RUSSIA FAVORS PROJECT

Would Give Consent to Colonize Jews in Palestine

Hamburg, May 26.—Before the Zionist congress adjourned the Central committee formally asked the Russian government whether it would be willing to support Jewish colonization in Palestine by influencing the Sultan to grant his consent to the ceding of land for that purpose, to which Russia replied affirmatively. The president al-

so read a sympathetic letter from the Kaiser.

Board Goes to Bend.

Governor Chamberlain, Secretary of State Dunbar and Treasurer Moore left yesterday afternoon for Bend, to investigate some irrigation projects. They will be gone a week as the trip is a very hard one, being a distance of 160 miles by stage from Shaniko.

Examined Cows for Shipment.

J. J. Smith, a veterinary surgeon of Albany, tested a car load of milk cows today for George Berdick which are being shipped to Seattle in charge of R. G. Keene. Mr. Keene will also take two carloads of sheep to Portland for Mr. Coll.

MINERS DISCUSS UNION

Western Federation of Labor May Join Other Bodies for Protection

Denver, May 26.—No business of importance was transacted at this morning's session of the Western Federation of Labor. The time was consumed in hearing reports of the various committees and discussing the same. The report of the committee on co-operative stores, in districts where strikes are in progress, proved of great interest to the delegates. It was shown that these stores, while enabling members to purchase living necessities at almost cost, had at the same time proved profitable to the Federation treasury, and the consensus of opinion was that they should be continued, and new ones projected. A committee of five was appointed to meet with a like committee from the American Federation of Labor and United Mine Workers of America to discuss the matter of the Western Federation affiliating with the other two bodies for mutual benefit. The members of the Western Federation, it is announced, will not entertain the proposition seriously, unless they are given many concessions, claiming that their organization is the strongest of the kind in the country, and can remain independent and succeed just as well.

Labor Organizer in Town.

C. H. Gram, state president of the Federation of Labor, is in the city, and this evening, at Labor Hall, will address the members of the Salem unions on important subjects. He is very much interested in the labor movement, and realizes that the only thing for workmen is to help themselves through the unions.

Mr. Gram is very bitter against the present system of employing the convicts under lease in the stove foundry, and says that many men who are worth 35 cents an hour are working for 35 cents a day. The product of their labor is sold in competition with free goods, and works an injustice on the latter.

Died in Portland.

Word was received in this city this morning of the death of Mrs. L. O. Mensies, at the home of her daughter, in Portland. Deceased leaves several children, among them being Mrs. John Parsons, formerly of Salem, but now of Skagway, Alaska.

The remains will be brought to this city Saturday morning on the 11 o'clock train, and burial will take place in the Lee Mission cemetery. The announcement of the complete funeral arrangements will appear later.

Mrs. Dr. Doty and daughter, Gilla, of Monmouth, who have been visiting at the home of Mr. and Mrs. J. W. Harritt, have returned home.

Russia Has Informed the Powers That It Is Necessary to Continue Present Custom

Berlin, May 26.—The foreign office has information that Russia recognizes the justice of the complaint concerning the indiscriminate mine sowing by that government, but will continue to use the mines throughout the war, after which negotiations will be undertaken with the powers regarding their limitations in time of war. The question has never been agreed on by the governments, and Russia claims that in the present practice she is simply following precedents set by other nations.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

BANK CASHIER SHORT

Left Chicago and Settled in Mexico but the Naughty Police Trained Him

Chicago, May 26.—The police have advised the arrest at San Juan Del Rio, Mexico, of Herman Haaff, an auditor of the Corn Exchange National Bank, who has been missing four weeks. The bank, according to the police, claim that they have thus far found a shortage of \$17,000. It is understood that Haaff will fight extradition. He left a wife and two children here. He began work in the bank many years ago in a humble position.
