VALLEY LOCAL NEWS.

AUMSVILLE.

The Aumsville school has closed for the season.

The school children gave the people an entertainment Friday evening. They done themselves proud by their big and little speeches, and every father and mother were proud of their girls and boys as they advanced to the front of the stage to tell their little story. It would not be right to mention any names unless all were mentioned, for all done well.

The "prodigal sons" from Salem, who sent orders to Aumsville to have the fatted calf killed, had better keep their promises, as the calf has been prepared and is getting very tender.

Prof. V. B. Goin and Miss Anna Alderson's friends were determined to show their kind regards last week. On Wednesday evening they were surprised by having some forty persons rushing in upon them, full of good feeling and good wishes. On Thursday evening they were again surprised having the rest of their friends taking possession of their house.

V. B. Goin leaves Monday for his home at Scio, and Miss Anna Alderson leave to teach at the Geer school house.

The school just closed reflect credit upon the teachers, and for the first time in the history of Aumsville, the teachers leave with the best wishes of all.

There has been some trouble about the roadmaster in the district west of us. The same old trouble. Some wants one man, and some wants another man roadmaster. Both are good men, but the other fellow is our man. One is a large man. One is a small man. But weight don't count in roadmasters, for the little Pound got on top.

A daughter was born to Mr. and Mrs. Andy Hanson on Wednesday morning. Mother and child are doing well, but Andy is not doing very well. He is reasonably happy, but would have been the happiest man living if his girl had been a boy.

The regular school meeting was held Monday to elect school officers and transact other business. William Garb, director, and Sherman Swank, clerk, were elected.

The question of using the school house for debating societies was voted upon and resulted in 34 votes to 2, in favor of using the school house for such purposes.

Sid Porter is moving from Aumsville to his farm in the country.

The "Church of God" minister preached morning and evening at the Christian church Sunday.

The ordinance of baptism was administered to two persons last Saturday, making 18 in all who have joined the church, as the result of the late meetings.

Dr. Klass has built a new fence from his hotel to his new barn.

Deafness Cannot be Cured.
by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

WHY IT CIRCULATES

Phenomenal Demand for a Weekly Newspaper.

IT ADVOCATES POPULAR MEASURES

Characteristic Letters From All Kinds of People.

The phenomenal circulation of the WEEKLY CAPITAL JOURNAL in all the postoffices of Western Oregon causes a great deal of comment, and needs some explanation. Order keep pouring in by every mail, and while names are struck off the list as soon as a subscription expires the additions surpass the expirations.

IT IS THE CHEAPEST Weekly in the state. One year \$1.00, six months 50 cents, three months 25 cents. At this low price all can afford to take an Oregon Weekly, and these hard times they naturally take the cheapest. It is too cheap to do without it, and conducted on the cash in advance basis, they know they will not have a bill run on them.

THE PEOPLE WANT IT.
The people will not pay cash in advance for a paper unless they want it and appreciate it. THE WEEKLY is as popular as THE ONE CENT DAILY which is conceded to be the most popular daily in Western Oregon. A man brought in a silver half dollar the other day and ordered it for two months. He said: "I can't get work this winter. I can get along without one meal a day. But I can't get along without THE ONE CENT DAILY. These long, cloudy, rainy, winter days it comes a welcome messenger to cheer the whole family." The people feel the same way about THE WEEKLY.

FROM NETARTS BAY.
comes a cheering letter from a subscriber at Netarts, Oregon, who encloses a dollar and writes:

"DEAR EDITOR: THE JOURNAL has the true Republican ring about it. I wish that every paper in the country would advocate the people's cause as THE JOURNAL does. I will do all I can for THE JOURNAL."

W. C. O'HARA,
A Republican of the school of Abraham Lincoln.

Mr. O'Hara is not afraid to sign himself an Abraham Lincoln Republican and THE JOURNAL feels proud to be considered a champion of Abraham Lincoln Republicanism.

FROM MAINE TO TEXAS.
Come orders for THE 81 WEEKLY JOURNAL Silver dollars are sent. John Holm, Luling, Texas, sends us a big dollar of the dandy in a common envelope. It is one of those "In God We Trust," dollars, coined in 1893, good enough for any American, and good enough for any newspaper. THE JOURNAL is the only silver Daily and Weekly in Oregon. THE JOURNAL is the only Daily and Weekly in Oregon that fights the whole gold bond, humbug and stands for the right of the American people to buy their bonds. It demands Republican legislation for the American people instead of for the corporation, the trusts, the bondholders and syndicates.

ORDER THE JOURNAL.
Circulate the DAILY and WEEKLY. Stand by the cause of good government for the masses and sound American principles. We will pay extra postage on silver. Don't send stamps.

Two Lives Saved.
Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida street, San Francisco, suffered from a dreadful cold, approaching consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which there are samples, that prove the wonderful efficacy of this medicine in Coughs and Colds. Free trial bottles at Fred P. Legg's drugstore. Regular size 50c and \$1.

Will Not Perform Miracles But It Will Cure.

DR. MILES' RESTORATIVE NERVINE cures nervous prostration. Not administered scientifically, but first removing the germs of disease, and then supplying healthy nerve food, increasing the appetite, helping digestion and strengthening the entire system. Desperate cases require prolonged treatment as shown by that of Mrs. M. B. Wood, of Delta, Iowa, who writes: "As the result of a lightning stroke, the paralysis, my limbs would all draw up. I would have throbbings in my chest that seemed unendurable. For three months I could not sleep and for three weeks did not close my eyes. I prayed for sleep, and felt that if relief did not come I would be dead or insane. I took Dr. Miles' Restorative Nervine and the second night slept two hours and from that time on my health improved slowly at first, but steadily and surely. I took in all 40 bottles, and I cannot express how grateful I am, for I am now perfectly well, and have taken no medicine for over four months." Dr. Miles' Nervine is sold by druggists on guarantee that first bottle benefits or money refunded.
