**FOLLOWING JENNESS.**—The death of Leland Stanford from apoplexy, and, it is charged, gross overfeeding, revives interest in the question of accumulating an overburden of flesh. President Cleveland is said to be threatened with increased weight and is trying a new system. As a rule persons of small bone, light muscles and sedentary habits acquire excessive avoirdupois. Since Miss Jenness was in Salem several gentlemen have, by reading her book and following its exercises, reduced their fatness, elongated their waists and suppressed their "busts" not a little.

**OREGON'S GREATEST INDUSTRY.**—The state Horticultural society meet at Salem July 11th, 12th and 13th, when public sessions will be held which must be of interest to every grower of fruit as well as to every business man. It is difficult to realize the great importance of the fruit business here in the coming years. In the near future thousands of loads of fruit will be marketed here every year, and the public should not neglect the great industry.

**THE CANNERY.**—This institution ran nine days up to Saturday night and received about five thousand quarts of strawberries a day. It will finish its pack this week. The fruit is fine and cool weather now prolongs the season another week.

**MILLS STARTED.**—The Salem Mills and Willamette Valley mills started up this morning, giving employment to quite a large number of people. They will run for some time. Indications of prosperous times are found on all sides.

**MARRIED.**—Jacob Smith was married to Miss Cora Carnahan, of Portland and came to Salem yesterday on the Elwood with his bride. They will reside at Salem, and are stopping for the present at Chas. Mason's, on church street.

**REAL GYPSIES.**—At the social to be given on Mrs. Plamondon's lawn this evening, corner Center and Winter streets, there will be a real Gypsy fortune teller with her family, and as refreshments will be served in true Gypsy style a novel entertainment can be expected. Everybody invited.

**HOP POLES.**—E. Cox, of this city is about to go up to the cedar flats near Mt. Jefferson and cut hop poles to be shipped into this valley on the Oregon Pacific. There is a scarcity of good poles hereabouts, and Mr. Cox will be able to work up quite an industry in this line.

**W. C. T. U.**—Members are notified that there is very important business to come up at the Tuesday's meeting, and a full attendance is desired at 2:30 p. m.

**HALF FARE.**—The S. P. railroad will sell half-fare round trip tickets for the Salem races from all points between Portland and Eugene. The tickets will be on sale beginning the 4th and will be good to return until the 8th.

**More for a cent**  
At the Capital City  
Lunch Counter  
Than any place in town.  
Barnett's, Adolph block.

**BOARD MEETING.**—Regular monthly meeting of the Y. M. C. A. board of directors in the association parlors at 8:30 this evening.

**THOSE JACKETS.**—We are selling so cheap are New York's best. The prices are cut from one-fourth to one-third. Come and see. T. Holmerson & Co. 21

**HARD TIMES.**—The price of flour was never so low as it is now, and the Salem Flouring Mills turn out the best product ever known just the same.

The county treasury is well supplied with funds to run until July 1st, when warrants will be endorsed. No endorsed warrants are being paid.

Mr. and Mrs. John G. Wright spent Sunday with their son at McMinnville.

Inducements extraordinary this week at the auction sale in Easton's music store. The goods held back by J. Straus, receiver, for Albany arrived here this morning, and as we go to press the old warhorse is closing them out to a house full of ladies and the chances are he will remain all week. He informs us there will be five elegant presents given away free of charge at each 2 o'clock sale to the ladies, and three handsome presents given away each evening to the gentlemen, at 8 p. m.

Crowds of sportsmen are at Morning-side shooting grounds practicing for tomorrow's shoot.

Attorney Jeffrey of Corvallis is in the city attending court. He says the bank failure has paralyzed business at that town. The college board had advertised for bids on the new building and loss of money in Job's bank makes it impossible to go ahead. Treasurer Shipley will probably have to put up \$18,000.

The Westcott & Shoup livery barn is receiving a new shingle roof.

In the Corvallis failure the Masons lose the funds with which they hoped to erect a new Masonic hall for which the foundation was already dug. The two bankers were Masons.

One of the wonderful phonographs will talk to the people at the Gypsy party on Mrs. Plamondon's lawn tonight. Everybody welcome.

A tent will be erected on Mrs. Plamondon's lawn tonight for the real Gypsy fortune teller, and those who have heard her say she is an excellent type of the old-time fortune-monger.

I can save 20 per cent. buying stamps and seals from F. S. Dearborn, the stationer. Do not pay traveling agents exorbitant prices.

### STATES PICNIC REUNION.

Great Fourth of July Picnic by States.

ORGANIZATIONS BY STATES TO BE FORMED

Permanent Committees Appointed from Each State.

State Fair Grounds Dedication Exercises.

The states picnic held at Salem two years ago at the state fair grounds on the Fourth of July was one of the most popular and interesting events that ever took place. A movement has been started rather late to have a similar reunion of people by states at the same place this year and make a permanent organization of the colonies by states.

PERMANENT ORGANIZATIONS will be formed this year in the grove, at the state fair grounds. A general committee has been appointed and sub-committees will be announced from each state to take charge. Officers will be elected for a perfect organization. There can be nothing more appropriate than these reunions once a year by families of all the immigration by states.

**PIONEERS AND NATIVES.**  
A pleasant feature two years ago was the reunion of Oregon pioneers and this year they will be represented in full force. Kansas, Iowa and one or two other states equalled and surpassed the Oregonians in numbers then. This should stimulate them to turn out. A committee of the native sons and daughters will be created this year and their gathering will be an interesting event.

**MEETING TONIGHT.**  
This Monday evening at 8 o'clock there will be a meeting of business men and representatives of the state at the parlors of Hotel Willamette to appoint a general committee and sub-committees. Let all interested attend.

