DR. PRICE'S CREAM BAKING POWDER

THE PERFECT MADE. A pure Grape Cream of Tartar Powder. Free from Ammonia, Alum or any other adulterant. 40 YEARS THE STANDARD.

WOMEN IN THE SPRING.

They Need Nothing So Much as Paine's Celery Compound.

In the spring women need Paine's Celery Compound. The average American woman, says a well known writer, wears herself out twenty years before her time. She begins the weeping out process as a child, sitting up at night until the whole family retires; and keeps it up as a growing girl, staying awake until 10 or 11 o'clock, when she should be asleep by nine; and as a woman she has so many things to do and to keep up with that she positively hasn't a minute to rest.

By and by her cheeks grow thin and haggard; languor takes the place of her old-time high spirits; she has a generally worn-out air; her nerves are gnawed by pain, and sleeplessness makes fearful inroads upon her health. Her physician tells her simply that her nervous system is exhausted, and that help must come by feeding the brain and entire nervous tract, richly, rapidly, and completely. It is the experience of the most careful medical men in this country that nothing proves so uniformly successful as Paine's Celery Compound in cases of brain-weakness, nervous inability, failure of vital force, dyspepsia, sleeplessness, and for restoring health and vigor to the brain and body when exhausted by overwork or dissipation.

Every such weary, nervy, thin-blooded person should take Paine's Celery Compound. It makes such people well. Paine's Celery Compound improves the general health by making new, ruddy blood and refreshing the nerves. It reinvigorates the languid blood, and vitalizes the important organs so that they work in harmony with each other. The accomplished editor of the Oak-

I find the ROYAL BAKING POWDER superior to all the others in every respect. It is purest and strongest. WALTER S. HAINES, M. D., Consulting Chemist, Chicago Board of Health.

RIVER NEWS Steamer Elmore left for Portland at 6 p. m. with 200 tons of miscellaneous freight and a dozen passengers. She will return tomorrow afternoon bound for Corvallis. Steamer Eugene left for the metropolis at 6 o'clock with a full load of freight. The Alton will be up from Portland this afternoon bound for Corvallis. The river registers 3.4 feet above low water mark and is steadily falling.

Deafness Cannot Be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is in a truly closed, deafness is the result and unless the inflammation can be removed and this tube restored to its normal condition, hearing will be destroyed forever, since none of the sounds can enter, which is what is done by catarrh, which is nothing but an inflamed condition of the mucous surface.

Whiskey—Will make a man drunk but a cup of Sobriety tea refreshes a person soberly. GILBERT & PATTERSON, Dr. Price's Cream Baking Powder World's Fair Highest Award.
