THE EMPIRE ENTERTAINERS.

Who come from the Grand Opera house, Los Angeles, to Reed's Opera house, Monday night, are on their way back East. The company, which is acknowledged according to San Francisco and Los Angeles papers to be one of the best and most refined vaudeville combinations now traveling on the road. The artists consists of the great European magician, Albin, who is, without doubt, the greatest necromancer before the public. He is assisted by Sydney De Grey, the refined baritone vocalist. This gentleman will sing the latest New York successes. Miss Nellie Maguire is also a great character artist, which consists of the English costermonger, the New York tough, the Irish Biddy, the farmer's wife, the walf and other impersonations. M'lie Mildred DeGrey, the celebrated Trilby dancer, is a marvelous performer and one not seen every day. Popular prices 75, 50 and 25 cents. Seats are now on sale.

McGinn Knocked Out.

EDITOR JOURNAL.—Judge McGinn held another flat McKinley gold standard rally at St. Paul last night. The Woodburn glee was hired to put a little enthusiasm into the meeting but the gun went off the other way. The judge spoke but a few minutes before he used the familiar name "Popocrats" which brought a storm of hurrahs for Bryan. The judge's face lost its usual radiance and his voice faltered, he spoke but a short time when a second Bryan wave passed over the audience and the judge's voice was still lower and at this time he turned to the chairman and in a husky whisper told that gentleman that his voice had failed him and that he could not proceed with his speech. The spirit of patriotism in the crowd and his own conscience had entirely unvoiced him. This is the man who boasts his ability to handle the Catholic vote. At all the places where he has spoken three-fourths of those present have been for free silver.

HOT STUFF.—Reporting the recent trial of Dr. Estes before the Oregon medical board at Dr. Cusick's office in Salem last week, the Astoria Budget uses the following head-lines in condemnation of the methods employed: "An outrage on justice," "Usurpation of criminal jurisdiction by state board of medical examiners," "Dr. Estes condemned on the testimony of a dissolute woman and rivals in his own profession," "The people of this city are more than indignant and say there is no safety for an honest and upright man."

ANOTHER CASE.—The diphtheria scare, fortunately, is slowly disappearing. One additional case was reported to Chief of Police Dilley and every precaution will be taken to prevent its spreading. The limited number of cases of the dread disease may be accounted for by the care that is exercised in preventing further spread.

MOORES SQUELCHED.

Charles Moores struck a hot spud yesterday afternoon when he tackled Green B. Cornelius, of Turner, on the street corner, but he couldn't drop it. The old veteran Republican slyer man, would him up on every issue, and the ex-speaker became so mad that he called the gray-haired old man and his cause all the names he could lay his tongue to. The police came to Charles's rescue and hustled him off to the safety line just in time.

According to a celebrated anatomist there are upwards of 5,000,000 little glands in the human stomach. These glands pour out the digestive juices which dissolve or digest the food. Indigestion is want of juice, weakness of glands, need of help to restore the health of these organs. The best and most natural help is that given by Shaker Digestive Cordial. Natural, because it supplies the materials needed by the glands to prepare the digestive juices. Because it strengthens and invigorates the glands and the stomach, until they are able to do their work alone. Shaker Digestive Cordial cures indigestion certainly and permanently. It does so by natural means, and therein lies the secret of its wonderful and unvaried success. At druggists, price 10 cents to 81 per bottle.

"DR. MILES, Through His Nervine Is a Benefactor to Thousands." A WIDELY known Wisconsin publisher who resides at Green Bay, writes March 6th, 1895, as follows: "Five years ago I became so nervous that mental work was a burden. I could not read or write. I was in a state of nervous prostration. My attention was called to Dr. Miles' Nervine. I bought a bottle and used it. I have never since had a nervous attack. I have been able to do my work and I feel as well as ever. I have recommended it to all my friends who are troubled in any way. It is free from narcotics, perfectly harmless, and yet soothes and strengthens. Dr. Miles' Nervine is sold in all the drug stores. A. C. LEITCH, Editor and proprietor of The Wisconsin State Journal, Green Bay, Wis." Dr. Miles' Nervine will benefit or money refunded.
