THEY ARE NOT AT HOME.—It has been reported on the streets of Salem quite frequently, of late, that there were plenty of Republicans in Portland who would bet 2 to 1 on Oregon going for McKinley. Only a few days since a Mt. Angel farmer was in the metropolis looking for "just such a snap" but it was not to be found. Talk is cheap but when it comes to "putting up"—that's another proposition.

SOCIAL ACTIVITY.—As the fall season advances many Salemites are growing uneasy for the resumption of social amenities in the capital city. The Old Folks' Whist Club, which is the leading permanent social factor in the city, will hold its first meeting, as per adjournment, at the home of Hon. Phil Metschan Monday evening, October 19. Thereafter no doubt regular sessions will follow.

TALK ABOUT CLOTHING.—The New York Racket have a fine line of men's and boys' clothing, and over-coats, the Brown Shoe Co.'s line of shoes for men, women and children, underwear for ladies, gents and children, also hats of all kinds, capes, gloves, and suspenders, ties, hosiery, and many other articles of great use at low prices. Call and save 15 to 25 per cent. 14 2d W.

A NEW CROSSING.—The old crossing on State and High streets between the Cook hotel and court house square was replaced this morning with a new walk. Crosswalks at the northwest corner of the court house square across both Court and High streets are much needed and their immediate construction would be a source of pleasure to many pedestrians.

LARGE PURCHASE OF WOOL.—Thos. B. Kay, of the Salem Woolen mills, went to Albany this morning to receive 30,000 pounds of wool, previously purchased for the mills. Everything is moving along very satisfactorily in the mills and in about three weeks its various departments will be in full operation, furnishing employment for over one hundred Salemites.

Y. M. C. A. NOTES.—Regular gymnasium classes will be found at the Y. M. C. A. rooms tomorrow evening. The men's class will meet every Tuesday and Friday evenings while the boys will have possession of the gymnasium every Monday afternoon and Saturday forenoon. All who propose entering either of the classes should be present tomorrow night when the classes are organized.

"Give me health, wealth and happiness." How many thousands daily utter this prayer in their inmost souls. Well, health is wealth and the two combined make happiness; therefore if you possess the first your prayer is answered in full. And so it is with all who use "Oxyvita." Natures answers your prayer by supplying your system with what it most needs, and must have to have health—Oxygen. E. B. Slim, resident agent, Chatwin House, Salem.

SLOWLY IMPROVING.—A Bushman, who had his right hand so badly mangled with a wood saw last Saturday, is slowly recovering. The injured member gives him much pain but he hopes to recover the full use of it.

IMPORTED STOCK.—In connection with the cut rate grocery sale at the Pioneer grocery, a fine line of imported dishes is now being slaughtered. Call early for choicest selections. John G. Wright. 15 3d

ANOTHER OPERATOR.—Wm. Dunn, who has for some time acted as night operator, for the Southern Pacific, left last night, for Medford, where he will assume a similar position. Mr. Cox, of Grants Pass, takes Mr. Dunn's place.

CHICKEN PIE SUPPER.—The ladies of Central Chapel, tomorrow evening will give a chicken pie supper at their new church, on Nineteenth and Ferry streets. A superb meal for 25 cents. Children, 15 cents. Open from 5 to 9 o'clock.

DON'T GO EAST.—Until you have seen the undersigned, who can quote you the lowest rates—furnish you your through tickets, sleeping car berths, and arrange for a pleasant trip via the Union Pacific system. Boise & Barker, agents, Salem, Or. 10 15 4w

M'KINLEY COMMITTEEMAN.

Sends His Resignation to the Central Committee.

All Bryan meetings and all silver literature has been kept out of Me-hama precinct. But the first meeting held there for the silver cause Saturday night bore good fruit. E. A. Barrick, Republican committeeman, came out for Bryan.

E. A. Barrick, precinct committee man for Me-hama precinct, of the Republican county central committee sends THE JOURNAL a copy of his letter of resignation. The letter was sent to Frank Davey, secretary, who is now at San Francisco.

Mr. Barrick has always been a loyal Republican, but now gives his REASONS FOR RESIGNING.

"I believe the money question to be the paramount feature of the campaign.

"Every candidate for office in Marion county, prior to the June election was pledged for Mitchell and silver.

"Now it appears they did not believe in fostering the silver cause from principle, but desert it for the gold standard out of reverence for the party lash.

"If they would knock at the tomb of the immortal Lincoln, and associate that sacred dust and introduce him to the G. O. P., as it stands its present platform, he would say: "Depart from me. I never knew you." The father would not recognize his child.

"A year ago the older members advised us younger Republicans to stand firm; stay with our principles; (protection and bimetalism.)

"Now they retract one of these fundamental party principles, and where are they today? (Cohorting with arch free traders like Bourke Cochran, a resident of London who came near being sent to parliament this spring.)

"There is more excuse for a Democrat talking gold standard because they don't believe in protection. But for a Republican believing in protection, and knowing England is our competitor as a manufacturing nation and our enemy in the commercial world, you ask us to adopt her money system in order to do business with her.

"Look at the fallacy of such an argument! Did you noble veterans of the war, when upon southern soil, ever lay down your guns on the skirmish line and ask the enemy what policy to pursue? "Are we unable to adopt a financial policy without the consent of a foreign power?"

