The last week before election, Mr. Candidate.

Having fleeced the rich Herrmann will now heal the poor.

That poor woman and the baby were too much for Roland Grant.

There is at least lots of grass for Coxy to tread on in Western Oregon.

The fusionists in this county need the services of Herrmann the Healer.

J. N. Dolph is engaged in his proper capacity—defending Chinese smugglers.

Rev. Dr. Briggs is to take a vacation. His controversy will however go on.

There is no politics left in Douglas county. It is all A. P. A. The editors up there must be proud.

Having left the Pops, there is great curiosity to know who Governor Fletcher's Post and Independent will support this week.

The man who straddles an issue or dodges the people, will not be much sought after on election day. Mark that, Mr. Candidate.

If Jeff Myers writes another letter to the Statesman Tongue and Vandenberg may as well make up their mind to stay at home.

Herrmann the healer: We do not object to your robbing the wealthy in the name of animal magnetism. But for God's sake spare the poor.

Pennyroy will be mayor with a whoop. That Simon charter with a commission of five self-perpetuating lords was a corker on the commission business.

D. Solis Cohen will have to get a legislature to change his name or part it somewhere besides in the middle before he gets to be mayor of Portland.

Read the names of some of the "sound money" fallen angels who grace the petition with those of Scott Dolph, Simon and all the Portland Four Hundred.

J. N. Teal, the lawyer and expert accountant of the Portland committee of 100 now defunct, didn't leave Harvey Scott a leg to stand on in Sunday's Oregonian.

Carson should be beat; he charges high fees! Mr. Carson's lawyer enemies, who oppose his election as district attorney, say he charges high fees! Gentlemen, dig up a better argument. Where is the lawyer who doesn't? Only such as can't get them. Mr. Carson has gained a rank which gives him better fees than some men who were in the profession before he was, and those men of course are opposed to him. A pretty good endorsement.

THEY DID NOT GO.—Two of Salem's little street arabs wished to attend the Independence races Saturday but being without the necessary silver, pony or bicycle, they were in rather a discouraging position. At last they thought of a plan that would be quite economical to themselves provided they could carry it into execution. Accordingly they were about the O. C. T. Company's dock Saturday morning just before the Steamer Ramona left for Independence with a load of excursionists. Just before the boat pulled away from the dock the two little fellows had disappeared. Just before reaching Independence the little fellows were discovered hidden in the merchandise. The boat crew removed the hats and coats from their boys but since that had not put in an appearance when the passengers and freight had been unloaded, the boys were brought to Salem. It is not likely they will repeat the experiment in the near future at least.

MASS MEETING.—As already announced the university mass meeting will occur Wednesday evening, May 27. The call for this meeting comes from a number of the leading citizens and business men of the city. A good program of speeches and music will render the occasion highly enjoyable, and Salem will have a royal opportunity to show her devotion to old Willamette by turning out en masse to hear what may be done for the enlargement of their beloved college. Come everybody. No personal subscriptions to embarrass, no selfish purpose to be gained. Look for announcement of speakers tomorrow.

IN THE MOUNTAINS.—Sunday morning early Col. J. Olmstead, N. J. Ferrell, Frank Haas and Elmer White, started out overland for their Mountain home, up near Detroit, to spend a few days. The boys will look after their respective farms, catch fish and enjoy a little well-earned recreation. Of course, all their city friends will eat trout when they return.

WILLAMETTE WINNER

In the Local Contest With the Y. M. C. A.

SCORE STOOD 65 TO 54.

Track in Poor Condition—Good Time Made.

"Willamette university 65 points; Y. M. C. A. 54 points," such was the announcement made at the close of the local field day contests at 6 o'clock Saturday evening. Owing to threatened rain a very small crowd gathered to witness the contests but enthusiasm was not in the least lacking. The track was in an exceedingly bad condition which greatly interfered in making good time. The bicycle races were not very interesting, the Y. M. C. A. boys having it almost their own way. There were four of them to the Willamette wheelman, Wm. Ogle, who is deserving of much praise for his pluck and stick-to-it-iveness. There was considerable dissatisfaction expressed concerning the decision of the judges in the 220 yard race. It was decided in favor of Southwick although the greater part of the audience declared Bittner to have won the race. A fall when leaping over the last hurdle is all that prevented Shulse, who was about twenty feet ahead of all others, from winning this race. The music furnished by the popular H. A. C. band formed a pleasant part of the afternoon's entertainment. This is a musical company of which Salem may justly feel proud.

The mile walk was won by Sonne-man, (Y. M. C. A.) in 8 minutes and 18 seconds; Van Winkle (W. U.) second, Crossan, (Y. M. C. A.) third.

