T. Holverson.

J. Macrum, of Forest Grove, of the board of railroad commissioners, returned to Portland today.

J. R. Bowman, traveling salesman for Salem Woolen mills in Colorado and New Mexico, arrived in the city Saturday evening to spend a few days.

Harvey Scott, of the Oregonian, would be a beau ideal for McKinley's cabinet. He is as far removed from the people as a man can be, outside an asylum.

Bert P. Van Cleve it is said in the papers will lose the sight of both his eyes. A benefit performance was given for him at Harrisburg to pay for a surgical operation.

Brigham W. Young, of Salt Lake City, is the new electrician in charge of the Baker City E. L. & P. Co. Mr. Young is a grandson of the founder of the Mormon Church.

W. J. Best, brother of Peter Best, who was drowned in the North Santiam river at Detroit, has come on to settle up his brother estate, and will prove up on his homestead.

An exchange says: Hon J. N. Brown, of Heppner, is a candidate for speaker of the house. He is an able man and we believe is entitled to recognition and should be elected.

William McBride, of Rosedale, G. B. Weaver, of Detroit, W. J. Best, of Villisca, Ia., B. A. Kellogg, of Albany, and A. C. Hough, of Woodburn, were registered at the Cook hotel on Sunday.

Col. B. F. Alley says: "No lady clerks in the legislature is boldly advocated by some papers. Not many years hence there will be no male clerks as the ladies will control both branches of our state government."

The Lincoln County Leader, Independent, thinks as Senator Mitchell has adjusted his silver views to the party, he should be re-elected, but says he will not be.

J. M. Lawrence, first; E. F. Parkhurst, second; Hiram Smith, third; J. S. Graham, fourth; are the candidates for aldermen in each ward of the Salem city election, without opposition for the first time in the history of the town.

New Oregon Notaries: N. C. McLeod, Elgin; James K. Sears, McCoy; M. L. Causey, Union; Perry H. Blythe, N. A. Peery and W. B. Struble, Portland; J. F. Darrien, Cornelius. Lucian Everts, Long Creek; T. T. Struble, Portland.

John S. Gurdane, a Republican representative of Umatilla county, tells the East Oregonian that Mitchell will be re-elected and believes the Umatilla delegation will vote solidly for him. Mr. Gurdane was an anti-Dolph member in 1895.

Colonel and Mrs. S. L. Howlett of North Yakima, Washington, daughter and son-in-law of Mrs. A. W. Dennis, of this city, accompanied by S. Cammeron, a prominent Wool grower of that section arrived in Salem Sunday morning, on a flying visit, en route to Arizona for the winter.

T. A. Richardson, candidate for mayor of Salem today without opposition, has practiced medicine at McMinnville, The Dalles, and Salem. He was born in Illinois on November 15, 1840. He removed with his parents to Oregon in 1851, when he was 11 years old, and they settled in Linn county, near where Scio now stands. He received his literary education at Lebanon academy and Bethel college.

Mr Tongue will be the member of congress representing the First Congressional district after the 4th of

March next. Friends of protection in Western Oregon and of an open river from Eugene to the sea in the Willamette valley, are encouraged by this fact.—Salem Statesman. And we will gamble two to one that Tongue will not get a dollar for the Willamette river nor for coast harbor.—Col. Alley in Baker City Republican. As Mr. Tongue is a gold standard convert who was formerly a silverite, there is no reason why he will not stand as high and have as much influence as any other man who is an apostate unto goldbugger.

Minnie DeMoss Cochran died suddenly at Wheatland, Cal., on Tuesday of last week, and her remains were taken through Albany to Sherman county by her husband and brothers and sister. Her death was caused by blood poisoning from a carbuncle on the jaw. The remaining members of the family are disheartened, and it probably means the disbanding of the famous troupe that has played on two continents. The deceased had been married only about three months and was 27 years of age. Ten years ago a sister died while the troupe was in California. The DeMoss family has been traveling for 23 years. They attracted attention by their singing of "Oregon" at the world's fair.

Elks' memorial services. According to the custom of the order, the Benevolent Order of Patriotic Elks observed Sunday as memorial day throughout the United States. Salem Lodge fittingly observed the occasion in their hall in the State Insurance building. The hall was well filled with the members and friends of the order. The memorial sermon was delivered by Rev. W. C. Kantner, of the First Congregational church. It is spoken of as an appropriate effort. Short and impressive addresses appropriate to the occasion were also given by Judge F. A. Moore, Hon. Tilton Ford and Hon. P. H. D'Arcy. Mrs. Hallie Parish Hinges sang a selection and Prof. Emil Winkler executed a piano solo. These memorial services are conducted out of respect to the members of the craft who have departed this life during the past year, and Sunday's services were especially impressive.

A SECOND LECTURE.—The second in the series of the Willamette University lectures will be given Wednesday evening, December 16, by Prof. F. S. Dunn, at the University chapel. The subject will be "The Passing of the Etruscans." This will be the last lecture before the holidays, after which they will be resumed at weekly intervals. Prof. Dunn's lectures will alternate with a course by Prescient Hawley, whose subject will be "The Rise and Fall of the Slave Trade in the United States." The public is earnestly invited to attend these lectures.

WORK OF A SNEAK THIEF.—While the Newberg football team was at the fair grounds, some contemptible sneak thief entered the Y. M. C. A. dressing rooms and removed about \$5.75 in cash and four pocket knives from the clothing of the visiting football team. Chief Dille was informed of the theft and it is hoped the guilty party may be apprehended and that justice may be meted out to him.

NEW OFFICERS.—The Order of the Eastern Star elected annual officers last Tuesday evening as follows: Mrs. Josie La Fore, worthy matron; Miss Marcella Rizer, associate worthy matron; Miss Calista Moore, conductress; Mrs. Helen P. Gatch, associate conductress; Mrs. Ida Babcock, secretary; Mrs. Isabel Farrar, treasurer. Judge Geo. H. Burnett was duly elected as worthy patron.

WILLAMETTE

Wins Saturday's Game.

Pacific College Defeated With a Score of 14 to 0.

The return game of foot-ball between the Pacific College team, of Newberg and the Willamette University team of Salem, played at the state fair grounds Saturday, resulted more disastrously to the visiting team than did the Thanksgiving game. The game at Newberg on Thanksgiving day resulted 6 to 4 in Willamette's favor, but on Saturday our local team succeeded in making the remarkable score of 14 while the visiting team failed to score a point.

Rain in torrents commenced to fall about 2:30 o'clock and continued at irregular intermissions until 4:30. But this did not detract from the interest of the game which was witnessed by fully a hundred in spite of the heavy rain fall. Water to the depth of 12 and 18 inches was to be seen at many places on the field. A resume of the game will not be attempted. The affair was too much "one-sided" to prove interesting. Willamette won kick-off and gradually worked towards her goal and soon made a touch-down but failed to kick a goal.

The Newberg team was out played in every detail, nevertheless they played very pluckily until within ten minutes of the close of the last half, when they gave the game up and refused to play any longer. The visiting team accepted its defeat gracefully. They spoke in the highest terms of the treatment received from the Salem teams.

The changing in the positions of Salem players accounts for the grand victory while the performance of right guard Williams certainly added materially to the result of the game.

Willamette's half-backs, W. Evans and Legg, "played ball" with telling results. Legg, though he has been on the football field one year, has developed into an excellent player. W. Evans, with his experience of two years on the gridiron, always succeeded in getting the pigskin on a fumble by the contesting team. John Williams, who played on the University team in the inter-collegiate games of 1895, played right guard Saturday with great skill. Macey very acceptably played end man.
