SOCIAL.

Party For Stanford Students.

Fifty Salemites Join the A. O. U. W. Newport Excursion.

A FAREWELL PARTY.

Last evening at the home of John Morris, corner of Thirteenth and Marion streets about forty young people gathered—Miss Helen L. Matthews, R. A. Watson and W. A. Morris, a farewell party. This trio of Salem young people will leave during the present month for Palo Alto where they expect to attend Stanford University.

During the evening considerable amusement was afforded in a game of "Hidden Letters" for which two prizes were offered. A paper containing twelve short sentences was given each member of the party. The sentences were so constructed that the combination of a succession of letters formed the surname of some member of the party. Several minutes were devoted to the solution of the sentences at the expiration of which the papers were gathered and upon examination it was found that Sam Burcham had a correct list and was awarded the first prize—a beautiful blotter. Clarence Ferguson received the rather significant booby prize—a cabbage head.

Other games and social conversation, followed by refreshments brought a most pleasant evening to a happy conclusion and having bid the prospective Stanford students an affectionate farewell, the young folks dispersed.

Those present were: Mrs. Salmon Brown, Mrs. E. J. Chamberlain, Mr. and Mrs. Fred Lockley, Misses Nellie Brown, D. Gans, Rebah Gans, Lelo Nicklin, Gertrude Cleaver, Grace Cleaver, Helen Matthews, Metta Davis, Mary Burcham Pauline Burcham, Edith Winstanley, M. Lois Stewart, of Baker City; Emilie Henry, Neva Griswood, Ethel Higdson, Jessie Wain, Rebecca Neal, and Margaret Lockley; Messrs: W. A. Morris, R. A. Watson, E. B. Barker, J. T. Burcham, Sam Burcham, Walter Jenks, John Winstanley, Ed Brown, Clarence Ferguson, R. W. Williams, C. J. Atwood, J. W. Reynolds, Roy Ohmart, and Geo Gans.

Of the Salem young people who will attend Stanford University for the ensuing year, R. A. Watson will leave Sunday evening. Miss Helen Matthews will follow on Tuesday evening the 10th while W. A. Morris and Guy C. Miller, expect to leave about the 15th inst.

THE A. O. U. W. NEWPORT EXCURSION. Nearly fifty Salemites availed themselves of the splendid opportunity afforded by the local A. O. U. W. order to visit the seaside at the nominal expense and left for Newport on the 11 o'clock Roseburg mail this morning. The extremely low rate of \$2.50 per round trip was given, and the tickets sold rapidly. A special car was attached to the Roseburg mail this morning in which the excursionists were comfortably seated.

The party will reach Newport, Oregon's popular seaside resort this evening and will spend all day Sunday here for a day or two is to burnish up the old friendship. He is a resident of Fort Worth, Texas, where he is professor of operative survey and dean of the faculty of the medical department of the University of Texas. He is enroute to Spokane, where he goes for a visit with his brother, and for a month's outing in the mountains in the vicinity. Dr. Sanders is a genial and cultured gentleman.

County Judge Greer, of Clatsop county, issued an order restraining the Evening Budget from publishing "any false, scandalous, libelous or untrue matter, statements or misrepresentations about Y. Friedman or her business manage, S. Friedman." last night the paper published a sensational article, in which it was set forth that I. Cohen had crowded C. A. Haason, a local grocer to the wall in an illegal or grossly unfair manner, just what connections Mrs. Friedman has with the matter is mystery. The order was served on O. W. Dunbar, George Hibbert J. E. Gratie, doing business under the firm name Budget Publishing Company. No such partnership exists, as Hibbert is not a partner. The affair has created a great deal of interest.

MISS GIESY ENTERTAINS On Friday evening at her beautiful home No. 196 State street, corner of Church, Miss Gussie Giesy entertained a few friends in honor of Miss Hallie Shortelle, of Portland, who has been the guest of Mrs. H. D. Patton, the past two weeks. Cards and social conversation served to pass the evening very pleasantly. Those present were: Miss Hallie Shortelle, of Portland, Miss Gussie Giesy, Mrs. H. D. Patton and Miss Jessie Breyman; Messrs. Chester Murphy, A. C. Hopf, H. D. Patton and J. B. Giesy.

TO LEAVE FOR THE EAST. Monday a company numbering 18 will leave Salem for Portland, thence to Eastern points via the Northern Pacific. E. Weston and wife go to Kansas City, Mo., E. Keller and family, numbering 8, of Polk county, will leave for Heckla, Minn. L. H. Cowie will go to Canton, Ill., Mrs. Aitken and daughter will start for Waverly, N. Y. THE PEOPLE AND THE SCHOOLS.

