

Will Play Game Here

It has been decided that the Roseburg baseball team will play its postponed game with Eugene on next Saturday afternoon, on the Eugene diamond, and the last game with the Salem Haglans on Sunday afternoon at C. A. A. Park, in this city. Should Roseburg win both of these games that team would tie Salem for the pennant, and another game would have to be played to decide the tie. It is not thought likely, however, that Roseburg can win both of these games. Albany has decided not to play the postponed game with Eugene. This gives the latter team 12 games to its credit, and should Eugene win from Roseburg, those two teams will tie for second place.

Arrested for Assault.

Mathias and James V. Springer were last night arrested, at their home, seven miles north of Salem, and brought to this city at 11 o'clock last night on warrants charging them with assault and battery. The warrants were issued at the instance of Jos. La Polette, who is a neighbor of the Springers.

The Springers, father and son, had rented a piece of farming land from LaPolette, and in cutting the hay crop, did not complete the work, leaving a portion of the hay uncut. It seems that LaPolette, in order to save his portion of the crop, engaged a number of men to go in and cut the hay, and when he appeared on the scene to direct the work, he alleges, the Springers assaulted him, and a little later the younger of his assailants ran to the house secured a gun, and ordered LaPolette off the place, threatening to shoot him unless he complied with the order. The enraged man was disarmed by the bystanders, and Mr. La Polette at once came to Salem and caused the warrants to be issued.

When the two men were brought in last night they were promptly arraigned before Justice Horgan, pleaded not guilty, and their trial was set for 1:30 o'clock this afternoon.

At 1:30 o'clock this afternoon the case was called for trial, and a jury being asked for by the defendants, a recess was taken to 3 o'clock this afternoon, to enable the constable to secure jurors. W. M. Kaiser appears for the defendants, and C. L. McNary, deputy district attorney, prosecutes the case. The two men will be tried jointly.

Impaired Digestion

May not be all that is meant by dyspepsia now, but it will be if neglected. The weakness after eating, fits of nervous headache, sourness of the stomach, and disagreeable belching may not be very bad now, but they will be if the stomach is suffered to grow weaker. Dyspepsia is such a miserable disease that its tendency to it should be given every attention. This is completely overcome by

Hood's Sarsaparilla which strengthens the whole digestive system.

He Must Have the Journal

The Journal this morning received the following letter, mailed at Gervais: "On Monday, the 21st, inst., I subscribed for The Journal, to be sent to J. C. Savage, at this place; but three copies have arrived to date. Just imagine a home, savage or civilized, doing without the Salem Journal in the heat of summer, with dog days near at hand, too! Why it is as dull and insipid as a national Republican campaign would be without Marcus Aurelius to fry out fat. Hoping the Journal X-Ray and all will reach us soon, I am respectfully,
H. H. SAVAGE."

Was ever there so mild-mannered and gentle a Savage? Instead of using a tomahawk and scalping knife, he prods the editorial conscience with the shafts of language, and taps the fountain of circulation with the point of a witty Faber. Considering the fact that he didn't get The Journal, it is further evidence of his misnomer that there wasn't a series of homicides from the Gervais postmaster to The Journal devil in the effort to arrange the wrong. Thanks, soft-spoken Gervaisian. The Journal shall come down your way, to illuminate your pathway, instill its words of wisdom; a balm for the ills of day, and a sugar to sweeten the visions of night.

Mrs. Wright's Death.

Mrs. Lucy Wright, one of Linn county's pioneers, died at her home near Sheild last Sunday evening, at the age of 75 years. She crossed the plains with her husband in early days and settled near Sheild, where she has lived almost continuously ever since. Her husband died several years ago, and for a few years Mrs. Wright lived near Albany, but later returned to the old home. Albany Herald.

Bridge Across the Santiam

Work has been commenced on the new bridge to be constructed across the South Santiam river, 10 miles northeast of Albany, formerly the longest bridge in Linn county, which was completely destroyed by the floods in the Santiam last winter. The new bridge will be built 100 yards below the old site. By this new location a considerable distance in the length of the bridge will be saved, as the old bridge was 524 feet long, and the new one will be only 514 feet in length. The construction contract was let by the county court some time ago to J. B. Tillotson, of Albany, for \$17,982. During the past week considerable of the building material was collected at the site of the bridge, and the active construction work began Monday. The body of the bridge will stand on cylindrical steel piers filled with concrete, and the approaches will be placed on piling. The new location is regarded as a good one, and the new bridge will be a very strong one to resist the usually severe floods in the Santiam river. Albany Herald.