Brown, (W. U.) won the half-mile race, closely followed by Winters, (Y. M. C. A.). Time 2:32; Ashenbrenner, (W. U.) third.

The prettiest race of the afternoon was the 100 yards dash which was won by R. Guiss (W. U.) who found a close second in R. W. Williams, (W. U.) Time 11 seconds; Baker and Tarpley, of the Y. M. C. A., tied for third place.

Scott (W. U.) came right to the front in the pole vault. He cleared the pole at a height of 9 feet; Chase, (Y. M. C. A.) second; Bittner, (W. U.) third.

Babeock (Y. M. C. A.) won the hammer throw. Distance 95 feet 7 inches; Van Winkle (W. U.) second; Callison (W. U.) third.

Guiss (W. U.) won the 120 hurdle race in 20 seconds; Hibbard (W. U.) second; Bittner (W. U.) third.

Bat Macey (Y. M. C. A.) won the high jump at 5 feet 2 inches; Disque, (Y. M. C. A.) second; Wilson, (W. U.) third.

The two mile bicycle race was won by Grilley (Y. M. C. A.) in 6:24; Shipp (Y. M. C. A.) second; Ogle (W. U.) third. Since Ogle did not return on the inside track at the end of the race, he was not given the point he would otherwise have obtained.

Babeock (Y. M. C. A.) put the shot 31 feet 8 inches, thereby winning over his competitors. Fisher (W. U.) second; Callison (W. U.) third.

R. W. Williams (W. U.) crossed the tape first in the 440 yard race in one minute 55 seconds; Brownell (W. U.) second; Livesay (W. U.) third.

The 220 yard race was a very pretty sight. The judges gave the race to Southwick (Y. M. C. A.) Time 32 seconds. Bittner (W. U.) second; Wilson (W. U.) third.

Winters (Y. M. C. A.) won the mile run in 5:25. Wilkins (W. U.) second; Max Miller (W. U.) third.

Livesay, (W. U.) won the broad jump. Distance, 18 feet 10 inches. Guiss (W. U.) second; Macey, (Y. M. C. A.) third.

The mile bicycle race was won by Shipp (Y. M. C. A.) Time, 2:54; Grilley (Y. M. C. A.) second; Ogle (W. U.) third. As in the 2-mile race, the only reason for which Townsend and Disque, of the Y. M. C. A. entered the race, was to set a pace one-half the distance, and if possible, tire out Ogle (W. U.), thus giving Grilley and Shipp an excellent chance to "spurt" on the last quarter; "4 to 1," is evidently too much of a handicap, under which one rider can successfully participate in a race.

Williams (W. U.) won the 220-yard dash in 25 seconds; Guiss, (W. U.) second; Chase, (Y. M. C. A.) third.

NOTES ON THE ATHLETES.
Sonne-man is certainly a remarkable

walker. He has a light, easy stride, and more will be heard from the young grocerman, on Saturday, June 6. However, \$3.18 for 1 mile is not to be laughed at, as 8:10 is the coast record.

Carl Brown surprised a great many in the half-mile race. Though rather slow in some things, Mr. Brown can navigate his feet with remarkable rapidity.

Rt Guiss and R. W. Williams did not allow any grass to grow under their feet Saturday. We shall hear more of these sprinters at the Inter-collegiate field meet.

Disque did some very good high jumping for the Y. M. C. A.

With pleasant weather for the next two weeks, the track at the fair grounds, will be in excellent condition for state field day contests.

Byars disappointed his many friends by his performance in the mile walk; however it is said he will do better on State Field Day. He was considerably handicapped by slight illness.

Bicyclist Ogle (W. U.) had too much to contend with in the bicycle races. In the two mile race the four Y. M. C. A. wheelmen "boxed" Mr. Ogle but that gentleman evaded any such combination in the second race and came in a close third. Mr. Ogle rode very hard but the odds were too much against him.

Van Winkle, Willamette's six-foot man, will make it interesting for the mile walkers on June 6th.

In vaulting the pole Chase of the Y. M. C. A., received an unfortunate fall as a result of the pole snapping in two, when Chase was about eight feet in the air. The young man fell on his shoulders but fortunately with no injury to himself.

Fred Scott (W. U.) cleared the pole in the pole vault, at 9 feet 3 inches easily. Should occasion require Mr. Scott will beat this on state field day.

Babeock, the hammer thrower, is certainly Sampson No. II. Saturday Mr. Babeock threw the 16-pound hammer 95 feet 7 inches without the least exertion whatever. Field day will hear from him also.

I. P. Callison, the good-looking business manager of the Collegian, also did very well in the hammer throw and shot-put. Mr. Callison is remarkably well built, his muscles being quite well developed.

