Characteristic Letters From All Kinds of People.

The phenomenal circulation of the Weekly Capital Journal in all the postoffices of Western Oregon causes a great deal of comment, and needs some explanation. Orders keep pour-ing in by every mail, and while names are struck off the list as soon as a subscription expires the additions surpass the expirations.

Weekly in the state. One year \$1.00, six months 50 cents, three months 25 cents. At this low price all can afford to take an Oregon Weekly, and these hard times they naturally take the cheapest. It is too cheap to do without it, and conducted on the cash in advance basis, they know they will not have a bill run on them.

THE PEOPLE WANT IT. The people will not pay cash in advance for a paper unless they want it and appreciate it. The Weekly is as popular as The One Cent Daily which is conceded to be the most popular daily in Western Oregon. A man brought in a silver half dollar the other day and ordered it for two months. He said: "I can't get work vention, and to transact such other business as may properly come before the convention.