May Borrow State Money

Attorney-General Crawford has prepared directions to be followed by school districts that are desirous of securing loans on district bonds from the state school land office. The board has printed a neat little pamphlet containing the directions, forms and requirements, and these pamphlets are to be had for the asking by any school officers. This was done for the purpose of avoiding errors on the part of district officers in the issuance of the bonds, so that vexatious delays may be avoided in the transaction of business of this kind. State Superintendent Ackerman yesterday mailed a copy of these instructions to each county superintendent of schools, with instructions to notify any school board in his county desirous of making a loan, that a similar booklet could be procured from the state land office for their guidance. Under a new law school boards desiring to borrow money for the district are compelled to offer their bonds to the state land office before placing them elsewhere, and only after the state land office declines to take up their bonds can they be placed in other hands.

Has Pardoned Charles Rose

Governor Chamberlain last evening granted a full pardon to Charles Rose, who was discharged from the penitentiary on June 6th, last. Rose is a resident of Wendling, Lane county, where he bears an excellent reputation. He came to the penitentiary from Benton county on December 2, 1901, for a 2 years' term, having been convicted of larceny. He served his term, a portion of the time as a trusty, and his prison record is excellent. The pardon was granted for the purpose of restoring Rose to citizenship, and it was based on his previous good character, his excellent prison record, his good behavior since leaving prison, and the recommendation of officers and other prominent men, who were desirous of seeing him restored to good standing among his fellows, and of giving him every encouragement to become a good and useful citizen.

To Improve the Grounds

The Salem postoffice grounds are to be improved at once, and orders have been received to call for bids for filling in the grounds and making other necessary improvements contemplated in the plans submitted by Master C. F. Cramer to the department before he left here.

The proposed improvements include the filling in of the entire block to the grade of the cement walks, and the lawn is then to be sown in grass, and ornamental trees will be planted. Concrete walks will be built to surround the entire block, and cement curbing will be constructed on all four of the streets, the space between the curb and the walk to be also sown in grass. A wide drive will be arranged on the west side of the building, following the curves of the present cement walk to the front entrance of the building. It is intended that these improvements be made this year.

Talked Too Much.

Fanny Davenport, a woman of the town, was last evening arrested on the charge of disorderly conduct. The specific charge is that she used violent and abusive language on the streets, directed at the police officers. The woman was released on paying up \$25 cash bail, to appear for trial at 3 o'clock tomorrow afternoon. The woman will fight the case, and has engaged counsel to represent her.

A NATURAL RESULT.

It is very reasonable to suppose if the foundation of a structure was removed that the building itself is bound to come down. This same principle can be applied to disease. Take a medicine into the system that will remove the cause of sickness, and the illness leaves of itself. Dyspepsia, indigestion, sick-headache and biliousness have their foundation in stomach disorders. Remove this weakness and the other symptoms are no more. There is one cure for all this that all druggists sell for 25c per box. It is called Dr. Gunn's Improved Liver Pills. They get right at the beginning of these diseases and make the cure by taking away the cause of it. We will send a small box free by mail, or a large box on receipt of 75c. Address Dr. Busch's Co., Philadelphia, Pa. For sale at... Stone's Drug Stores, 4

Neighborhood News.

Eugene is to have a business college. Albany has disbanded its baseball club, which gives the protested game to Eugene. Eugene is to have Sunday excursions to Yaquina. Merle Troutman, only son of Mr. and Mrs. J. F. Troutman, died at Albany Monday.

The New Joke.

Birmingham Ledger. The new joke in the postoffice department is that 'too many non-workers took Payne's salary compound.

Band Concert.

There will be a band concert at Marion square at the usual hour tonight.

If you want a nice fresh cake just try Strong's restaurant, all kinds. We also give you the best meals that are to be had in the city.

White. The modern innovation of white cracker, white biscuit and white horses no doubt has come to stay, especially in the case of the obsequies of people below middle age. Enterprise, foresight and business tact has brought our Capital City up to date in this respect. Kind treatment and best of services guaranteed.

W. T. RIGDON, 142 Court Street.

JUST ABOUT BEDTIME take a Little Early Biscuit—it will cure constipation, biliousness and liver troubles. DeWitt's Little Early Biscuits are different from other pills. They do not gripe and break down the mucous membranes of the stomach, liver and bowels, but cure by gently arousing the secretions and giving strength to these organs. Sold by E. G. Haas, 56 State street.

Use Trib for tobacco.

There is a great tendency on the part of "great" doctors (?) to scoff at whatever the people can understand. That is why Osteopathy is being scoffed at. It is so simple, and yet so complex and delicate that only the genuine Osteopath can handle it with safety.

Drs. Schoettig, Barr & Barr, Osteopaths, Grand Opera House, Salem, Ore.

THE FOUNDATION OF HEALTH. Nourishment is the foundation of health—strength. Kodol Dyspepsia Cure is the one great medicine that enables the stomach and digestive organs to digest, assimilate and transform all food into the kind of blood that nourishes the nerves and feeds the tissues. Kodol turns the fountain of health. Nature does the rest. For Biliousness, Dyspepsia, and all ailments of the stomach and digestive organs, are cured by the use of Kodol. Sold by E. G. Haas, 56 State street.
