are a great many people; they thoroughly investigated. In the "move" because they find it cheaper than paying rent.

English, of the California State Anna Dickinson to meet him in Joint debate upon the issues of the campaign on the Pacific coast.

The insignificant reward of \$20,-000 is offered for the detention of Tascott, the supposed murderer of the millionaire Snell at Chicago. This fellow will prove somebodys mascotte yet.

With three inches of snow on the ground in the New England states, great floods in Mexico, and boreal blasts in Minnesota, Oregon suriles graciously, extends greeting, and invites those who hunger for a genial clime to come and abile with us.

Like the announcement at the close of the civil war was the news of the signing of the Chinese excluslon bill. At San Francisco the enthusiasm knew no bounds and long lines of men and women paraded the streets for hours, shouting and flourishing banners.

As might have been expected, the entire press of the state is announcing to the world that "there are several cases of smallpox in Salem." Gracases or similipox in Salem." Gra-clous, how a little rumor will spread money will be refunded. This and grow. Now in justice these same papers should tell the same world that the extent of the horrible ravages of that disease here was one case of simple variabid.

on conver lots are not happy. It calls night and day. appears that wherever the trusts are broken up the lumber interest priscs.