They Want Another Grade But No Election.

Chairman Adam Ohmart, of the school board of this district, was seen this morning by a JOURNAL reporter, and upon being asked about school election and the matter of adding an extra grade, he expressed himself freely. He stated that a committee consisting of himself and Directors Bruce and Cherrington had been appointed to ascertain the sentiment of the patrons of the school concerning these two points.

Mr. Ohmart said that he had not been about much, but he had so far failed to find any demand for a special election. In regard to adding another grade to our schools he thought the people, so far as his section was concerned, would favor it. He thought the added expense would be very light, and that good results would be thus obtained for the pupils of the schools.

Mr. Bruce has also expressed himself in terms similar to Mr. Ohmart. He thinks there is no occasion for an election now, as the year's work is practically done. He favors adding an extra year's work to the present course, as the demand for it seems to be general.

Mr. Cherrington, the other member of the committee, was next seen. He disclaims any knowledge of such committee, but is outspoken against adding another grade to our schools. He said he would probably favor a high school if it could be had without being in a crippled condition. As a high school would be an impracticable affair without first having the intermediate or grammar grade which is now asked for, he would probably favor the latter, but did not so express himself.

It is reported that mandamus proceedings will be brought by interested parties to compel the board to call a special election, but no public action has as yet been taken in the matter.

PROCEEDINGS

Of Marion County Court. New Suits Are Instituted—Other News Notes.

The county court adjourned this morning, after holding a short session to close up the term.

In the case of the Dorman road the remonstrance was over-ruled, and the petition granted. The following named appraisers for damages were appointed: John Girardin, W. M. Hilleary and N. W. Silvers.

As the court adjourned the records were completely written up and signed. All warrants were drawn and ready for claimants.

This is the first term when all bills presented were signed by two or more members of the court, and each bill was signed by the entire court.

County Assessor Hobart has settled with his deputies, turning over to them the respective amounts allowed by the court, and taking their receipts for the same "on account." This may be final as far as the deputies are concerned, but may not be so in the case of the Assessor.

At the session of the county court, Friday afternoon, final action was taken regarding the alleged indebtedness of County Clerk L. V. Ehlen and Conty Recorder F. W. Waters to the county as set forth in the \$1,600 expert's report. Attorney Wm. Kaiser appeared for Mr. Ehlen and Attorney J. H. McNary represented Mr. Waters. A satisfactory explanation of the alleged indebtedness was made, whereupon the court decided to make no further demands on Messrs. Ehlen and Waters. In their remarks the respective counsel for these officials showed that there was no intentional misappropriation of the funds and that the amounts reported by the experts were only arrived at through a misunderstanding of the manner in which the fees were recorded.

The cost bills in the criminal cases against M. Kress, Charles Francis, Wm. Ferris, G. Wheeler, R. McCormick, W. Fisher, J. W. Smith, H. Winslow, E. Nordyke, B. M. Hooper, Henry Lewis, F. Baker, Lewis McKinney, Wade Herrick, H. J. Bigger, John Young, and George Roff were allowed. Those against T. J. Sullivan, L. F. Gardener and Wm. Maman were not allowed, while that against Carl Flubacher was allowed in part.

NEW SUITS.

Krause Bros. have instituted an action for money against J. H. McCormick for \$81.10 and interest at 8 per cent from January 1896. The claim is alleged to be a balance due for goods purchased by defendant of plaintiff.

Gilbert Bros. have instituted a foreclosure against Patrick Lillis and H. F. Jory, demanding judgment for \$332.33 and interest from April 20, 1897, and \$75 attorney's fees, alleged to be due on a note executed March 18, 1896. The amount was secured by a mortgage on 27.06 acres of land south of Salem and the plaintiff asks that this be foreclosed.

BOUNTY WARRANTS.

County Clerk L. V. Ehlen today issued bounty warrants as follows: J. N. Robertson, \$1.10; C. E. Richard, \$2.70; Prosper Birdeno, \$3.55; F. L. Teter, \$1.15.

What use is there in eating when food does you no good—in fact, when it does you more harm than good, for such is the case if it is not digested? If you have a loathing for food there is no use of forcing it down, for it will not be digested. You must restore the digestive organs to their natural strength and cause the food to be digested, when an appetite will come, and with it a relish for food.

The tired, languid feeling will give place to vigor and energy; then you will put flesh on your bones and become strong. The Shaker Digestive Cordial as made by the Mount Lebanon Shakers contains food already digested and its action of foods as well. Its action is prompt and its effects permanent. Doctors prescribe Laxol because it has all the virtues of Castor Oil and is palatable.
