Plan Hot Fight on Johnson

Columbus, O., Aug. 21.—The Ohio Republicans are planning to open their campaign about three weeks hence. The occasion will mark an epoch in the political history of the Buckeye state.

Disc Plows For Early Plowing

There's only one sort of plow for early fall plowing. That's a Disc. There's only one Disc plow that has proven itself for two years of hard service in our hill and prairie land.

That's the Benicia Handcock. We have the only plow that will work the hills successfully, for it is equipped with our patented rear wheel controller, which enables you to hold the plow up to the place, going or coming on the hill side.

Get a Benicia and have your plowing done by Doc. Reversible discs, too, a most satisfactory and serviceable article for hill side work. Drop us a line if you're interested, we can do you good.

Studebaker Hacks

The big crops and the good prices will get many a hack for the farmers this fall. Our 1 1/2 Village Wagon is a popular medium weight farm hack and our 1 1/2 inch half platform spring is a world beater.

Studebaker Wagons

Are the kind with black birch hubs that won't check, with slope spokes, with extra long steel axles, with turned axles, with coach stiffeners, with extra size, spokes, hubs, felloes, reaches and all such. Look for quality first and you'll ask for a Studebaker every time.

Sharples Tubular Cream Separators

Save all the cream and are so much easier to clean and care for than others that the women folks all want them. You will know more about them if you drop us a line for a catalog. Do so at once.

Gasoline Engines For Farm Use

Our "Jack of all Trades" two horse engine is in active use in twelve or fifteen places in and near Salem. There has never one come back from any cause whatsoever, and not one is failing to please the user.

Birdsell Clover Hullers.....

Save all the seed and do it easily. If a thresherman wants to hull your clover insist on a Birdsell. Seed at \$5 a bushel is too valuable to be taken into the chaff. Send for catalog, showing the rasp cylinder, the only thing that gets all the seed.
