VOLUNTEERS COMING

Soldier Boys on Their Triumphant Way Home.

BOYS GOT A GREAT OVATION IN SAN FRANCISCO.

Salem Is Prepared for the Boys, and After a Short Parade Will Give Them a Big Dinner.

SAN FRANCISCO, Aug. 9.—The Oregon fighters are gone. The afternoon they marched through the streets to the depot, cheered by thousands along the line. It was a splendid ovation and a memorable farewell to the men who first stood by Old Glory in Luzon.

About 750 men left on the three special trains, the first leaving Oakland pier at 3:30 o'clock, the second in 15 minutes later, and the third at 4 o'clock. They will keep that distance, if possible, all the journey. On the first section were General Summers, his staff, and the first battalion. The second battalion left on the next train under the command of Major Willis, and the third occupied the rear section commanded by Major Eastwick. The regimental flag floated proudly from the general's car, and the trains pulled out for the north while thousands bid the boys Godspeed.

Shortly after 3:30 p. m. the crowd of soldiers and friends arrived at the Oakland pier. A great crowd of San Francisco people was about the depot to bid the boys farewell. Many of the soldiers from the First Nebraska, Tenth Pennsylvania and Utah light battery were over on the ferry. Shouts for Oregon came from all sides.

Ten members of the regiment will remain for a time in the military hospital at the Presidio for treatment. They are mustered out of the service, but are permitted to remain for a time free of charge in order that they may receive treatment. Their names are: C. B. Hotchkiss, Co. G; W. E. Lee, Co. L; A. Ringstrom, band; Thomas Smiley, Co. L; F. H. Thomas, Co. A; W. O. Tycar, Co. I; A. C. Welch, Co. F; William Lukenbeal, Co. M; and Sergeant A. Lee Morelock and brother, Co. D. Thomas was the only one remaining as a result of wounds.

ROSEBURG, Aug. 9.—The Emergency Corps and its people of Roseburg are making preparations to welcome the volunteers and Governor Geer's party tomorrow night. Everything possible will be done to make things pleasant for the boys.

ASHLAND, Ore., Aug. 9.—The first section of the train carrying the Oregon volunteers home crossed the state line and Siskiyou mountains this morning and pulled into Ashland amidst tooting of whistles, firing of cannon, music by the bands and the acclaim of thousands of enthusiastic people who had gathered from all parts of Jackson county to extend the first welcome to the heroes from the Philippines. Governor Geer, and staff, Hon. Binger Hermann, and other prominent citizens went to Coles, just at the state line where they awaited the arrival of the volunteers' train. The arrangements for the entertainment of the regiment are now being carried out. Two other sections are expected soon with the remainder of the volunteers.

THE WEATHER.

The forecast for tonight and Thursday fair.

Old Webfoot has been exerting herself to give the returning volunteers a regular Oregon mist reception with light showers Wednesday morning.

AT SALEM.

The number of soldiers expected to arrive tomorrow morning and to be entertained by Salem admirers has been somewhat reduced by those who passed home this morning, but the remainder of the regiment will find the Capital City ready, willing and prepared to give them a royal welcome.

From information at hand, there will be an immense crowd of people from the surrounding country to pay their respects to the volunteers, and there will be ample provisions for entertaining them in sumptuous style at the state house. The housewives of Salem and vicinity are sending in donations with customary generosity, and the committees in charge are getting the preliminary arrangements all completed without a hitch.

In response to the request of the mayor of the city and the general committee, the business houses will probably be closed from 11 a. m. to 1 o'clock p. m., and there will be a general decoration of private and public buildings, giving the city a patriotic and holiday air.

The tables for luncheon are already made and this evening they will be artistically arranged in the Capitol basement, giving ample accommodations for the honored guests and plenty of room for easy movement of waiters. The committee on the decorations of tables and corridors are at work today and the result will be a bower of beauty and happy inspiration.

The program of exercises as now arranged is as follows: The train bearing the soldiers will be met at the S. P. passenger depot by the committees and citizens, accompanied by the Salem band. They will be marched down State street to Commercial, thence to Court street and up to the west steps of the capitol, where they will be addressed by Governor Geer and Mayor Bishop, after which they will file into the basement, surround the tables and proceed to enjoy the festive hospitality, after which the usual social pleasantie will ensue and those who go north from here will take their departure. Should there be objection on the part of visiting soldiers to marching down to Commercial street, that part of the program may be abandoned.

