RETURNING.

Frank Girard is Not Refused a Furlough. MOSCOW, Or., July 20.—Private Frank Girard, of the Oregon volunteers who left his company at San Francisco a few days ago without permission is now at the bedside of his dying mother, at their home near here.

He says the statement made that he was refused a furlough is not exactly correct, but that he was given no assurance from the officers that it could be granted on the day asked for, though he showed a telegram from home stating the condition of his mother. He very frankly admits violating the technical rules of military discipline, and does not criticize the regiment's officers in the matter, but was led to the hasty act by his earnest desire to see his mother. His people are highly respected, his father being proprietor of the Luckinette flouring mills, and the young man is universally regarded as worthy of the sympathy shown in his behalf.

A petition was sent to Governor Geer asking his influence to secure his honorable discharge without punishment. Frank Girard, the volunteer who left his company at San Francisco to visit his sick mother, was in Salem. He presented to Governor Geer a petition signed by many prominent citizens of Marion and Polk counties, among them Dr. Parrish, who is attending Mrs. Girard, asking the governor to intercede in Girard's behalf in order that he may not be summarily dealt with. Girard left for San Francisco today.

Pow-wow in Illinois.

National Committee Men Will Be Present.

Bryan Acting as Peacemaker--Other Political News.

By Associated Press to the Journal. CHICAGO, July 20.—P. J. Devlin was the storm center of the Democratic gathering this morning and the fight over his retention or dismissal was very bitter.

Shortly before noon the Altgeld-people made a decided change of base, when it was announced that Altgeld did not propose to stand or fall by Devlin or by what was done with him.

The Altgeld people won an unqualified victory so far as the attendance at the meeting tonight was concerned. Bryan will certainly speak and practically every member of the national committee will be there to hear him.

Bryan has made a proposition to the warring factions the meeting tonight is to be placed under the control of the national committee. This would relieve him from the dilemma of taking sides in the Illinois row.

It is now certain that unless the bimetallics secure the recognition they demand from the national committee at this afternoon's meetings, they will form a new national committee.

CHICAGO, July 20.—Democratic national committee removed press representative Devlin. No other important business transacted.

CHICAGO, July 20.—National bimetallic committee met today and elected John W. Tomlinson, Alabama, to succeed late Senator Harris. No other business of importance transacted.
