DR. J. F. COOK

Has come to the conclusion that all professions of the healing art outside of the vegetable kingdom is a failure. When your system is run out without pure blood. You will only find vitality in the vegetable kingdom. Poisonous drugs nor doctors' knives nor thunder and lightning will not remove the cause, but lay the foundation for all kinds of diseases. Those poisons go into your bones, and kill the life of them and create all kinds of diseases, cancerous tumors, consumption, dropsy, etc. You must bear in mind that his medicine is not a poisonous tonic, nor a stimulant, nor temporary relief which you get from poisonous drugs, where the results are sure death sooner or later. Do not blame the medicine, when it takes an effect and stirs up the poisons of disease in the system. You must not expect to be cured in a few days, for your sickness or disease has been a long time coming on, and it will take a long time to get it out of your system. It will take months or a year to build a new body from the bones up. This is what the people do not understand. They are used to being humbugged. His medicines are composed of Nature's Herbs—what the human system requires. When the animal gets sick they will help themselves to those herbs, for they have the instinct, and the people have not, so we have to make a study of it. It has been a life study with Dr. Cook. Do not get weary; this life is too short and too sweet to worry out of this world.

SKAGWAY MAN IN SALEM

Tells Some Interesting Facts About the Gateway City

Harlan H. Royal and son Willard, of Skagway, Alaska, have been the guests of Mr. Royal's parents, Mr. and Mrs. J. H. B. Royal, on South High street, for a few weeks and returned Friday to their home. Mr. Royal is an Oregon man and has for a number of years conducted a steam laundry in Skagway, being one of the successful and substantial business men of that place. He has a plant about as large as the Salem steam laundry, leaving it in charge of his wife and oldest son while on a visit here. Just before leaving, and after he had made all arrangements to make this visit, he had the misfortune to meet with an accident in connection with the machinery—a belt slipping off and breaking—that cost him the loss of his right eye. He came to Portland and had it taken out and will have a glass eye put in before he returns. Today Mr. Royal and his son went to Albany to visit friends, and will leave for Alaska on Friday.

In a conversation with a reporter he said their town was prosperous, doing a large transportation business, entertaining and transferring most of the travel into Alaska from the steamers to the trains on the White Pass railroad. There was some farming developed around there, the principal crops being hay and potatoes and vegetables. No fruit is grown, but there is an abundance of wild berries, the red currant and raspberry, and the blueberry growing in great abundance. On Linn canal many canneries and herring salteries were springing up. The weather was mild, and the only cold weather was when a norther blew down between the mountains in the winter.

None but osteopaths are competent to pass upon the merits of osteopathy. Drs. Schoettle, Barr & Barr, Osteopaths, Grand Opera House, Salem, Or.

A SURGICAL OPERATION
is always dangerous—do not submit to the surgeon's knife until you have tried DeWitt's Witch Hazel Salve. It will cure when everything else fails—it has done this in thousands of cases. Here is one of them: I suffered from bleeding and protruding piles for twenty years. Was treated by different specialists and used many remedies, but obtained no relief until I used DeWitt's Witch Hazel Salve. Two boxes of this salve cured me eighteen months ago and I have not had a touch of the piles since.—H. A. Tinsdale, Summerton, S. C. For Blind, Bleeding, Itching and Protruding Piles, no remedy equals DeWitt's Witch Hazel Salve. Sold by F. G. Haas, 96 State street.

The doctor sometimes passes a harder sentence than the judge. But the sentence of the doctor is more often set aside or overruled than is that of the judge. In the case of Mrs. Reycraft given below, the doctor sentenced her to about eighteen years of physical punishment and misery. But she rebelled against the sentence, and commenced the use of Doctor Pierce's Favorite Prescription. In a few weeks she was a well woman. It's a peculiarity of the cures effected by the use of Doctor Pierce's Favorite Prescription, that they are generally cures of chronic diseases. A woman suffers with diseases peculiar to her sex, she takes medical treatment, gets no better, and has no hope held out to her of improvement. Then in her discouragement she turns to Dr. Pierce's Favorite Prescription and finds a prompt and lasting cure. "Favorite Prescription" establishes regularity, dries unhealthy drains, heals inflammation and ulceration and cures female weakness.

"Four years ago my health began to fail," writes Mrs. Nellie M. Reycraft, of Glenwood, Washington Co., Oregon. "I had a very heavy dragging and weight in the region of the uterus, pain in back and loins, could not lift anything heavy, rest at night very poor; stomach deranged. One physician said I was overworked, another said I had congestion and falling of uterus. He treated me nine months and said I would not be well until I had passed the change of life. I was only twenty-seven years old then. I became discouraged, and began using Doctor Pierce's Favorite Prescription. Took a teaspoonful three times a day; began feeling better right away. Am using my third bottle now and feel I am in good health. I believe Dr. Pierce's Favorite Prescription has restored me to health. If suffering women would give it a fair trial they would give it praise."

Dr. Pierce's Common Sense Medical Adviser, paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.
