DR. MILES,
Through His Nervine Is a Benefactor to Thousands.
A WIDELY known Wisconsin publisher, who resides at Green Bay, writes March 9th, 1896, as follows:
"Five years ago I became so nervous that mental work was a burden. I could not rest at night on account of sleeplessness. My attention was called to Dr. Miles' Restorative Nervine and I commenced to use it with the very best effect. Since then I have kept a bottle in my house and use it whenever my nerves become unstrung, with always the same good results. My son also takes it for nervousness with like never failing success. I have recommended it to many and it cures them. All who suffer from nerve troubles should try it. It is free from narcotics, perfectly harmless, and yet soothing and strengthening. Dr. Miles, through his Nervine is a benefactor to thousands."

Editor and proprietor of THE LASHOAN.
