The Projected Railway-Front News-University Doings-Council Meeting-River News-Miscellany.

MEETING OF THE CITY COUNCIL.

The city council held an adjourned session last night, with Mayor Murphy in the chair.

Bids for the construction of but their consideration was postcourse. The bids were as follows:

J. W. Crawford and Frank Bouil- ble. ard, 2500 feet 18-inch and 400 ft. 15inch, terra cotta, \$8,827.

Wm. F. Dugan, furnish all material and labor to complete the sewer, \$16,950,

Gesner, 2900 ft., commencing at Willamette river, \$9,830. Alonzo Gesner, completion of the whole sewer, \$14,730.

The resignation of A. B. Muir as unanimously chosen to fill the vacancy.

remission of taxes on agricultural works, which were destroyed by fire was referred to committee on ways and means.

A warrant was ordered drawn to Matter of erecting are light at the bridge near the passenger depot was referred to committee on streets and property.

The street committee was instructed to contract with Heidrick & Co. for the construction of a walk across the alley between Commercial and Liberty, on State.

Warrant was ordered drawn in favor of J. F. Whitney, to amount of erroneous assessment.

#### Coming up the River.

Information is received that the steamer Champion which left Portland Wednesday for Salem, found itself unable, with an empty boat, and its very light draft, to get over reach Weston's Landing, seven or It is the intention of the O. R. & to-day, relying upon the rise in the in the valley. river to carry her over. It is confidently expected that by to-night the upper Willamette will show a gain over the low stage of fifteen inches. Capt. Smith reports progress up the Willamette with the snag-puller.

The Oregon Pacific Pushing Ahead.

From a gentleman who came in from Mehama last evening we learn There is room for more yet. low Mehama, and that they expect day to reach Mehama this evening. The rails are being laid at the rate of about one mile and a half per day. There being no obstructions in the way track layers will probably reach Mill City-where the road croses the Santiam-about one week from tonight, and Don Smith's-the foot of the mountains-in about twenty fined to his room for some time was Santiam bridge.

## Brought to the Asylum-

The Masonic fraternity of Astoria brought to the asylum this morning Charles Sackett, an engineer, who formerly ran on the Gen'l Canby of the Ilwaco line. The unfortunate man has a hallucination that he is dead and strives to offer up his son as a sacrifice. He is forty years of

Annihilating a Multiform Disease.

Minematic, or malariat, discuse has many forms. Physicians have, for the sake of convenience and for the purpose of indi-cating its most strongly marked forms, subdivided it into intermittent and billouanbdivided it into intermittent and billous realitent fever, dumb ague and ague cake. But it presents an infinite variety of symptoms in different individuals. Be these symptoms what they will, always remember that Hostetter's stomach Bitters will annimiate them at the outset, and prevent their recurrence. A review of the proxis would convince any one of the fact. This, however, is impossible because they are no numerous, and unnecessary because the effects of this grand anti-maintain specific are a matter of common knowledge. No less familiar to the public are its remedial and preventive effects in billous stacks, constipation, druppepelo, incipient rhumanium, debility and kidney troubles. It is, morrover, an excellent appetizer and toole nervine.
