THE JEFFERSON MEETING.

A Few Kickers—Other Speakers Will Be There. Editor Statesman:—The article appearing in the JOURNAL of May 4, might be construed to be an invitation of republicans of this precinct for Hofer to speak at Jefferson, but in fact the copy of a type-written letter sent here from Salem and circulated by a Populist, a member of the Populist county committee and secretary of the Jefferson Populist club, and signed by five Republicans, five Populists and three Democrats who contributed the necessary amount to defray expenses of hall rent, etc.

We have a Republican club that will attend to arranging for Republican speakers and pay all necessary expenses for the same, without calling on the Populists to solicit contributions.

MEMBERS OF THE JEFFERSON REPUBLICAN CLUB. Jefferson, Or., April 5.

The above appears in the morning Statesman. It need not prevent the Jefferson people meeting Saturday night.

The meeting referred to Saturday night will be a free and open mass meeting of the people of that precinct without regard to party. This is still a free country, and the right to assemble peaceably for public discussion cannot be denied. Those who are

afraid to hear the truth about the last legislature and political rotteness in this state had better remain away from the Jefferson meeting next Saturday night.

With kindness in our hearts and truth on our lips let us go forward and try to improve our state, county and national government. We have the promise of other speakers—Republicans—for the Jefferson meeting.

E. HOFER.
