ida Smith, salutator-
ian; G. A. Houck, historian; S.
Goodnight, humorist; E. C. Rutland,
prophet. Besides the orations on
chosen subjects.

"Heires to Millions."

the newspaper stated, and how
many women, probably, read the
same, and envied her. But little
was she to be envied, however; for
in spite of her great wealth she was
miserable. It was her lot, in com-
mon with myriads of women, to
suffer from those "chronic weak-
nesses," which are peculiar to the
female sex. Miserable, nervous, and
discouraged, she would gladly have
given every dollar of her fortune for
one brief installment of health.
How easy, and how inexpensive,
would be the journey to health, if
Dr. Pierce's favorite prescription
was selected as a remedy, and the
use of the same persisted in; that is,
the experience of thousands of
women afflicted in the above manner
teaches us to predict so. It is the
only medicine for women, sold by
druggists, under a positive guaran-
tee, from the manufacturers, that it
will give satisfaction in every case,
or money will be refunded. This
guarantee has been printed on the
bottle-wrapper, and faithfully car-
ried out for many years. Dr.
Pierce's pellets, or anti-bilious
granules, cure sick headache, dys-
pepsia and constipation.

UNIVERSITY NOTES.

Prof. Van Sevy delivered the
commencement address before the
state agricultural college Wednes-
day.

T. P. Boyd left last evening for
Ashland, and is now enjoying the
balmy breezes of Jackson county, or
something quite as agreeable.

Mrs. Patty, of Yamhill county,
visited the school yesterday, and
was present at several examinations.

Mrs. McIntosh, her son and
daughter, Kenneth and Gertrude,
and A. S. Brown left yesterday for
their homes in Seattle, W. T.

Rev. F. P. Tower conducted
chapel exercises Monday. Miss
Nettie Meredith and W. J. Culver
were present.

Prof. Carlton, of Helena, Montana,
visited the school Thursday, and
was well pleased with the outlook
of the university.

The informal public musical
recital given by the conservatory
pupils yesterday afternoon was
well attended, and a good program
was rendered.

The commencement exercises will
all begin promptly on time, and will
be run by the town clock.

The new catalogues for the past
year are out and are the neatest that
the university has ever furnished.

The commencement of the law
department will take place to-night,
there are two graduates in law this
year, J. N. Brown, of Boise City,
Idaho, and W. C. Hawley, of
Salem.

The society hall was crowded to
overflowing last evening by mem-
bers and friends of the societies.
The program was well rendered,
and pronounced by those present
the best the societies have ever
furnished. The poem by F. M.
Anderson, entitled "Our Alma
Mater" would have been an honor
to any poet; the oration by S. W.
Stryker would have added a laurel
to the gown of a senior; the essay
by Miss Maggie Brown spoke for it-
self; and the other renditions were
equally as well executed and
enjoyed by those present.

TELEGRAPHIC SPLINTS.

day, burned 134 horses and other

a public building in New York. The
chamber of commerce of that city
asks to have the amount doubled.

Gen. Sherman has been laid up for
two days with an attack of rheuma-
tism. The affliction is in his back,
but the doctors do not regard the ail-
ment as serious.

Ezra H. Baker a director of the
Union Pacific railway and president
of the American loan and trust com-
pany, died in Boston on Thursday
night, of blood poisoning.

In Glens Falls, New York, a tor-
nado with rain, hail and thun-
der, knocked things about badly.
Several persons were struck with
lightning, but none killed.

The hotel at Manitou park, Cal.,
burned on Thursday night with all
its contents. It was caused by a log
rolling from a fireplace, setting the
room on fire. The loss is \$50,000.

Worth Knowing.

