Salt Lake City--An Important Factor in Transcontinental Travel. No one crossing the continent can afford to cut Salt Lake City from his route. The attractions of the place, including the Mormon Temple, Tabernacle and Church institutions, the Great Salt Lake--leader and denser than the Dead Sea in the Holy Land--the picturesque environment and the Warm Sulphur and Hot Springs, are greater to the square yard than any locality on the American continent.

The Rio Grande Western Railway, connecting on the East with the Denver & Rio Grande and Colorado Midland Railways and on the West with the Southern Pacific (Central Route) and Oregon Short Line, is the only transcontinental line passing directly through Salt Lake City. The route through Salt Lake City is famous all the year round. On account of the equable climate of Utah and Colorado it is just as popular in winter as in summer. Send 2c to J. D. Mansfield, 255 Washington St., Portland, or Geo. W. Heinz, Acting General Passenger Agent, Salt Lake City, for a copy of "Salt Lake City--the City of the Saints."

A LIFE SAVED. Dr. J. F. Cook, the Notorious Specialist, Succeeded Where Others Failed. This is to certify that Bertha E. Cooney, of Mt. Angel, Oregon, has suffered from a dangerous growth in the left ear for about three years. Cook, of Salem, Oregon, the Notorious Specialist, the growth steadily disappeared, and at this date, four months since treatment was begun, the growth has not reappeared, and the ear has entirely healed, leaving only the scars marked by the three operations. I hereby certify that the above statement is absolutely true, and that Bertha E. Cooney, the person mentioned in the affidavit, has been cured by the treatment of Dr. J. F. Cook, Notorious Specialist, of Salem, Oregon.
