#### DIRECT NOMINATION.

ple to Express a Direct Choice.

alance due on a \$1500 note given in A Little Work, "The School of Politics," Given to All Mail Subscribers as a Premium.

THE JOURNAL is an advocate of direct omination of all party candidates. It believes that the delegate conventions lated December 19, 1893 for \$793, on as they are conducted breed chicanery and corruption, and too often the candi dates are bound hand and foot to some owerful faction before they are elected

THE JOURNAL is offering mail subscribers as a premium a little book, which is an exposure of the present nominating system, from the primaries to the ounty, state and national conventions

It was written in 1895 and was published early in 1896, before the presidential election. It was written before the national conventions were held. The developments of the last three years have proven the truth of all

It will be seen that the predictions made have been and are being verified. Under an absolute monarchy there is always the chance that a good monarch may occasionally come to the throne and during his lifetime, give the people system and machine rule we are sure of

A change of parties is only a change of bosses. The Democratic organization in Jason Wheeler, New York City, known as Tammany, is the personification of the spirit of spoils politics; and Tammany is seeking to control the national Democratic organization. No matter what our private Atlen's Foot-Ease, a powder. It cures opinion of the Chicago platform may be, painful, smarting, nervous feet and we know that we can never expect peringrowing nails, and instantly takes manent reform in government at the the sting out of corns and hunious hands of selfish besses, nor until the hands of selfish bosses, nor until the

election of the candidates.

The people must exercise the powe tion. Price 25c. and 50c. edds now wielded by the bosses. The few managers of parties who exercise that power for partisan purposes thereby become bostes. Therefore the power of making party nominations should be diffused among all the people, and not you can save money by going on the be allowed to become concentrated in Northern Pacific railroad. The best diffused among all the people, and not

This little book is intended, not as a solction of the problem, but as an earnest study of the subject, pointing out some of the evils of the present system, and indicating the direction in which reform must proceed.

ENDORSING GOOD OFFICIALS. How are county officials or the mem pers of the last legislature to be rewarded for faithful service and good records if the people have no direct voice in their nomination? A county ficial, who serves conscientiously, heaps no burdens on the people, makes a model public servant, cannot be removed as a candidate unless he suits the bosses who make the slates. Is this right? Is it democratic? The remedy is in the hands of the people under the proposed plan of Direct is now condemned, Mr. Locky proceeds:

"Assessination on modern warfare, including a statement of what is and the statement of what is and what is not permitted by the rules and the arrival in the Gulf City just in time to connect with the fast trains for the undersigned, for folders and the devastation of private property in now condemned, Mr. Locky proceeds:

"Assessination and the service is up to its well-known high standard. It is worthy of remark that the distance of 3000 miles from Agt Worcester. Hidg.

"Assessination and the service is up to its well-known high standard. It is worthy of remark that the distance of 3000 miles from Agt Worcester. Hidg.

remedy is in the hands of the people under the proposed plan of Direct Nomination.

Nomination and election are two steps of one political function—dilling the public effices. Nomination as now practiced by parties is a highly centralized, artocratic power; is a system that leads to corruption, extravagance, high taxes and oppression of the people. Election is democratic momination must be equally democratic, or our system of filling the public offices will continue to be more of roless. A commination the people need not wait for the eastment of an an enemy a control of contact the people of any precinct, city, county, district, or state. All that is needed is for an individual or a committee to take a ballot for a certain office. The people will approximate this ideal more nearly than any delegate convention managed by collicial bosses.

Will you not beig inangerate first manifestation of private property is now condemned, Mr. Lecky proceeds: "Assassination and the encourage and the devastation of private property is an owe condemned, Mr. Lecky proceeds: "Assassination and the encourage service is up to its well-known high standard. It is worthy of remark that the distance of 9500 miles from San Francisco to New York, is traversed by the red creas, the stanglet of the wounded, the intringement of terms of street was a service and property in the wounded, the intringement of terms of street and the wounded, the intringement of terms of street and the supply of books the European for the European for the European for the European for the property of contagons to a service and the probabilities of war is confined to disabiling the population of a committee to take a ballot for a certain office. The people will approximate this ideal more nearly than any delegate convention managed by collected to the supply of water or the supply by missing with the property of the supply of water or the supply of the supply of water or th

Will you not help inaccurate intect Nomination in Oregon? Backed by an independent press, with Direct Nomi-nation of candidates, the people will have the government in their own hands, and need not beg for piece-meal reforms and accidental good con-duct at the hands of their public ser-

meal reforms and accidental good conduct at the hands of their public servants.

INDIAN WAR VETERANS

Take Action as a Matter of Self-Defence to Sucure Recognition. To the officers and members of the

luited States Senste and House of Repesentation in Congress assembled: Gentlemen:-Your attention is spectfully called to the following action authorized by Camp No. 17, Indian War Veterans of Albany, Oregon:

Whereas, the pioneers of Oregon rere compelled by the hostility of 60 lbs, 7½@8½; sheep pelts, 15@20c. Onions—1 to 1½c. engage in war against them at various times between the years 1846 and 1857 in order not only to defend themselves and their families and protect their property, but also to punish ruthless vages for murders committed, and Whereas, the government of the Inited States of America is justly paying pensions to the Veterans of the late Civil War, for services rendered, or

Indian Wars, and Whereas, the said government has granted pensions to the Mexican War Veterans, and is granting pensions to ome who fought in the war with Spain, \$3 40

disabilities incurred long after the said

Whereas, one argument used against granting pensions to the Indian War Veterans of the North Pacific Coast, has been that they were not mustered into the service of the United States, and

Whereas, the justness of their claim has been already recognized by the Honorable Senate of the United States in orable Senate of the United States in that it has twice passed a bill granting pensions to said Veterans, and for and colds. "Writes H. N. Williams." which we are profoundly thankful.

Therefore, be it known that the Insults. Cures croup, pneumonia, dian War Veterans of the North Pacific chitis and lung troubles. Its coast demand that the Congress of the Use prevents consumption. Stones United States shall speedily take such action as shall secure to all those who served in war against the Indians on the Pacific Coast between the years 1846 and 1857, such pensions as are allowed to the Veterans of the Mexican War.