THE SOCIAL HONORS

Of the occasion will be conferred with distinguished completeness, as can be seen by the following list of Salem's leading ladies, who have charge of the tables: Mrs. F. A. Moore, chairman; Mrs. F. K. Anson, Mrs. D. A. Paine, Mrs. G. H. Burnett, Mrs. Ida Babcock, Mrs. J. O. Borchert, Mrs. E. A. Pierce, Mrs. J. L. Patterson, Mrs. Wm. Brown, Mrs. E. M. Lafore, Mrs. R. J. Hendricks, Mrs. J. P. Steusloff, Mrs. H. B. Thielson, Mrs. E. E. Jessup, Mrs. T. O. Smith, Sr., Mrs. Ogle, Mrs. J. E. Ross, Mrs. Fleming, and Mrs. Savage.

The foregoing mesdames are to be assisted by a battalion of volunteer young ladies and the following have cheerfully "enlisted" for the cause, thus guaranteeing the requisite grace, elegance and beauty which will leave no desirable adjunct unprovided:

SOLDIER'S HOME.

Notes On the Arrival of Fortrunners From the Philippines.

Parts of two Eastern Oregon companies passed through Salem this morning on the regular overland train. They numbered about 150 and their coming was a surprise. Only a few people were out to meet them.

There arrived this morning, Phil Mulkey, of Monmouth, a brother of State Senator Mulkey; W. A. Swartz, a nephew of Dick Swartz; Will Batchelor, a son of Judge Batchelor, and Henry and John Janzen, sons of David Janzen, all of Salem.

Salem contained one thoroughly happy family this morning when the two

Janzen boys, heroes of the Philippines returned home, the parents and older members of the family met them at the depot. That the greetings were hearty and sincere, goes without the say. As the party neared home, the young sisters and brothers came running with outstretched arms to receive them. It was touching indeed to see these soldier boys take up each little one and give them an extra embrace and a kiss. It was very plain to be seen that after all "there is no place like home."

Mrs. G. P. Terrell and family will drive down from Mehama tonight to help welcome the regiment at Salem, and especially to receive her son Lieut. Ralph Terrell.

THE VOLUNTEER RECEPTION EDITION.

The Journal goes tonight in a large special edition to be served to the Second Oregon with their breakfast at Eugene.

The work on this special edition, in the absence of the editor at the Mehama encampment has been under the direction of Percy Levar, assisted by Frank Davey, M. M. Glenn and Walter Perkins of the Washington volunteers.

It has been got out on but a few hours notice and our readers will kindly overlook any defects in this effort to show a little newspaper's enterprise in the recognition of a most happy and patriotic event.

Bartender Murdered.

WALLACE, Id., Aug. 9.—Chas. Bohnerberger, a private of troop H, Sixth cavalry, shot and killed Jos. McBride, a bartender in a dance hall this morning. Bohnerberger had knocked a dance hall girl down when McBride interfered. Bohnerberger fired five shots, one grazing McBride's temple, the other four striking his breast.

Ball Game Postponed.

The "Rubber" between the Redmen and Foresters was to have been played off this afternoon, but has been postponed till further notice, two men of the Foresters' team being laid up. Hodgkins, catcher, is still nursing a sore finger, the result of a "tip" in the last game. The other, Hamilton, short stop, is ill.

Train Late.

The Roseburg local was nearly an hour late going south this morning, the delay being occasioned principally by the stops necessary between here and Portland, to let the two sections of the train leaving the Oregon volunteers to go by.

BIG FIGHT

McArthur Routs the Filipinos.

Ten Thousand Men Were Engaged.

Steamer Saturnus Sacked and Destroyed.

By Associated Press to the Journal.

WASHINGTON, Aug. 9.—Otis confirms the report of a battle at San Fernando in the following: "Manila—McArthur with four thousand men attacked the insurgent army six thousand strong concentrated around San Fernando. This morning at 10 o'clock a. m. he had driven it five miles in the direction of Angeles. The casualties are few."

