LOCAL DATES.

Saturday, Aug. 5.—State Dairywomen's convention, court house, 10 a. m.

AN ABLE MAN.—The local on THE JOURNAL prints the following with a great deal of pleasure: "Frank Davey, formerly of Salem, was elected Grand Lecturer of the Grand Lodge of A. O. U. W. at the recent session held in Portland. Mr. Davey is a polished writer and a fine speaker, but for several years past his grand intellect was sunk in the awful abyss of intoxicating drinks. He took the Keeley cure at Forest Grove and has been the manager there for the past three years, being restored, and once more takes his place in the world of active thoughts and right endeavor—a blessing to his family and an honor to his friends, through the grand possibilities of the Keeley treatment.—Ashland Tidings.

BIG ESTATES.—A. N. Moore's administrator of the estate of O. Dickinson, presented his final account, and Thursday, August 31, has been set as the day for hearing. The total amount of the property as per inventory is \$25,484.66. The report shows that Mrs. C. H. Dickinson and Cora L. Moore are the sole heirs. It also shows that the O. Dickinson Seed Co., has purchased certain of the property paying therefor \$10,000 in the form of a promissory note.—J. B. Vandale, John Martindale and V. A. Manning, appraisers of the estate of Lars Harding, deceased, have filed their inventory and appraisal. The total valuation of the real and personal property is \$20,000.

HURTING THEMSELVES.—Portland merchants are hurting themselves by refusing to take checks on Salem banks from Salem business men. They are either seeking to force our merchants to deposit in Portland banks or to discredit Salem banks. Neither of these plans will succeed, and several Salem merchants have already decided to buy goods elsewhere. There may be towns that deserve such treatment but Salem is not one of them.

SALEM HORSES.—Following horses have been shipped to California and when they have gone through the Northern California circuit will return in time for the State fair: San Gerardo, full brother to Holmdel, Rosemont, Anita, Walter, Jack the Ripper, Casmo, Kenwood Maid, Addie R., Daisy D.

TEACHERS' EXAMINATION.—Notice is hereby given that the regular quarterly examination of teachers for Marion county will be held at the court house, Salem, Oregon, at one o'clock, Wednesday, Aug. 9, 1893. Applicants for state papers will be examined at the same time and place. Dated this 24th day of July, 1893. J. S. Graham, County Supt. of Schools. 7-24-1w-2t

LIABLE.—Under the new law the counties are liable for any damage from a defective bridge. There is a hole in the main bridge on the Polk county side, and both counties would be liable for that. Chairman Klein called on the county court today but nothing has been done.

SWIFT BOYS.—Swift as the dart of the swallow are the Lockwood messenger boys, as they fly on their wheels day and night to any part of the city.

SCALP MONEY.—None exacted at one place in town where you get fresh goods at fair prices the year around.—Van Eaton's grocery.

OREGON PEACHES.—In freshness and beauty, large or small quantities, at the Court street grocery of Clark & Eppley.

The readers of this paper will be pleased to learn that there is at least one dreadful disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution, and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J.
