

WOMAN COMMITS SUICIDE

By Drowning at Her Home in Yamhill County

This morning Mr. H. E. Drake, of this city, received a telephone message from Dayton, Yamhill county, stating that his daughter-in-law, wife of M. E. Drake, in a fit of insanity, had drowned herself in the stream there. About five years ago Mrs. Drake ruptured a small artery at the base of her skull, while lifting a teakettle of hot water from the cook stove. Insanity resulted instantly. She was treated at the asylum, and, after a time, regained her mind. A few days ago, however, her mind showed signs of a breakdown, so that her husband had written his people here that he feared he would have to return her to the asylum. Although closely guarded, she slipped away, and this terrible tragedy happened. The deceased was about 40 years of age and leaves a husband and five children. Her body has been found, but the time for the burial has not been set.

Execution of William Rudolph.

St. Louis, Mo., May 13.—The execution of William Rudolph, one of the two young bandits who killed Detective Schumacher after a raid on the bank at Union, Mo., takes place at Union today. Rudolph's partner in crime, George Collins, was hanged at Union two months ago. After the murder of the detective Rudolph and Collins fled to Connecticut, where they were captured several months later and returned to this city. While

TWO KINDS OF CHILDREN

Children that grow too fast and those that seem hardly to grow at all, both need Scott's Emulsion.

It gives that rich vital nourishment which is the secret of all healthy growth. It rounds out the long limbs, and helps children to grow without using up all their strength in growing.

Mothers ought to know more about the wonderful help which Scott's Emulsion would give their children.

We'll send you a sample free upon request. SCOTT & BOWNE, 409 Pearl Street, New York.

awaiting trial Rudolph made a daring escape from the St. Louis jail and was not heard of for nearly six months. Then he was located in the Kansas penitentiary where he had been sent for bank robbery. He was returned to Union for trial and was convicted and given the death sentence on the same day that Collins was hanged. At his own request Rudolph will be buried in the Catholic cemetery at Union by the side of Collins.

New York Dentists.

Albany, N. Y., May 13.—The Dental Society of the State of New York began its thirty-sixth annual meeting today at the Ten Eyck hotel. Though the society is a state organization the participants in the present meeting include leading members of the dental fraternity from many states and also several from Germany and other countries of Europe. The two days' programme provides for clinics and for papers and discussions on many subjects of interest and importance to the profession.

New York and Philadelphia by Trolley.

New York, May 13.—The officials of the Public Service Corporation of New Jersey evidently are not superstitious for they chose today, Friday and the thirteenth day of the month, for the inauguration of their electric railway service between New York and Philadelphia. The service is operated by the Trenton & New Brunswick "Fast Line," in conjunction with the Public Service Corporation and Trenton and Philadelphia. The schedule provides for four cars daily each way, three hours apart.

Sure Cure for Piles.

Itching Piles produce moisture and cause itching, this form, as well as Bleeding or Protruding Piles are cured by Dr. Bosan-ko's Pile Remedy. Stops itching and bleeding. Absorbs tumors. 50¢ a jar at druggists, or sent by mail. Treaties free. Write me about your case. Dr. Bosanko, Phila., Pa.

Love Wrong Horse.

They tell a good story on Carey Martin, and, incidentally on an Independence liveryman. Carey drove one of Gilliam's outfits over to Independence the other day, and put the team in a feed stable at that place to be cared for until he returned. About the same time a team from Dallas drove in, and the liveryman had the two strange teams in the stable. Carey ordered his rig hitched up along during the afternoon, and, imagine his surprise when he arrived in Salem, to be informed by the Gilliam people that he had a strange horse and harness. Carey had made the trip over without noticing that the harness were not "mates," and that he did not bring both of the Gilliam horses home with him. The Independence man was called up by phone, and told to get the other horse down to Salem in double quick time. The Salem horse had been sent over to Dallas, but the tangle was straightened out the next day.

Good Spirits.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass state could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25¢; regular bottles, 75¢. At all druggists. At Dr. Stone's drug stores.

The last day on which certificates will be honored for return at reduced rate from Los Angeles will be June 5, 1934. 4-15-BP

Repairing Salem Hotel.

The Salem Hotel is undergoing a number of repairs and improvements. A new porch is being erected, and a new sidewalk will lead the weary traveler to this haven of rest.

Narrow Chests.

The old theory that consumption was inherited is utterly discredited by modern medical science. The germs of consumption must be received from without. These germs are every where. They are constantly being received and cast out by the healthy system. It is the narrow chested whose inheritance is weakness who fall a prey to consumption because they are too weak of lung to resist and throw off disease. Doctor Pierce's Golden Medical Discovery makes weak lungs strong. It cures obstinate, deep-seated coughs, bleeding lungs, weakness, emaciation and other conditions which if neglected or unskillfully treated find a fatal termination in consumption. \$3,000 FORFEIT will be paid by the World's Dispensary Medical Association, Buffalo, N. Y., if they cannot show the original signature of the individual volunteering the testimonial below, and also of the writers of every testimonial among the thousands which they are constantly publishing, thus proving their genuineness.