The railway from Angeles north is badly washed by the floods, beyond the ability of the insurgents to repair."

MANILA, Aug. 9.—The American loss in the battle at San Fernando in killed and wounded was 20.

MANILA, Aug. 9.—The steamer Saturnus, coasting under the American flag, was discovered August 2 by the United States gunboat Pampanga beached at San Fernando under the insurgent trenches. The steamer was boarded and the crew and passengers taken off. The cargo of general merchandise and \$100,000 in specie has been sacked. The Pampanga left in search of further assistance whereupon the insurgents returned and set fire to the vessel. The gunboat Yorktown arrived here yesterday after bombarding San Fernando.

Washington, Aug. 9.—The order of General Otis establishing courts in the Philippines have been received by the war department. June 5, an order was issued in which the courts of first instance in the province of Manila and the courts of peace in the city of Manila were re-established as they were prior to August 13, 1898 "in so far as compatible with the supremacy of the United States in the Philippine islands and the exercise of military government therein."

The province is divided into districts and the judges, district attorneys and justices of the peace are named. All of those named have Spanish names. The secretaries of the courts are directed to report to Lieutenant-Colonel E. W. H. Crowder, judge-advocate of the Philippines.

An order dated June 26, directed the consolidation of the offices of copyrights, patents and trade marks, administered as separate bureaus heretofore, and Captain George P. Ahern, Ninth infantry, is placed in charge.

SAN FRANCISCO, Aug. 9.—A special from Victoria, B. C., states that Commander St. John, of the British warship Peacock, severely criticized the management of the Philippine campaign by Gen. Otis. He is quoted as saying that "Gen. Otis is a silly old man without knowledge of the necessities of responsibility of his position, and without ability to improve it. It is a painful thing to see the sacrifice of the American soldiery to his gross incompetency."

DOMINICAN REVOLUTION.

Government Forces Desert to the Revolutionists.

CAPE HAITIEN, Hayti, Aug. 9.—General Lyriano, who was sent from Monte Cristo by the Dominican government to attack General Pacheco at Dajabon, the headquarters of the Revolutionists was abandoned when in front of the enemy by his troops, who without firing a shot deserted and entered the camp of Pacheco. The revolutionists are the masters of the forts across the river from Yaque, thus cutting off communication between Monte Cristo and the Interior. The force of Jimenez, the leader of the revolution is being augmented and news from every part of the Dominican republic is favorable to him.

SOUTH AFRICAN MUDDLE

England Talks Peace and Prepares for War.

LONDON, Aug. 9.—Replying to questions in the course of the remarks, the secretary of state for the colonies said that no official confirmation had been received of the report that the Transvaal had declined to agree to a joint inquiry into the effect which franchise reforms will have on the Uthlanders. Several regiments, needed will be dispatched to South Africa to aid in defence of Natal, in response to the request of the Natal government and preparations are being made for all contingencies.

SLOW RECRUITING.

Plummer Thinks Returning Volunteers Will Re-enlist.

WASHINGTON, Aug. 9.—In reply to a suggestion that slow progress is being made in recruiting the 35th regiment at Vancouver Barracks, Colonel Plummer telegraphed that recruits are coming in much faster since the regimental recruiting officers have been out. The material already enlisted is exceptionally good. About 500 men of the Second Oregon volunteers will arrive in Portland soon and he believes many of these men will re-enlist.

Paid His Fine.

John Doe, the well known Salem saloon-keeper was arrested and yanked up before Recorder Judah on a charge of keeping his place of business open on Sun day. He was fined \$10, which he dug up, and went about his business.

A Handsome Badge.

The souvenir badge of the Second Regiment U. S. Volunteers is quite handsome and appropriate for the present time. Everybody should secure one, for the dates thereon are reliable, making it a valuable keepsake. We acknowledge the receipt of a couple of their beautiful souvenirs from Henry Pape, who did the work.

Another Car Wrecked.

CLEVELAND, Aug. 9.—A street car was wrecked this morning at Wade Park. Nobody injured.

I wandered to the village Tom
And sat down in the shade
In Elias' & Zinn's refreshment stand
And drank some lemonade.

The peanuts that they have there Tom
The truth, you ought to know
For a nickel you get two sacks
You could not years ago.
