The members of the Republican county central committee of Marion county are requested to meet at Salem, on Saturday, April 23d, at 1 p. m., at reading room of Hotel Willamette. I. L. PATTERSON, Chairman. d&w td

WAR COMING.—There must be a war in store for our country the way boy babies are arriving on the Pacific coast. Saturday, April 16th, there were born to Mrs. Lyman Potter, who lives east of Salem three fine boys, total weight sixteen pounds. They are healthy fellows. The mother is doing well. The triplets have each a good head of dark hair. Mrs. Potter was formerly Miss Ora Wadsworth, of Salem and has two older children. The babies would form a good item in Oregon's contribution to the World's fair.

THE BIG FOUR.—Following members of the city council went on record Thursday evening in favor of retrenchment and reform in city expenditures: Johnson, Hunt, Moores, Lamoureux, 4. They are the big four at present in the eyes of all who believe that our present city government costs too much and returns too little substantial results. The big four are apt to be heard from again. If they will follow up their efforts to curtail expenses in several of the departments of city government they will reap the reward always due such men.

HARD COIN FACTS.—We have not only the biggest stock, but the largest new stock and the smallest old stock in the city. This is a great point in buying clothing as expert clerks are employed on commission by some houses to work off old back number suits on the unwary—at Portland stores and some other places. For fair dealing and absolute rock bottom in prices G. W. Johnson & Son, Salem, are the leading clothiers of the valley.

GOOD FOR NOLE.—Postmaster Gilbert received notice this morning of the establishment of the fair grounds postoffice, with a big F, and a big G, and ending with a little S. The papers are being made out and as soon as Mr. Nolle's bond is approved he will formally be established as the Nasby at the fair grounds. The trains will take and leave mail for this suburban office.

TWO AND A HALF.—That is, we sell Fargo's celebrated \$2.50 shoes for ladies and gents. R. J. Fleming, State street.

—:— SPRING AND SUMMER WRAPS. —:— —:— JACKETS. —:—

Among our stock we have the following styles:

BLAZERS, REEFERS, and plain JACKETS, in all the different shades of BROWN, TAN, GRAY; also plain BLACK, with fancy embroidered collars, cuffs and fronts.

LADIES' CAPES

A plot of Richard A. Eddy's addition to North Salem has been filed.

Prof. James Watson, superintendent of the school for deaf mutes and the blind at Vancouver, Wash., is visiting the schools of this city.

The Symphony club concert at Reed's this evening promises well. The sale of seats is large and there is an unusual social interest in the performers.

Jacob Kloetzel and daughter Maggie, of Stayton, were in town for a few days.

Delegates returning from the convention, say the Democracy had on its best suit of clothes and put its best foot forward.

Loaded with impurities, your blood needs cleansing with Ayer's Sarsaparilla.

FRUIT GROWER'S MEETING.—The president and vice president being absent, and only a few members present it was decided to adjourn, to meet at Silverton, the 3d Tuesday in July. Reports of committees and papers on different subjects will be carried over to that meeting. The committee on Rose and Strawberry fair will fix time of fair and arrange program and premium list, in due time for May. F. J. Beaty, of Chenawah, is secretary.

BOTH LEFT.—There are some regrets expressed at Salem over both Peter D'Arcy and Geo. Downing coming to grief at the hands of the Democratic state convention. The Prison Supt. wanted to go to the national convention and Salem's mayor had his eye on the circuit bench. The tear-shedding at the disappointments which the gentlemen have suffered is not confined to Republicans. There is now and then a Democrat hard-hearted enough not to sympathize.

FOR THE HOME.—A few dollars and a little labor will secure you a nice strawberry bed that will supply the whole family for years. By buying late and early varieties you can extend the berry season for your home table over sixty days. All best varieties, including famous Matteson, for sale by E. Hofer, Salem.