Guiss, the Willamette's successful sprinter, leaps over the hurdles as easily as though they were so many cord wood sticks. Keep your eye on Guiss at the state field meet.

Bert Macey made the best high jump of the day, clearing the pole at 5 feet 2 inches easily.

Winters is a good long-distance runner, beating Wilkins a few feet, in the mile race. Carter, on whom the Willamette boys depended largely in this contest, after taking the lead until reaching the 1/2 mile post, was obliged to drop out owing to a pain in his side.

Livesay, Willamette's auburn-haired jumper, carried off the honors in the broad jump. Mr. Livesay may be heard from Saturday, June 6th.

Guiss and Williams, both of Willamette, are certainly sprinters of whom old Willamette may justly feel proud. Both of these gentlemen will carry off honors on state field day. It will take a man "with wings" to beat these young men on the 100 yards dash and the 40 yard race, respectively.

At Woodburn.

WOODBURN, Or., May 25.—Memorial services were observed Sunday in the Presbyterian church. Company H, O. N. G., turned out in full uniform. With their new suits and equipments they presented a fine appearance. Stephens post, G. A. R., and the Woman's Relief Corps also turned out in a body. There was a very large attendance, and many were turned away. Rev. T. Bromlette delivered the address, which was full of patriotism.

As Ben Dimick was driving through town Saturday his team became unmanageable, and ran away, demolishing the carriage, throwing Mr. Dimick out, and hurting him badly. The team was caught near Belle Passe graveyard.

Wife Killer Caught.

MINNEAPOLIS, Minn., May 23.—A special to the Journal from Deer Lodge, Mont., says: Phillip Allen, the man who last Saturday killed his divorced wife and then fled, is captured. A reward of \$1,000 has been offered for his capture dead or alive. Armed parties had been searching for him a week. He was taken by surprise and no blood was shed.

Sweeps Over Polk County, Iowa.

OVER TWENTY ARE KILLED

The List of Deaths Are Given by Families.

KANSAS CITY, May 25.—The Times has information of a cyclone having swept over Valeria, Iowa, 15 miles north of Des Moines. Nine persons are reported killed and a number injured.

A DISASTROUS CLOUDBURST.

MARSHALLTOWN, Ia., May 25.—A cloudburst Sunday, between Lamolle and State Center, caused Linn creek, which flows through this city, to rise in one hour from a mere rivulet to a river a half-mile wide. The Chicago & Northwestern tracks and roadbed and two bridges near Lamolle were seriously damaged, the flood destroying crops and drowning considerable livestock. A heavy hail accompanied the rain. The railroad yards in this city are submerged, and dwellings in the lowlands flooded to a depth of three feet. Some of the residents were rescued in boats, having narrow escapes.

Railroad traffic cannot be resumed for a day or two. Iowa river is also on the biggest rampage for 15 years.

MORE OF VALERIA.

NEWTON, Ia., May 25.—Valeria, a mining village about 15 miles west of Newton, was nearly wiped out of existence by a cyclone last night. Fourteen people are reported killed.

SWEPT POLK COUNTY.

The Baley family with five of the same family seriously injured. Three of the Phelan family and Mrs. Sehell were killed at Valeria. At Santiago three were killed in the Bolenbaugh family. Between Valeria and Ira the death list is nine. A special train has been started from Des Moines with physicians on board. The storm is said to have swept along the line of the Great Western from Bondurant to Marshalltown.

ST PAUL, May 25.—A special to the Dispatch, from Elma, Iowa, says: A terrific storm, a cyclone in form, occurred here last night. Many buildings were unroofed, trees uprooted, telegraph and telephone poles and wires demolished and numerous business fronts smashed in. The town is almost a lake. No one was hurt. The people took to the refuge cellars. At Alta Vista, a man was killed, and two children badly hurt.

MANCHESTER, Iowa, May 25.—A special says: A cyclone struck Manchester at 1 o'clock last night, leaving a track six or eight miles long in ruins. Mrs. Ira Howland and William Murray were seriously injured.

CLOUD BURST.

MILWAUKEE, May 25.—A cloud burst at North McGregor, Iowa, resulted in great destruction of property and probable loss of several lives. One lady has been recovered in the debris. A mile of track on the St. Paul railroad, is under water. Bloody Run overflowed so quickly, that people living in the ravine could not save their property. Several persons are reported missing.

TWO LADIES DROWNED.

FORT SCOTT, Kans., May 25.—Miss

Georgia Rickett, and Bertie Cassidy, young society ladies of Lacygne, while boat riding in the streets here, last evening, were drowned by the overturning of their boat. The town was flooded by recent rains and the water was four to six feet deep in the streets.

