President Isaac Lewis of Sabina, Ohio, highly respected all through that section. He has lived in Clinton County, Ohio, for 20 years. He is a member of the Sabina Bank 20 years. He gladly testifies to the merit of Hood's Sarsaparilla, and what he says is worthy attention. All brain workers find Hood's Sarsaparilla peculiarly adapted to their needs. It makes pure, rich, and from this comes nerve, mental, bodily and digestive strength. I am glad to say that Hood's Sarsaparilla is a very good medicine, especially a blood purifier. It has done me good many times. For several years I suffered with pains of

one eye and about my temples, especially at night when I had been having a hard day of physical and mental labor. I took many remedies, but found help only in Hood's Sarsaparilla which cured me of neuralgia, neuralgia and headache. Hood's Sarsaparilla has proved itself a true friend. I also take Hood's Pills to keep my bowels regular, and like the pills very much." ISAAC LEWIS, Sabina, Ohio.

Some oddities of election returns: highest prohibition vote for any one candidate in Crook county was two, the other candidates got one each, Red Butte precinct in Malheur county went straight for Bryan there being no votes cast for any other electors.

Prominent McKinley leaders are now admitting that their platform did not mean what it said. No Bryan supporter has so far been found who goes back on the main item of his platform.

Multnomah county is great on the increase of population. Since the last June election it increased 8000 people—all McKinley gold standard men.

Of course, "protection" is the sole issue. But Free Trader Flag and "Protectionist" C. B. Moores ratify on the same platform.

"The world is ever as we take it, and life, dear child, is what we make it."

This was the sentiment of an old lady to her grandchild Mabel. And many a Mabel has found it to be true, and she has taken care of her health.

She keeps on hand a supply of Dr. Pierce's Favorite Prescription, and so is not troubled with those irritating diseases, weaknesses, "dragging-down" sensations and functional irregularities that so many women endure.

"Favorite Prescription" contains no alcohol to inebriate, no syrup or sugar to derange digestion, as peculiar in its remedial results as in its composition.

As a powerful, invigorating tonic, it imparts strength to the whole system, particularly to the womb and its appendages. For feeble women generally, Dr. Pierce's Favorite Prescription is unequalled as an appetizing cordial and restorative tonic.

A book of 1000 pages, telling how to cure these diseases by home-treatment, sent FREE on receipt of 21 cents in stamps for postage and wrapping out. This book is profusely illustrated with woodcuts and colored plates, also with a vast number of reproduced photographs of those cured by the use of "Favorite Prescription" and without having to go through the ordeal of consulting a doctor. Full names and addresses are given so you can correspond and learn their experiences in curing themselves. Address, with stamps, WORLD'S DISPENSARY-MERCANTILE ASSOCIATION, No. 665 Main Street, Buffalo, N. Y.

Mrs. Collins. All I hope this statement will benefit others."

M. Ostrogorski, 132 Rue D' A-sas, Paris, France, who is about to bring out a book on American political methods, writes to the author. "I'm using the books on the subject I was fortunate enough to find your book on 'The School of Politics' I was wondering whether the evils of machine rule and of bossism were obtaining in the west as well as in the East. I read it with the greatest interest."

# "THE SCHOOL OF POLITICS,"

## OR

# THE AMERICAN PRIMARY SYSTEM EXPOSED.

Published by Charles H. Kerr & Co., Chicago, Ills. Price 25 cents. A hand book for citizens, legislators and students.

1. The Primary and Spoils Politics.
2. How Primaries Are Conducted
3. The Primary As It Should Be Safeguarded by law.

"The School of Politics" shows that the corrupted primary is the political crime of the Nineteenth century, and that reforms in city, state and national government are out of question until this evil has been remedied.

The little book then lays bare the methods of the bosses from New York to California, showing how, under laws made ostensibly to protect the people, they have legalized their fraudulent methods.

The practical working of the primary in city politics is shown up in our principal Western cities.

Also the perfected law adopted in California last year, but knocked out in the courts of that state. The remedy is plainly pointed out.

Should be read by every student of American politics and every legislator. They will here find the facts of the pernicious system, clearly set forth, also the needed remedies.

"The School of Politics" has had an extended sale in the East, and has been reviewed by many leading Journals. If you read a copy you will want others to read it.

Single copies, 25 cents. Special rates on larger numbers. The author would be pleased to receive communications from readers of the book, on the subject under discussion.
