## SUGGESTED COMMENT.

We are still without good roads.

The Republican party of Marion  
one man.

Give us a good state ticket, Messrs.  
Republicans.

Hard times or good times, the people  
wantas little direct taxation as possible.

If a Marion county Republican goes  
on the state ticket he will be elected.

The young men predominated in the  
Republican county convention.

The Marion county Republicans were  
a band of united brethren, after as be-  
fore.

Sixty years in public life without the  
taut of corruption is Gladstone's noblest  
monument.

Senator Allison says there is one  
third less business in our country than  
a year ago.

It is only a question as to the size of  
the Marion county Republican major-  
ity in Marion county.

American and Canadian indus-  
tries languishing, awaiting the dispo-  
sition of the Wilson bill.

The Republican convention at Salem  
this year had more farmers in it than  
all the others put together.

One of Gladstone's famous utterances  
was that the people who were gov-  
erned the least were governed best.

If Republicanism and Democracy is  
not a matter of principle, it is nothing,  
county is too big to be corralled by any

Justice Bremer teaches a Sunday  
school class at Washington, D. C. His  
theology is said to be as sound as his  
law.

The next convention at Salem will  
be the Willamette Valley horse breeders  
on Saturday, March 31. Horsemen  
attend.

About every so often New York  
city and other large cities have to re-  
tire a lot of their public officers to the  
penitentiaries.

That Pollard-Breckenridge scandal  
is a sad commentary upon present  
ideals of successful standards and man-  
hood and womanhood.

That correspondent of THE JOURNAL:  
was right. Our country and cities  
have altogether too many bonds out  
and cannot stand any more.

The Iowa legislature is trying to pass  
a bill to stop treating in saloons. The  
Cleveland administration has left  
very little to accomplish in that  
direction.

There should be no occasion for the  
passage of so many town charter bills in  
the next legislature, as our state has a  
general incorporation act. It would  
save a lot of printing.

That is a sound proposition in the  
Marion county Republican platform  
that two-thirds of the people should  
not be taxed that one-third may ride  
free on passes.

My sisters, see the banner  
Waving in the sky.  
Are you broken-down, discouraged?  
Courage! help is nigh.

On that banner read this legend:

"Suffering women, half  
Pain, Fairies of Perscription  
Never known to fail."

The success of this remedy is won-  
derful. Its record is unparalleled. It  
has cured thousands of cases of female  
weakness, irregularities, and all  
diseases peculiar to the sex. It can al-  
ways be depended on to do exactly  
what is claimed for it. All the pro-  
prietors ask is a trial. That will con-  
vince the most skeptical of its won-  
derful virtues. Price (\$1.00) refunded  
if it fails to give satisfaction.  
Guarantees printed on every bottle-  
wrapper.

It is said Oregon has more doctors in  
proportion to the population than any  
other state. Yet Oregon is known to  
be one of the healthiest states in the  
union. A great many physicians come  
to Oregon for their health.

**The Best of Reasons.**

The reason why Aliceck's Porous  
Plasters are popular is that they may  
be relied on to cure:

1. Lamie back, sciatica, stiffness or  
twisting of the muscles.

2. Chest troubles, such as pleurisy,  
pneumonia, consumption.

3. Indigestion, dyspepsia, bilious-  
kidney complaint.

The success, however, will depend  
upon the genuineness of the plaster  
used. The popularity of Aliceck's  
Porous Plasters has been so great that  
multitudes of imitations have sprung  
up on every hand. The only sure cure  
is to get the genuine Aliceck's Porous  
Plaster.
