Gold In Abundance,

ly Associated Press to the Journal. NEW YORK, March 18 .- A special o the Herald from Washington says There is more gold in the possession of the treasury and of the banks now than at any previous time for many

The total gold held by the treasury three years ago was \$127,000.000. The total today is more than \$241,000,000. The total gold held by the national banks on May 7, 1896, was \$157,771,800. These banks held on the date of the last call, February 4, 1899, \$321,915,795. This shows an increase of \$114,000,000 in the gold held by the treasury, and \$164,000,000 in that held by the national hanks.