"Are we men? Are we Americans? Do you not ask us to confess our incapacity to govern our country when you ask us to take down our country's flag, wrap it around our silver dollar, and upon bended knees ask the approval or condemnation of Great Britain?"

"And they call this patriotism! "Believing principle to be above party, I hereby resign, to take up my abode among the silver outcasts of the party."

E. A. BARRICK, Republican precinct chairman, Me-hama precinct, Marion county.

LEAVES FOR ENGLAND.—Charles B. Craven left this morning for Bradford, England, where he will visit relatives for about six months during which time he will attend a course of lectures on dentistry. Mr. Craven has been assisting in the dental parlors of Dr. Griffith for some time and will now seek to prepare himself for a similar undertaking. Mr. Craven was accompanied to Portland by his father, Z. Craven.

TWENTY YEARS AGO.—Last Monday evening Mr. and Mrs. R. J. Herschback very pleasantly celebrated the twentieth anniversary of their wedding. A number of friends and acquaintances were invited and the evening was spent in social converse after which a delicious luncheon was served.

Condensed Testimony. Chas. B. Hood, Broker Manufacturer's Agent, Columbus, Ohio, certifies that Dr. King's New Discovery has no equal as a cough remedy. J. D. Brown, prop. St. James Hotel, Ft. Wayne, Ind., testifies that he was cured of a cough of two years standing, caused by la grippe, by Dr. King's New Discovery. B. F. Merrill, Baldwinville, Mass., says that he has used and recommended it and never knew it to fail and would rather have it than any doctor, because it always cures. Mrs. Hemming, 222 E. 25th St., Chicago, always keeps it at hand and has no fear of croup, because it instantly relieves. Free trials bottles Fred A. Legg's drug store.

STILL RECEIVING.—Brewster & White, the Court street feed men, are still taking silver or gold or paper (if it has Uncle Sam's stamp) for feed, at those remarkably low prices. 91 Court street. 14-3t

RIGDON AT DALLAS.

A Futile Attempt to Break up His Meeting.

Wednesday evening when Hon. W. T. Rigdon appeared at Dallas to speak under the auspices of the Bryan club, it leaked out that the Republicans had hurriedly sent for Mr. Tooze to offset the meeting, but the scheme didn't work. Mr. Tooze was promptly challenged to make it a joint meeting, but the managers refused, and two meetings were held. The result was that the Bryan meeting was hardly affected, and it proved to have the largest crowd brought out at any meeting held here during the campaign. Mr. Tooze had about half as many people (mostly ladies and children) as the Bryan meeting, and notwithstanding a band was hired by the McKinley forces they could not command the attention of the public. Mr. Rigdon was highly complimented upon his effort, as was also Mr. Minton, who made some remarks.

AT MARION'S CAPITAL.

Marriage licenses were issued Wednesday afternoon to the following couples: Matthew Rutch and Florentina Back; Frank Albrecht and Minnie E. Fuller. The latter couple were married at 5 p. m. yesterday. Justice H. A. Johnson officiating.

A warranty deed, transferring the Salem Motor Railway Co. to E. C. Giltner, was recorded with County Recorder F. W. Waters, Wednesday. The consideration is \$38,055.92.

Ella G. Fishburn, has commenced a suit for divorce in the Marion county circuit court, from Jos. Fishburn. The defendant was formerly engaged in the grocery business here.

O'Donnell and Godfrey today filed with the county clerk notices of the re-location of the "Lottie" and "Nouah" quartz mines in the north-eastern part of Marion county.

On the Bowery.

An attraction announced for Reed's opera house tomorrow night is that highly prosperous play, "On the Bowery," presented by Managers Thomas H. Davis and William T. Keogh, and which has matter to interest every class. Its realistic humor appeals with success to all people. But "On the Bowery" does not end with its comic element. It has a sensation galore. It has its love story, its crimes, its plots, its dangers, its rescue, and all the constituents of the approved melo-drama of life in a great city.

Interesting as these things are in themselves, they are made more so by their picturesqueness. That this picturesqueness should be fully brought out its managers have given "On the Bowery" a most elaborate and expensive scenic equipment. There is given the most satisfactory representation of Brooklyn Bridge that has ever been put on the stage. Steve Brodie jumps from the bridge, not as he did some years ago, for fame and fortune, but to save the life of a woman who is the only witness of a crime of which the hero of the play has been falsely accused. His heroism and charity are of the practical and active kind in the play as in real life. All the characters of the play are interesting, and they are as nearly natural as the demands of melo-drama will allow.

Meeting at Aumsville.

There is to be a rally of the Bryan club at this place next Saturday evening. W. T. Rigdon, of Salem, will address the people and the Mott Bros. of Salem, will be here to sing.

The Bryan club at this place numbers over 100 and is growing continually in spite of the efforts of the opposition, and reports to the contrary.

QUITE BADLY BRUISED.—In assisting to extinguish the fire in one of his houses on Marion street Wednesday morning, S. B. Catterlin fell from off the roof to the ground striking on his right shoulder and hand. The former was badly bruised while the latter was severely wrenched and crushed. While the injuries are not of a serious nature they will cause Mr. Catterlin not a little inconvenience.
