

# FIRST DIRECT PRIMARY

About Three Hundred and Forty Republicans Participate

Frank Waters the Nominee for Mayor and One Ward Tied on Aldermanic Candidate

The first Direct Nomination primary held in this city to nominate a city ticket was conducted by the Republicans Wednesday afternoon, from 7 to 9 o'clock, this late hour being so that workingmen could get to vote. About 340 Republicans participated, and this is a great improvement on the past years, when but a

few would turn out in each ward. The result is given below in vote on candidates and total vote on mayor. The primary was free from any workers whatever, and was one of the most orderly nominating systems ever tried in this city. In three wards there were no opposing candidates. Following is the result on the head of the ticket:

Primary on Waters.	
Wards	Waters, Thilsen.
1	29
2	48
3	39
4	56
5	37
6	28
7	17
Total	254
Majority	127

The contests for aldermen were all good-natured, and the best of feeling prevailed for an office that, generally speaking, no one wants. In the second ward Otto Wilson developed unusual strength for a young man running against an old warhorse like Len Gesner, who has been in the party harness for many years. The Republican city committee will have to order another primary in that ward to

decide between Wilson and Gesner. In the fourth ward three strong and popular young men ran, and his geographical location gave it to Frank Hughes, he being the candidate of the west end, which has no alderman. Judge Hubbard holding over from the east end of the ward. In the fifth ward J. F. Goode was defeated on a close vote. In the seventh ward Fred Hurst was defeated, if you can call that defeat where a man did not want the place, and was on a petition to bring out a third candidate, he signing for Mr. Acheson. Considering that it was the evening before Thanksgiving day, and that the offices pay nothing, and not a candidate spent a cent, a surprisingly large vote was cast.

### IF WOMEN ONLY KNEW.

What a Heap of Happiness It Would Bring to Salem Homes. Hard to do housework with an aching back. Hours of misery at leisure or at work. If women only knew the cause; Backache pains come from sick kidneys. Doan's Kidney Pills will cure it. Salem people endorse this: Mrs. F. Long, wife of F. Long saddler and harness maker, of Roseburg, says: "For a long time I was seldom without backache and any exertion or the slightest cold contracted brought on an aggravated attack. I took medicine trying to check it, but until advised to try Doan's Kidney Pills I met with very indifferent success. Doan's Kidney Pills gave me such prompt relief that I have no hesitation in recommending them to others. My son also used a box and I heard him express himself in high words of praise for them." Plenty more proofs like this from Salem people. Call at Dr. Stone's drug store and ask what his customers report. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name Doan's and take no substitute. 10

Senate and Cuba. Washington, Nov. 25.—The senate was presided over by Keen, of New Jersey, in Fry's absence. Bates retired from the committee on public health and quarantine, and Morgan was selected to fill the vacancy. Newland's resolution, inviting Cuba to join the United States, was brought up and tabled. The Cuban bill came up in regular order of business. Carmack made a speech full of sarcasm. He declared the Cuban bill a miserable bargain with the protected investments, a violation of the solemn obligations, conceived in a spirit of hostility to true reciprocity. It was the last gasp, the dying groan, the death rattle of Republican reciprocity. He declared it to be a case for the exercise of Christian duty, without the exercise of any Christian virtue.

### OIL FOR THE BODY

You can't lose an atom without feeling it. The body is like an engine, a watch, a machine; must be kept in good order to run right. That's the reason Scott's Emulsion is so successful in all wasting diseases. It feeds, nourishes and strengthens when ordinary food won't. Doctors say Scott's Emulsion is the best nourishment for those who are not as well as they should be—young or old. We'll send you a sample upon request. SCOTT & BOWNE, 409 Pearl Street, New York.
