

Nervous

People find just the help they so much need, in Hood's Sarsaparilla. It furnishes the desired strength by purifying, vitalizing and enriching the blood, and thus builds up the nerves, tones the stomach and regulates the whole system. Read this:

"I want to praise Hood's Sarsaparilla. My health ran down, and I had the grip. After that, my heart and nervous system were badly affected, so that I could not do my own work. Our physician gave me some help, but did not cure. I decided to try Hood's Sarsaparilla. Soon I could do all my own housework. I have taken

Killed by a Freight.

A laboring man named Cederson was accidentally killed Wednesday evening at Seufert's cannery, Wasco county, on the O.B. & N., by the derailing of a freight train. The man had evidently been at work at Seufert's fisheries, and was standing alongside the track, waiting for the freight to pass, when one of the grain cars, for some unaccountable reason, jumped the track toward Cederson and crushed him before he could move. The car caused three or four other grain cars to jump the track, and blocked the track for a while. The obstructions were quickly removed, and the remains of Cederson turned over to the coroner of the county. Superintendent O'Brien is investigating the matter, though no blame can attach to any of the trainmen. The accident occurred at 6:30 o'clock in the evening.

Archbishop Ireland, of St. Paul, Minn., came forward as the first Roman Catholic of note to espouse publicly the cause of a political party in the present campaign. In a written statement of his views made at St. Paul, Minn., October 11, in response to invitations from a number of prominent business men of that state, the archbishop strongly denounced the Democratic platform, as being equivalent to a declaration of secession. The New York Herald of October 16, states that "the Vatican, although favoring the candidacy of Mr. McKinley, does not approve of the recent letter of Archbishop Ireland supporting Mr. McKinley, because it mixes religion and politics, which the Vatican thinks would best be kept separate in the United States."

"DR. MILES,

Through His Nervine Is a Benefactor to Thousands."

A WIDELY known Wisconsin publisher, who resides at Green Bay, writes March 24th, 1894, as follows: "Five years ago I became so nervous that mental work was a burden. I could not rest at night on a couch of sleeplessness. My attention was called to Dr. Miles' Nervine, and I commenced to use it with the very best effect. Since then I have kept a bottle in my house and use it whenever my nerves become unstrung, with always the same good results. My son also takes it for nervousness with like never failing success. I have recommended it to many and it cures them. All who suffer from nerve troubles should try it. It is free from narcotics, perfectly harmless, and yet soothes and strengthens. Dr. Miles' Nervine is a benefactor to thousands." A. C. LEHMAN. Editor and proprietor of DES LAZARUS. Dr. Miles' Nervine is sold on guarantee. First bottle will benefit or money refunded.