Mr. W. H. Morgan, merchant,
Lake City, Fla., was taken with a
severe cold, attended with a distress-
ing cough and a running into con-
sumption in its first stages. He tried
many so-called popular cough reme-
dies and steadily grew worse. Was
reduced in flesh, had difficulty in
breathing and was unable to sleep.
Finally tried Dr. King's New Dis-
covery for Consumption and found
immediate relief, and after using
about a half dozen bottles found
himself well and has had no return
of the disease. No other remedy
can show so grand a record of cures,
as Dr. King's New Discovery for
Consumption, guaranteed to do just
what is claimed for it. Trial bottle
free at H. W. Cox's drug store.

THE OLD ROMAN EULOGIZED.

Mr. Tarpey, of California. Nominates
Judge Thurman for Vice
President.

The following very handsome
tribute is taken from a long and
glowing speech in the national
democratic convention:

Allan G. Thurman! What an
epitome of American statesmanship
is embodied in that name. His
character and ability are known to
every man, woman and child in the
land. His public services will be a
more enduring monument than
temples of stone or brass. History
after history will inscribe his name
among the list of America's
illustrious sons. Attaining his seat
in the United States senate in 1869,
the imprint of his genius is found
deeply imbedded in the legislation
of the country. From his first ap-
pearance in the senate until his
retirement from that body, his voice
was always raised in behalf of the
people and in defense of their rights.
For forty years he has been a promi-
nent figure in public life, and to-day
no man can point to one single act
or expression of his which does not
do him credit. Large of heart, large
of brain, and larger still in ex-
perience, he is the man of all men
whose record justifies his nomina-
tion at your hands, in the sense
that he cannot be defeated before
the people. A man of benevolent
heart, manifesting itself not only in
private but in public, has been a
leading feature of his career.

When the Pacific coast was en-
deavoring to retard Chinese im-
migration, when it had decided that
national legislation was necessary to
accomplish the desired result, when
the merits of the subject were not
understood east of the Rocky
mountains, Allan G. Thurman, then
a senator of the United States, was
the first to raise his voice in defense
of those whose means of living were
in danger and whose homes were
threatened with destruction.

When the great railroad cor-
porations evinced an intention to
evade the payment of their obliga-
tion to the government, this great
man prepared that remarkable
enactment known as the Thurman
bill, by which the offending cor-
porations were obliged to provide a
sinking fund for the redemption of
their promises.

During the trying times of recon-
struction, Mr. Thurman was the
central figure in the United States
senate in upholding the dignity and
integrity of the constitution. The
waves of party passions, broke harm-
less upon his lion front and settled
back into calmness by the force of
his logic and the powers of his
oratory. A scholar, too, is he, and
his disquisitions upon constitutional
law are masterpieces of reason and
eloquence, challenging the admira-
tion of even his political opponents.

Four years since the California
delegation put forward Mr. Thur-
man as their candidate for the
presidency, and were enthusiastic in
urging his nomination. Four years
have but augmented their reverence
and affection for him. The patriot
of Columbus cannot be allowed to
wither in retirement. His fame is
not his alone. It is the grand prize
of the American people. His name
may be most fittingly coupled with
that of our honored president,
Grover Cleveland.

Renews Her Youth.

Mrs. Phoebe Chesley, Peterson,
Clay Co., Iowa, tells the following
remarkable story, the truth of which
is vouched for by the residents of the
town: "I am 73 years old, have
been troubled with kidney com-
plaint and lameness for many years;
could not dress myself without help.
Now I am free from all pain and
soreness, and am able to do all my
housework. I owe my thanks to
Electric Bitters for having renewed
my youth, and removed completely
all disease and pain." Try a bottle,
50c, and \$1. at H. W. Cox's drug
store.

Slipped is the Bud.

Is it not better to nip consump-
tion, the greatest scourge of human-
ity, in the bud, than to try to stay
its progress on the brink of the
grave? A few doses of California's
most useful production SANTA
ABIE, the king of Consumption,
will relieve, and a thorough treat-
ment will cure. Nasal Catarrh, too
often the forerunner of consump-
tion, can be cured by CALIFOR-
NIA CAT-R-CURE. These reme-
dies are sold and fully warranted by
D. W. Matthews & Co., 106 State
street, Salem.