SEVERE RAIN STORM.
CHICAGO, May 25.—In the suburbs of Edison Park, Irving Park, Norwood Park and Evanston nearly a score of buildings, two of them churches, were demolished.

DUBUQUE, Iowa, May 25.—A storm struck Durango 2 o'clock this morning and in less than an hour the water in the creek rose to a height of twenty feet, sweeping everything before it. Mrs. Clark, station agent, and six children, ages ranging from two to eight years were drowned.

Canvass in Linn.

ALBANY, May 25 (Special).—Attorneys Weatherford and Bilyeu have started today to canvass Linn county for Vandenberg, the Populist nominee. They do not regard Myers staying on the ticket as a sincere move in the interest of Democracy and do not propose he shall receive 100 votes in Linn county.

Lane County.

EUGENE, May 25.—Politics was never so mixed as at present, and the regular Republican ticket is in great danger of defeat. There is a great deal of irregularity and voting for straight tickets is no longer to be thought of. There will be more scratching than was ever known in Lane county.

Court Decision.

WASHINGTON, May 25.—The supreme court in the opinion of Justice White today, passed upon the right of Bannock Indians to kill game in the unsettled land of their former reservation in Wyoming, holding that under their treaty Indians could not kill game in violation of the game laws of the state.

Indian Renegades.

SAN BERNARDINO, Mexico, May 25.—Word has been brought here of an attack by renegade Indians upon Lomas ranch, near here. The Indians killed eighteen persons. Several women and children.

POLITICAL POINTERS.

Meetings and Candidates in Marion County.

Hon. Chas. Fulton arrived on the 11 a. m. train, took a carriage for Silverton, and will return this evening to speak at Salem.

The Populist candidate for sheriff will get the votes of the Prohibition party.

Chairman F. N. Derby of the Democratic central committee, is at Portland today.

At Woodburn Saturday night the people literally covered the stage with flowers when Elder Barkley spoke, and there was no end to the cheering, when he presented Jack D'Arcy with a bouquet.

The people should turn out en masse to hear Charley Fulton tonight at Reed's opera house. He is a Republican of the people—one of the kind who don't knuckle down to Harvey Scott or any man.

Jack D'Arcy was hissed at Woodburn until the chairman and Rev. Barkley himself had to beg the audience for fair play. The people would appreciate Mr. D'Arcy's efforts to turn the "X Rays" on the last legislature, but his personal attacks on men who made the records that Craig and Barkley did, were nowhere well received. Barkley will have the largest vote of any man in the county.

THE JOURNAL presents a duplicate fac simile of the Australian ballot—the official ballot of Marion county. The Republican candidates are indicated by an "X" in front of the names and that is also the way the ticket must be marked when it is voted—not by erasing.

The Populist speakers are at Woodburn tonight, and close the campaign at Salem Thursday evening. Mrs. Mary E. Hobart of New Whatcom, who has spoken before in Salem, will speak here Saturday evening.

Baker City is to be blessed with a camp-meeting.

LIVE STOCK MARKET.
CHICAGO, May 25.—Hogs, light \$3; heavy \$2.85@\$3.05. Cattle, beefs \$3.50 @ \$4.35; cows and heifers \$1.70@\$1.95. Sheep, market steady to 10c. higher.

A Dakota Ex-Governor Is No More.

PROHIS SPLIT ON SILVER

Sugar Bounty Law Upheld by the Supreme Court.

PITTSBURG, Kansas, May 25.—A. C. Mellette, ex-governor of South Dakota, died this morning of heart failure.

SPLIT OVER SILVER.

PITTSBURG, May 25.—As the time for the national prohibition convention approaches, prospects of a bitter fight over the money plank increases.

Samuel Dickie, chairman of the national central committee, said today that the adoption of a free silver plank will cost the party 100,000 votes. On the hand, ex-governor John P. St. John, of Kansas, says: "If McKinley is nominated at St. Louis and the democrats adopt a gold standard plank at Chicago, the prohibition candidate for president will stand a good chance of election if we adopt a free silver plank."

UPHOLD THE BOUNTY.

WASHINGTON, May 25.—The United States supreme court announced a decision today in the sugar bounty cases of the United States vs. Gay & Realty Company. The cases were brought to test the constitutionality of the ruling of Comptroller Bowler, denying the bounty to sugar planters under the law of the last congress. Opinion of court was handed down by Justice Peckham and affirmed the opinion of the court below, holding that the sugar bounty law is valid and overruling the comptroller. The opinion was unanimous.

U. of O. Field Day.

The following report of the field day contests of the State University at Eugene Saturday is taken from the Register:

O. Trine.