Van, Van, Van, Eaton is the man Who leads the race as grocer. Price's Fruit Flavors and Extracts And newest table delicacies.

**POLICE COURT.**—Recorder Edes did a big business today. Three hobos, two drunks and two assault and battery cases were disposed of. S. J. Dugan and J. Wilson going to jail for the latter. M. L. Jones, of Brooks, has sworn out a complaint of perjury against L. M. Hensell, hearing set for Wednesday at 1 p. m. Sing Hong and Sing One were asked to put up \$100 each on charge of lottery gambling.

**INSANE.**—A man from Oakland by name of Frank Pike who was once sun-struck, is a tobacco fiend and moderate drinker, at times becomes violent, and believes he is Jesus Christ and has power over everything, was brought to the asylum today.

We are in it for to stay. We always lead the way. For teas, fruits, cheese, and house-keeper's happiness try Clark & Eppley, Court street grocers.

**A CLOSE CALL.**—The price we are naming on our jackets. They continue to move, and if you want a bargain, come at once. T. Holmerson & Co. 21

### THE CHICAGO DERBY.

Boundless Wins \$50,000—Details of the Race.

CHICAGO, June 26.—The horses were started after the most outrageous and vexatious delay of 70 minutes at the post ever seen on the running turf. There was nothing to prevent the race being strictly on its merits, and the best horse carried off the prize. Whether Boundless could win over such a field again, when a prompt start was made, is another matter, but he won and won honestly. The grandstand, betting ring, clubhouse and lawns swarmed with 75,000 people. Carriages, four-in-hands and other conveyances by the hundreds were packed inside the track. Before the race started several thousand left the grounds tired of waiting. The worst of it was, there was no excuse for the delay at the post.

At 4:20 the horses broke to a beautiful start, but they were called back and kept at the post 70 minutes, till some of them were in no condition to do as well as they might otherwise have done. Boundless, though not the favorite, was, with his stable companion, Lookout, well backed, and his victory was by no means unpopular.

**DETAILS OF THE FINISH.**  
At the three-quarters pole Plutus had his head in front, with Aldebaran moving easily by his side, followed a length away by St. Croix and Ingomar. Then came Johnson, Lookout and Clifford. The others followed as before. As the horses rushed down toward the stand Lookout moved out of the bunch and took first place, Aldebaran second a length and a half ahead of Plutus, behind whom came St. Croix, Johnson, Clifford, Ingomar and Boundless. In the run from the grand stand to the quarter pole St. Leonard pulled up to the third place, a three-quarters length from Lookout and Aldebaran, amid frantic cheers from the backers of Talal who rode him; but the crowd failed to notice that Boundless followed St.

Leonard in the advance at two lengths' distance. Ingomar, Chorister and Johnson separated Boundless from St. Leonard. Going along to the half Boundless was hindered considerably, and Garrison kept his mount back to avoid being pocketed.

**BOUNDLESS TO THE FRONT.**  
In the meantime Lookout dropped out and Aldebaran was leading at the end of the first mile. St. Leonard was at his girth, with Ingomar a length away. Chorister and Clifford were next, but suddenly Garrison saw an opening and shot Boundless forward. Martin drew his whip and sent Clifford after him, and the great struggle was on in earnest. Talal saw them coming and drew ahead of Aldebaran. The order as they swung into the stretch was: St. Leonard, Clifford, Aldebaran, Boundless, Ingomar, Chorister and St. Croix. Down the course they came amid cries from the grand stand. A sixteenth of a mile from home Boundless passed St. Leonard and Clifford as though they were standing still. The crowd was breathless with surprise for a brief moment and then the cheers for Boundless broke into pandemonium. Boundless went under the wire at least six lengths ahead, with plenty of run left, in 2:36, while St. Leonard beat Clifford three lengths for 14th place, Aldebaran was fourth, four lengths away; Chorister fifth; Johnson sixth; Ingomar seventh; Tyro eighth; St. Croix ninth; Plutus 10th; Ramapo 11th; Don Alonzo 12th, Lookout 13th, Oporto 14th and Strathrose last.

**AFTER THE RACE.**  
There was nothing stung in the applause which greeted Boundless. The vast concourse stood up and shouted for five minutes. Even the Washington Park officials smiled almost audibly upon their realization that the rich prize was to stay in the West. J. M. Cushing, owner of Boundless, rushed up and threw his arms about the animal's neck. He was invited into the Judge's stand and given a \$50,000 check. He waved the paper to the crowd, his face being the picture of uncontrollable joy, and the crowd cheered back as though it had an interest in the stake. It is understood Garrison was given \$5000 for winning the mount. He was picked up on the shoulders of the spectators and borne to his dressing-room. Boundless' victory has established the fact that Morello is king of the 3-year-olds, inasmuch as Morello beat Boundless at even weights in the Hawthorne Derby.

**SUMMARY.**  
American derby, a sweepstakes for 3-year-olds, association to add an amount sufficient to make the value of the race \$50,000 to the first, \$7000 to the second and \$3000 to the third. 11 miles—Boundless, br. c., by Harry O'Fallon—Endless, (Garrison)—1 St. Leonard (Talal)—2 Clifford (Martin)—3

Time, 2:36.  
Betting—Don Alonzo, 3 to 1; St. Leonard and Chorister, 3 to 1; Boundless and Lookout, 4 to 1; Clifford, 4 to 1; Ramapo, 15 to 1; St. Croix, 30 to 1; Plutus, 60 to 1; G. W. Johnson, 15 to 1; Aldebaran, 20 to 1; Tyro, 25 to 1; Ingomar, 200 to 1.

**Deafness Cannot be Cured**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY, & Co., Toledo, O. Sold by Druggists, 75c.
