**PRESIDENT OF THE SENATE.**

It has reached the CAPITAL JOURNAL'S ears that the Hon. James C. Fullerton of Roseburg, Senator elect from Douglas county, is being talked of as a legitimate and proper candidate for the presiding officer of the senate at its coming together next month.

**NEEDED LEGISLATION.**

The laws now in force governing the liquor trade of the state are very crude and liberal to the saloon element. They were passed many years ago and found defective.

**MR. GLADSTONE ON SUNDAY REST.**

The following is an extract from a letter written by Mr. Gladstone, January 13, 1876: "Believing in the authority of the Lord's day as a religious institution I must, as a matter of course, desire the recognition of that authority by others."

At the trial of Hronek, the anarchist recently convicted in Chicago, a witness testified that upon President Cleveland's visit to that city Hronek had a dynamite bomb prepared to throw into the president's carriage, but was dissuaded from doing so by two of his comrades.

A DEBUCHE, Iowa, paper asserts that it is quite a common thing for dogs to commit suicide by jumping from the high bridge in that city.

MRS. HARRISON objects to the sale of her pictures, and none are to be had just now, but there is little doubt that they will soon be seen in the show windows.

THE first colored man ever elected to a seat in the Kansas legislature is Rev. Alfred Fairfax, who was the republican nominee for representative in Chautauque county at the recent election.

A CHEAP comforter for cold weather may be made by spreading news or other paper between the covers. No excuse for sleeping cold of nights when newspapers are so cheap. Try it.

A CARNEGIE who drove Blaine over Europe on a coaching tour, has been denounced by the K. of L. for the poor wages he pays his men. Mr. Carnegie's income is \$22 a minute.

NEBRASKA is one of the easiest states in the union in which to get a divorce on the ground that they have been six months a resident of Nebraska.

The funeral was conducted this afternoon at two o'clock.

ADAIR.—At his home in Albany, Friday, Dec. 7, 1888, of pneumonia, I. M. Adair.

The remains were brought to this city for burial this afternoon.

PENDLETON.—At his home near Butteville, Friday, Dec. 7, 1888, of typhoid fever, David J. Pendleton.

**Where Women are not Wanted.**

While talking on this subject it may be interesting to say that there is a mine near Leadville into which women are never admitted. If a woman were permitted to enter this mine every last man on the premises would quit work. The mine has had an accident for every woman who ever visited it. Immediately after a woman has been admitted some mishap, with damage to property or life, has followed. Hence the superstition of the miners.

**The Bitter with the Sweet.**

Fannie—So you are married Hattie, and have wealth and all its possibilities? Hattie—Yes, my husband is very rich. Fannie—And you enjoy it very much? Hattie—Very much, indeed. Fannie—And your husband? Hattie—Oh, well, you know, in this world, my dear, we have to take the bitter with the sweet.—Washington Post.

A man who has practiced medicine for 40 years, ought to know salt from sugar; read what he says:

TOLEDO, O., Jan. 10, 1887. Messrs. F. J. Cheney & Co.—Gentlemen:—I have been in the general practice of medicine for most 40 years, and would say that in all my practice and experience, have never seen a preparation that I could prescribe with as much confidence of success as I can Hall's Catarrh Cure, manufactured by you.

Yours Truly, L. L. GORSUCH, M. D. Office, 215 Summit St.

We will give \$100 for any case of catarrh that cannot be cured with Hall's Catarrh Cure. Taken internally.

**A Sound Legal Opinion.**

E. Bainbridge Munday Esq., County Atty., Clay Co., Tex., says: "Have used Electric Bitters with most happy results. My brother also was very low with Malarial Fever and Jaundice, but was cured by timely use of this medicine. Am satisfied Electric Bitters saved his life."

Mr. D. I. Wilcoxson, of Horse Cave, Ky., adds a like testimony, saying: "He positively believes he would have died, had it not been for Electric Bitters."

This great remedy will ward off, as well as cure all Malarial Diseases, and for all Kidney, Liver and Stomach Disorders stands unequalled. Price 50c, and \$1, at Dr. H. W. Cox's Drug Store.

Portland audiences are charmed when they hear the Boston Quintette Club. Remember they are to be here to-night.

**TO CONSUMPTIVES.**

The undersigned having been restored to health by simple means, after suffering several years with a severe lung affection, and that dread disease consumption, is anxious to make known to his fellow sufferers the means of cure. To those who desire it, he will cheerfully send (free of charge) a copy of the prescription used, which they will find a sure cure for consumption, catarrh, asthma, bronchitis and all throat and lung maladies. He hopes all sufferers will try his remedy, as it is invaluable. Those desiring the prescription, which will cost them nothing, and may prove a blessing, will please address, Rev. Edward A. Wilson, Kings County, New York.

The date of the grand musical concert has been changed to Friday, Dec. 14th. It will be the treat of the season.

**Nipped in the Bud.**

Is it not better to nip consumption, the greatest scourge of humanity, in the bud, than to try to stay its progress on the brink of the grave. A few doses of California's most useful production, SANTA ABIA, the king of Consumption, will relieve, and a thorough treatment will cure. Nasal Catarrh, too often the forerunner of consumption, can be cured by CALIFORNIA CATARRH-CURE. These remedies are sold and fully warranted by D. W. Matthews & Co., 106 State Street, Salem, Oregon, at \$1, or three for \$2.50.

The Detroit river at Detroit, Michigan, is to be tunneled from the American shore to that of Canada.

**Reasoning from a Sound Text.**

Say the doctors—and who shall say them nay?—a special predisposition seems requisite to the development of rheumatism. Where there is this tendency, most of us know from observation what a deep hold disease takes when once incurred and neglected for a short time. Is not this a sound text, then from which to advocate the early use of Hostetter's Stomach Bitters in a manly so hard to dislodge as rheumatism? Another thing. It is well ascertained that a falling off in vigor, resulting from indigestion and mal-nutrition increases liability to rheumatism. What then is more likely to act as preventative than this potent rectifier of the gastric troubles that increase the rheumatic tendency. Malaria, constipation, dyspepsia, biliousness, debility and kidney troubles succumb to this genial preventive and remedy.

The business of smuggling Chinamen across the Canadian border is brisk.

**Don't Experiment.**

You cannot afford to waste time in experimenting when your lungs are in danger. Do not permit any dealer to impose upon you with some imitation of Dr. King's New Discovery for Consumption, Coughs and Colds, but be sure you get the genuine. Because he can make more profit he may tell you he has something just as good, or just the same. Don't be deceived, but insist upon getting Dr. King's New Discovery, which is guaranteed to give relief in all Throat, Lung and Chest affections. Trial bottles free at Dr. H. W. Cox's drug store. Large bottles \$1.