FOOT HURT.—Tuesday night at 7:20 a son of Assessor Cleaver got his foot caught under an electric car wheel, but no bones broken, while trying to board the car while in motion at Capitol street. The wheel caught the heel of the shoe, but for which the foot would have been badly crushed.

LECTURE.—Miss Stella Ames, professor of elocution, will give one of the series of faculty lectures at 3 p. m. tomorrow in the University chapel. Subject "Development of Expression," and Miss Ames desired friends of the University to attend.

A BARGAIN.—A house and two lots; a house of eight rooms, five closets, a bath room; lots set to fruit; price \$2300, on easy terms. Call at the Globe office.

Notices.—All that know themselves indebted to me, for work at the cemetery, please call and settle. And those who wish orders filed will call early. J. W. O'DONNELL. 4-5-2w

Bad Blood.

Impure or vitiated blood is nine times out of ten caused by some form of constipation or indigestion that clogs up the system, when the blood naturally becomes impregnated with the effete matter. The old Sarsaparilla attempts to reach this condition by attacking the blood with the drastic mineral "potash." Joy's Vegetable Sarsaparilla is modern. It goes to the seat of the trouble. It crosses the liver, kidneys and bowels and invigorates the circulation, and the impurities are quickly carried off through the natural channels.

Charles Lee, of Beamish's Third and Market Sts., S. F., writes: "I took H. J. Fletcher's blood and while on the first bottle became convinced of its merits, for I could feel it was working a change. It cleaned, purified and braced me up generally, and everything is now working full and regular."

How Can CURED
It is

By taking Hood's Sarsaparilla, which, by the remarkable cures it has accomplished, often when other medicines have failed, has proven itself to be a potent and peculiar medicine for this disease. Some of these cures are really wonderful. If you suffer from scrofula or impure blood, be sure to try Hood's Sarsaparilla.

Every spring my wife and children have been troubled with scrofula, some breaking out on them in various places. My little boy, three years old, has been a terrible sufferer. Last spring he was swarmed with sores from head to feet. I was advised to use Hood's Sarsaparilla, and we have all benefited. The result is that all have been cured of the scrofula, my little boy being entirely free from sores, and all four of my children look bright and healthy." W. B. ATHERTON, Sarsaparilla City, N. J.

This is to certify that, after having our loss of school house carefully figured by competent mechanics, we made satisfactory settlement with the State Insurance company of Salem, Oregon, on April 11, 1892, and within three days thereafter received check for \$3400, full amount of loss sustained by recent fire which destroyed said house.

W. R. ELLIS, TOM MORGAN, OTIS PATTERSON, Board of directors of school district No. 1, Morrow county Oregon.

THE STATE INSURANCE COMPANY HAS PAID OVER EIGHT HUNDRED LOSSES IN OREGON, WASHINGTON AND IDAHO. ITS POLICIES MEAN INDEMNITY. 4-20 d&w-2t

It is Not What We Say
But what Hood's Sarsaparilla does, that makes it sell, and has given it such a firm and lasting hold upon the confidence of the people. The voluntary statements of thousands of people prove beyond question that this preparation possesses wonderful medicinal power.

1492 WORLD'S FAIR. 1893

THE COLUMBIAN FAIR EXHIBITION CO. of Chicago has established an agency in Salem, where those who intend going to the World's Fair can obtain information of much interest and value. The purpose of this company is to provide first-class accommodations going to and from the fair, at reasonable rates and on terms within the reach of all. Many people do not seem to be alive to the necessity of securing rooms and accommodations in advance. It is estimated that 30,000,000 people, an average of 100,000 per day, will visit the fair. This company is now constructing hotels, which are being built and to be built, and it is not that those who do not make provision in advance had better stay at home. We would through the impression upon those who intend to visit the fair the importance of registering upon our books and securing their certificates at once. The further payments can be made to suit the convenience of purchaser, any time between now and April 1, 1892. No certificate will be sold beyond the number of people to whom the company can give all they promise. The first-class accommodations. For full information call on
