

BY HOFER BROTHERS

FRIDAY, JAN. 24, 1896.

ANNOUNCEMENT.

I hereby announce myself as a candidate for the office of COUNTY ASSESSOR...

MEET THEM, GOVERNOR!

Yes, meet them more than half way, the sham reformers from Portland...

Call them together to pass a law taxing all corporations 2 per cent on their gross earnings...

Call them together to abolish the railroad commission and that other corporation body guard...

Call them together to re-enact the mortgage tax law, pass a maximum freight law...

Call the Portland reformers to Salem for these purposes and see how they will come.

Call them together in the interest of the people and head off their scheme. So far it has only been an attempt to throw the responsibility...

You hold the cards, Governor. Meet their bluff with genuine trumps and a long suit in the interest of the over-burdened taxpayer.

These robbers and bootlickers who started this special session movement pretend to have become suddenly virtuous and economical...

A special session in the true interest of the people will save a great deal of money and rid the state of a gang that is now preying off the taxpayers...

Take the reins in your hands, Governor, and give them a whirl around the track of economy and legislation for the people.

A Gentle Corrective is what you need when your liver becomes inactive. It's what you get when you take Dr. Pierce's Pleasant Pellets...

Dr. Miles' Nervine Restores Health. It is free from narcotics, perfectly harmless, and yet restores strength...

Harvey Scott's sails with a touch of genuine reform measures. See how they would enjoy themselves passing such bills as the lower house would send in to them.

There is need for many reforms and retrenchments in Oregon. The faithful representatives of the people can be trusted.

Let this special session talk end or let there be a session for once in the history of Oregon directly responsible to the people and to serve the people instead of a corrupt gang...

A SIMPLE QUESTION.

The political question in Oregon is a very simple one. It is the old Portland machine versus the people. That was the plain issue in the last state convention.

The machine rewards men for loyalty to the machine, not for loyalty to the people.

The machine rewards men for loyalty to the machine, not for loyalty to the people. The people know all about that. There will be rings and combines until doomsday.

PUBLISH THE TRUTH.

The Salem Statesman is publishing a garbled report of the legislative proceedings, and on bills that never passed and that no one expected would ever pass.

So far as the men who voted on the portage railroad are concerned, they did it as a matter of principle. As the only way to check the extortion of a monopoly that was taking all there was in a wheat crop in Eastern Oregon...

The vote on free text books for the common school branches, that the Statesman records as against Hofer and Craig, is another sin they are ready to answer to the people for.

WHY IT CIRCULATES

Phenomenal Demand for a Weekly Newspaper.

IT ADVOCATES POPULAR MEASURES

Characteristic Letters From All Kinds of People.

The phenomenal circulation of the WEEKLY CAPITAL JOURNAL in all the postoffices of Western Oregon causes a great deal of comment, and needs some explanation.

IT IS THE CHEAPEST WEEKLY IN THE STATE. One year \$1.00, six months 50 cents, three months 25 cents.

THE PEOPLE WANT IT. The people will not pay cash in advance for a paper unless they want it and appreciate it.

FROM NETARTS BAY. comes a cheering letter from a subscriber at Netarts, Oregon who encloses a dollar and writes:

W. C. O'HARA, A Republican of the school of Abraham Lincoln.

FROM MAINE TO TEXAS. Come orders for THE WEEKLY JOURNAL. Silver dollars are sent.

ORDER THE JOURNAL. Circulate the DAILY and WEEKLY. Stand by the cause of good government for the masses and sound American principles.

Hood's is Wonderful. No less wonderful are the cures accomplished by Hood's Sarsaparilla, even after other preparations and physicians' prescriptions have failed.
